

MIKE WALSH.
A correspondent of the Rochester American, writing from Albany, 4th inst., gives the following characteristic "effort" of our Subterranean representative, who, it seems, was entrusted with the duty of asking, of the Assembly, leave of absence for Mr. Titus, (another city member,) who was suddenly called home by an "interesting family event." Though it does not impress one with a very lofty idea of legislative dignity, it is nevertheless one of those little episodes that, now and then occurring, serve to relieve the monotony of ordinary debate, and as such we give it:

Mike, arising in his seat, with great solemnity of tone and face said:
"Mr. Speaker—I have to announce to the House that last evening, while at his boarding house, my colleague, Mr. Titus, had the fortune to receive a most important communication by telegraph. While reading the note, his countenance betrayed strong emotions of joy. No May morning, resplendent with the sun's horizontal beams, ever shone more brightly than the face of my friend. The bystanders anxiously desired to know what had caused such excitement in his mind. Utterance was denied him. He thrust the note into his pocket, and went into a back room. Thither his wondering and solicitous associates followed him. One of his colleagues, Mr. Rodman, is a scientific man, and gave it as his opinion that poor Mr. Titus had been too freely taking that exhilarating and wonderful liquid, chloroform. But as soon as the state of his feelings would permit him to produce the note from his breeches pocket, the mystery was explained. We read and were satisfied. The telegraph brought intelligence that Mrs. Titus had presented her husband with an heir; and not an heir only, but a boy; and not a boy only, but a fine boy! The exaltation of Napoleon when Mar a Louisa gave him a son to inherit his empire and his renown, was tame compared with that of Mr. Titus. As soon as he could command his faculties, he called for champagne and segars. Official dignity was thrown aside. Our friend was no longer Mr. Titus the legislator, but Mr. Titus the father of a boy. Taking kindly leave of his friends, and tendering his heartfelt thanks to all who could be supposed to have contributed in any way to so auspicious an event, he departed in last night's cars to see his happy spouse and infant heir. I ask leave of absence for him of ten days."

It is needless to say that leave was granted amid roars of laughter.

BLANK DEEDS and MORTGAGES,

DR. LE ROY'S Vegetable Universal Pills,
The only known Medicine that at the same time purges, purifies and strengthens the system.

LONDON, July 7, 1846.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus those pills are at the same time, and opening; a desideratum long and eagerly sought for by medical men but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system, and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

Price 25 Cents per Box.

Messrs. Robinson, Collins & Co.—Sirs: This is to inform you that I was afflicted for 20 years with a violent pain in my breast, so much so that I could hardly lay in bed at night. Cough attended, followed by emaciation and other decided symptoms of consumption. I applied to several eminent physicians, and took a great deal of medicine without any relief whatever. I was advised to try Dr. Davis' Compound Syrup of Wild Cherry and Tar, of which I took two bottles, which entirely relieved me of my complaint, therefore I can with confidence recommend it to all who are in a like manner afflicted, as a most valuable Medicine.

The authenticity of the above statement is vouched for by Mr. Isaac Murphy, a merchant of Milford, who knows Mr. Toomey, and the circumstances of his case. Mr. T. is now sixty years of age.

HUNT'S LINIMENT.
HAS now given abundant evidence of its healing powers, and proved itself the most extraordinary and wonderful medicine in the world. In the short space of two years, it has acquired a reputation for curing disease and relieving pain far greater than any medicine ever discovered. Its wonderful cures have astonished the Medical Faculty, who now universally concede its great value. They speak of it in the highest terms, and commend its use.

It is commended by none. On the contrary, its praise is universal. The cases of cures are so numerous that it would take volumes to recount them; and it is a fixed fact, and is not disputed, that as a Pain Extractor it has no equal. For the many astonishing cures, see the pamphlet, to be had of each agent. If you suffer with either of the diseases for which it is recommended, resort at once to its use and be cured. For the following diseases it is an infallible remedy:

Spinal affections, Rheumatism, Paralysis and all Nervous affections, Salt Rheum, Croup or Hives, Ague in the Breast and Face, Weakness of the Joints, Colds, Toothache, Sore Throat and Quinsy, Ulcerated Sores, Indolent Ulcers, Burns, Frosted Feet, Corns, Bunions, Fresh Wounds, Swellings and Bruises, Scrofulous Affections, Mosquito Bites, and Poisons.

CLICKENER'S SUGAR-COATED PILL,
The Only Effectual Purgative, cured within the last year

OVER 200,000 PERSONS of the following Complaints:

Headache, Giddiness, Rheumatism, Piles, Dyspepsia, Scurvy, Small pox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heartburn, Worms, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colic, Gout, Gravel, Nervous Complaints, and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.

Experience has proved that nearly every disease originates from Impurities of the Blood or Derangement of the Digestive Organs; and to secure Health, we must remove those Impurities and restore the blood to its natural state. Therefore, when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes us that superfluities are gathering in the system, which should be immediately removed by an effectual purgative. This fact, as stated, is universally known; but people have such an aversion to medicine, that, unless the case urgent, they prefer the disease to the cure, generally. Since the invention, however, of

Clickener's Vegetable Purgative Pills, this objection does not exist, as they are completely enveloped with a coating of pure white sugar (as distinct from the kernel) which has no taste of medicine, and are as easily swallowed as bits of candy. Moreover they neither nauseate or gripe in the slightest degree. They operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. Thus, for example, if the Liver be affected, one ingredient will operate on that particular organ, and, by cleansing it of that Excess of Bile it is constantly discharging into the stomach, restores it to its natural state. Another will operate on the

Blood, and remove those impurities which have already entered into its circulation; while a third will effectually expel from the system whatever impurities may have been discharged into the stomach; and hence they

Strike at the Root of Disease,
Remove all the pure Humors; open the pores externally and internally; promote the Insensible Perspiration, obviate Flatulency, Headache, &c., separate all foreign and obnoxious particles from the chyle, secure a free and healthy action to the Heart, Lungs, and Liver, and thereby restore health even when all other means have failed.

The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring Health, that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction.

Read the following

ASTONISHING CURES.

Wm. BOND, the celebrated Boston cracker baker, 99 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 years, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well. His daughter, who was suffering from the same disease, tried it and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning, and attend to her usual duties through the day without any annoyance from her distressing malady.

HENRY JACKSON, 13th street, near the Catholic Cemetery, came to the store for the purpose of obtaining a bottle of the Olosonian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

Consumption of the Lungs.

MR. CONYER, 35 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olosonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs. ATKREE, the wife of Wm. H. Attree, James Harman, Esq., and George W. Hays, Esq., can all bear testimony to their own experience of the healing properties of this Great Remedy in Consumption of the Lungs.

Spitting Blood.

Mrs. THORNBURN, 352 Monroe street, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olosonian, and declares it the greatest remedy in the world.

DENNIS KELLY, 26 Water street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it—having been under the care of his physician during the past winter. Although he coughed constantly
