Dr. Kellers Vegetable Panacea.

For the removal and permanent cure of all diseases arising from an impure state of the blood and habit of the body, viz: Chronic affections of the Chest, Pleurisy, Bronchitis, Catarrh, &c.—Scrofula in all its stages, Pimples, Scald-head, Cutaneous affections of the body, face and extremities, Chronic Rheumatism, Chronic enlargements of the ligaments and joints, White Swellings, Syphilitic Affections, Constitutional disorders arising from debility, Mercurial and hereditary predispositions, &c.

It is now admitted by Pathologists, that no original temperament, complexion, constitution, or form of body, confers complete immunity from Hereditary diseases; that scrofula, consumption and other affections having a similarity of origin occur in all: although observation convinces us, that individuals and families, possessing certain characteristics are more frequently the subject of these maladies than others. These diseases are a morbid condition of the whole system of nutrition—these products being the effects of an alteration of the Blood and Secretions—the ulcers, abscesses, enlarged glands, inflammations, &c. being merely attendant phenomena. The cause exists prior to the phenomena, and must be destroyed before perfect health can be established. This may be done by Dr. Keller's Vegetable Panacea, the most certain remedy for all diseases arising from an impure state of the blood and system of nutrition, ever presented to the notice of the afflicted.

Prepared corner of 3d and 8th streets, Philadelphia: and sold by John N. Prowell, and Jones & Simonton, Huntingdon, and by Druggists and Merchants throughout the county. Price—\$1 per bottle, large size. June 9, 1847.
