CHRISTMAS CHEER.—During this season of festivity and joy, when all are prone to indulge in the good things of life to excess, let us not forget that the pleasures of the table, when enjoyed beyond the bounds of moderation, are at the expense of health.

To those, however, who are inadvertently led into excess in eating or drinking, and who, in consequence, suffer from headache, sick stomach, loss of spirits, indigestion, and other complaints, the peppy or over-indulgence, we recommend a trial of Wright's Indian Vegetable Pills, of the North American College of Health.
