It is the most perfect master of pain ever discovered. All who use, recommend it. None can tell how soon some of the family will need it.

Observe each box of the genuine Ointment has the name of S. Tousey written on the outside label. To imitate this is forgery.
Boatmen, Livery men, Farmers, and all who use horses, will find this Ointment the very best thing they can use for collar galls, scratches, kicks, &c. &c., on their animals. Surely, every merciful man would keep his animals as free from pain as possible.—Tousey's Universal Ointment is all that is required. Try it.

Old Sores Cured.—For old, obstinate sores, there is nothing equal to Tousey's Ointment. A person in Manlius had for a number of years, a sore leg that baffled the skill of the doctors.—Tousey's Ointment was recommended by one of the visiting physicians, (who knew its first virtues,) and two boxes produced more benefit than the patient had received from any and all previous remedies. Let all try it.

Burns and Scalds Cured.—Thousands of cases of burns and scalds, in all parts of the country, have been cured by Tousey's Universal Ointment. Certificates enough can be had to fill the whole of this sheet.

Violent Bruises Cured.—Testimonials on testimonials, in favor of Tousey's Ointment for curing bruises, have been offered the proprietors. Hundreds in Syracuse will certify to its great merits in relieving the pain of the most severe bruise. All persons should try it.

Scald Head Cured.—Sores or cases of scald head have been cured by Tousey's Ointment. Try it—it seldom fails.

Salt Rheum Cured.—Of all the remedies ever discovered for this most disagreeable complaint, Tousey's Universal Ointment is the most complete. It was never known to fail.

Chapped Hands can be Cured.—Tousey's Universal Ointment will always cure the worst cases of chapped hands. Scores of persons will state this.

Sore Lips Cured.—For the cure of sore lips, there was never anything made equal to Tousey's Ointment. It is a sure cure for them. Try it.

It is a scientific compound, warranted not to contain any preparation of Mercury.

CLICKENER'S SUGAR-COATED PILLS, The Only Effectual Purgative, cured within the last year

OVER 200,000 PERSONS of the following Complaints:

Headache, Giddiness, Rheumatism, Piles, Dyspepsia, Scoury, Small pox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heartburn, Worms, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colds, Gout, Gravel, Nervous Complaints, and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.

Experience has proved that nearly every disease originates from Impurities of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those Impurities and restore the blood to its natural state. Therefore, when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes us that superfluities are gathering in the system, which should be immediately removed by an effectual purgative. This fact, as stated, is universally known; but people have such an aversion to medicine, that unless the case urgently, they preferred the disease to the cure, generally. Since the invention, however, of

Clickener's Vegetable Purgative Pills, this objection does not exist, as they are completely enveloped with a coating of pure white sugar (as distinct from the internal ingredients as a nut shell from the kernel) have no taste of medicine, and are as easily swallowed as bits of candy. Moreover they neither nauseate or grip in the slightest degree. They operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. Thus, for example, if the Liver be affected, one ingredient will operate on that particular organ, and by cleansing it of that excess of Bile it is constantly discharging into the stomach, restore it to its natural state. Another will operate on the

Blood, and remove those impurities which have already entered into its circulation; while a third will effectually expel from the system whatever impurities may have been discharged into the stomach; and hence they

Strike at the Root of Disease, Remove all its pure Humors; open the pores externally and internally; promote the insensible Perspiration, obviate Flatulency, Headache, &c., separate all foreign and obnoxious particles from the chyle, secure a free and healthy action to the Heart, Lungs, and Liver, and thereby restore health even when all other means have failed.
The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring Health, that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction.

Ask the Sufferer FROM ASTHMA

what has relieved him in such a short time from his difficulty of breathing, Cough and suffocation? He will tell you it was "the Olossonian, or All Healing Balm."

Ask the consumptive what has allayed his Cough, removed the Pain in his Side and Chest, checked his night sweats and placed the rose of health upon his cheek? and he will tell you "SHERMAN'S OLOSOSIAN, OR ALL-HEALING BALM."

Ask your friends if they know of any thing that will so speedily cure a long and tedious Cough, Raising of Blood, Bronchitis, Dyspeptic Consumption, Hoarseness, Influenza, and diseases of the Throat, as the Olossonian? and they will tell you—No. There never yet has been a remedy introduced to public notice which has been productive of so much good in so short a space of time. ASTONISHING CURES.
Wm. DORN, the celebrated Boston cracker baker, 99 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 years, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well. His daughter, who was suffering from the same disease, tried it, and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning and attend to her usual duties through the day without any annoyance from her distressing malady.

HENRY JACKSON, 13th street, near the Catholic Cemetery, came to the store for the purpose of obtaining a bottle of the Olossonian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

Consumption of the Lungs.
MRS. COMFORT, 35 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olossonian and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs. ATTREE, the wife of Wm. H. Attree, James Harbort, Esq. and George W. Hays, Esq., can all bear testimony from their own experience of the healing properties of this Great Remedy in Consumption of the Lungs.

Spitting Blood.
Mrs. THORNBURN, 352 Monroe street, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olossonian, and declares it the greatest remedy in the world.

DENNIS KELLY, 26 Water street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it—having been under the care of his physician during the past winter. Although he coughed constantly and was very much troubled with night sweats, two bottles of the remedy enabled him to return to his daily work. He was entirely relieved.

Sickness in Children.

And the suffering which they undergo from 'worms' often tend to a fatal termination, while the cause is never suspected. Offensive breath, picking at the nose, grinding the teeth during sleep, starting in sleep with fright and screaming, troublesome cough, and feverishness, are among some of the prominent symptoms of the presence of worms. A timely use of

SHERMAN'S WORM LOZENGES will immediately remove all these unpleasant symptoms, and restore to perfect health. Sister Ignatius, Superior of the Catholic Hospital for Orphan Asylum, has added her testimony in their favor, to the thousands which have gone before. She states that there are over 100 children in the Asylum, and that they have been in the habit of using Sherman's Lozenges, and she has always found them to be attended with the most beneficial effects. They have been proved to be infallible in over 400,000 cases.

CONSUMPTION, Influenza, Coughs, Colds, Whooping Cough, Tightness of the Lungs or Chest may be cured.—Rev. Darius Anthony was very low from Consumption, Jonathan Howarth, the celebrated Temperance lecturer, was reduced to the verge of the grave by raising blood. Rev. Mr. Dunbar, of New York, the Rev. Mr. De Forest, Evangelist in the Western part of this state, Rev. Sebastian Streeter, of Boston, the wife of Orasmus Dibble, Esq., in Moravia, and hundreds of others, have been relieved and cured by a proper use of

Sherman's Cough Lozenges, and no medicine has ever been offered to the public which has been more effectual in the relief of those diseases, or which can be recommended with more confidence. They allay all itching, render the cough easy, promote expectation, remove the cause, and produce the most happy and lasting effects.

HEADACHE, Palpitation of the Heart, Lowness of Spirits, Sickness, Despondency, Fatigue, Cholera, Spasms, Cramps of the Stomach, Zumber or Bowel Complaints, also all the distressing symptoms arising from free living, or a night of dissipation are quickly and entirely relieved by using

Sherman's Camphor Lozenges, They act speedily and relieve in a very short space of time, giving tone and vigor to the system, and enable a person using them to undergo great mental or bodily fatigue.

RHEUMATISM, Weak Back, pain and weakness in the Breast, Back, Limbs and other parts of the body are speedily and effectually relieved by Sherman's Poor Man's Plaster, which costs only 12 1/2 cents, and is within the reach of all. So great has become the reputation of this article, that one million will not begin to supply the annual demand. It is acknowledged to be the best strengthening Plaster in the world.

BEWARE OF IMPOSITION. Dr. Sherman's Poor Man's Plaster has his name with directions printed on the back of the Plaster, and a fac simile of the Doctor's written name under the directions. None others are genuine, or to be relied on. Dr. Sherman's Warehouse is No. 106 Nassau street, New York.

CURE FOR CONSUMPTION. 7,000 Cases of obstinate Pulmonary Complaints Cured in One Year!
WISTAR'S BALSAM OF WILD CHERRY.
The Great American Remedy for Lung Complaints and all affections of the Respiratory Organs.

We do not wish to trifle with the lives or health of the afflicted, and we sincerely pledge ourselves to make no assertions as to the virtues of this medicine, and to hold out no hope to suffering humanity which facts will not warrant.

We ask the attention of the candid to a few considerations.

Nature in every part of her works, has left indelible marks of adaptation and design.

The constitution of the animals and vegetables of the torrid zone, is such that they could not endure the cold of the frigid zone, and vice versa. In regard to disease and its cure, the adaptation of remedies is not less striking.

The Moss of Iceland and the Pine and Wild Cherry are justly celebrated for the cure of all diseases of the Lungs and Liver, which are so fearfully prevalent in all Northern latitudes. From a combination of Chemical Extracts procured from this Moss and those Trees Dr. Wistar's Balsam of Wild Cherry is chiefly formed.

IT CURES! Wherever Wistar's Balsam of Wild Cherry is introduced, it at once attains that high reputation which it so richly deserves.—That can prevent its sale when on every hand can be witnessed its wonderful cures! The worst cases of Asthma, recent and dangerous Coughs, (and also those that are of long standing,) Bronchitis and Consumption, (in its early stages,) are always cured by this remarkable medicine.

Important to those afflicted with Diseases of the LUNGS & BREAST. Will miracles never cease? More evidence of its surpassing health restorative virtues!

[From Dr. Baker, Springfield, d. Washington county, Ky.]
SPRINGFIELD, Ky., May 14, 1845.

Messrs. Sanford & Park:—I take this opportunity of informing you of a most remarkable cure performed upon me by the use of Dr. Wistar's Balsam of Wild Cherry. In the year 1840 I was taken with an inflammation of the bowels, which I labored under for six weeks, when I gradually recovered. In the fall of 1841, I was attacked with a severe cold, which seated itself upon my lungs, and for the space of three years I was confined to my bed. I tried all kinds of medicines, and every variety of medical aid, without benefit; and thus I wearied along until the winter of 1845, when I heard of Wistar's Balsam of Wild Cherry.

My friends persuaded me to give it a trial, though I had given up all hopes of recovery, and had prepared myself for the change of another world. Through their solicitations I was induced to make use of the Genuine Wistar's Balsam of Wild Cherry. The effect was truly astonishing. After five years of affliction, pain and suffering, and after having spent four or five hundred dollars to no purpose, and the best and most respectable physicians proved unavailing, I was soon restored to entire health by the blessing of God and the use of Dr. Wistar's Balsam of Wild Cherry.

I am now enjoying good health, and such is my altered appearance, that I am no longer known when I meet my acquaintances.

I have gained rapidly in weight, and my flesh is firm and solid. I can now eat as much as any person, and my food seems to agree with me. I have eaten more during the last six months, than I had eaten in five years before.

Considering my case almost as a miracle, I deem it necessary for the good of the afflicted, and a duty I owe to the proprietors and my fellow men, (who should know where relief may be had) to make this statement to the public.

May the blessings of God rest upon the proprietors of so valuable a medicine as Wistar's Balsam of Wild Cherry. Yours, Respectfully,
WM. H. BAKER.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntington county:
Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq., of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebel, in which many other remedies had been tried without any relief. The balsam gave sudden relief, and in my opinion the child is effectually cured by its use.

Yours, &c.,
JACOB HOFFMAN, M. D.

BEWARE OF COUNTERFEITS. Those who counterfeit a good medicine for the purpose of adding a few dollars to their pockets, are far worse than the manufacturers of spurious coin. For while the latter only rob us of our property, the former take property, and health and life away. Dr. Wistar's Balsam of Wild Cherry is admitted by thousands of disinterested witnesses to have effected the most extraordinary cures in cases of pulmonary and asthmatic character, ever before recorded in the history of medicine.

The young, the beautiful, the good, all speak forth its praise. It is now the favorite medicine in the most intelligent families of our country. Such a high stand in public estimation has been achieved by its own merits alone. And go along as a discerning public are careful to get Wistar's Balsam of Wild Cherry, and refuse with scorn, counterfeits, and every other article proffered to them as substitutes, so long will cures, positive cures, cheer the fireside of many a despairing family.

The true and genuine Wistar's Balsam of Wild Cherry is sold at established agencies in all parts of the United States. Sold in Cincinnati, on the corner of Fourth and Walnut streets, by

Dr. Keeler's Vegetable Panacea,

For the removal and permanent cure of all diseases arising from an impure state of the blood and habit of the body, viz: Chronic affections of the Chest, Pleurisy, Bronchitis, Catarrh, &c.—Scrofula in all its stages, Tetter, Scald-head, Cutaneous affections of the body, face and extremities, Chronic Rheumatism, Chronic enlargements of the ligaments and joints, White Swellings, Syphilitic Affections, Constitutional disorders arising from debility, Mercurial and hereditary predispositions, &c.

It is now admitted by Pathologists, that no original temperament, complexion, constitution, or form of body, confers complete immunity from Hereditary diseases; that scrofula, consumption and other affections having a similarity of origin occur in all; although observation convinces us, that individuals and families, possessing certain characteristics are more frequently the subject of these maladies than others. These diseases are a morbid condition of the whole system of nutrition—these products being but the effects of an alteration of the Blood and secretions—the ulcers, abscesses, enlarged glands, inflammations, &c., being merely attendant phenomena. The cause exists prior to the phenomena, and must be destroyed before perfect health can be established. This may be done by Dr. Keeler's Vegetable Panacea, the most certain remedy for all diseases arising from an impure state of the blood and system of nutrition, ever presented to the notice of the afflicted.

Prepared corner of 3d and South streets, Philadelphia; and sold by John N. Prowell, and Jones & Simonton, Huntington, and by Druggists and Merchants throughout the county. Price—\$1 per bottle, large size.

DR. LE ROY'S

Vegetable Universal Pills,
The only known Medicine that at the same time purges, purifies and strengthens the system.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the place of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus these pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent medicine, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

Messrs. Robinson, Collins & Co.—Sirs: This is to inform you that I was afflicted for 20 years with a violent pain in my breast, so much so that I could hardly lay in bed at night. Cough attended, followed by emaciation and other decided symptoms of consumption. I applied to several eminent physicians, and took a great deal of medicine without any relief whatever. I was advised to try Dr. Davis's Compound Syrup of Wild Cherry and Tar, of which I took two bottles, which entirely relieved me of my complaint; therefore I can with confidence recommend it to all who are in a like manner afflicted, as a most valuable Medicine.
