HUNT'S LINIMENT.

HUNT'S LINIMER T,

AS now given abundant evidence of its healing powers, and proved itself the most extraordinary and wonderful medicine in the world.—In the short space of two years, it has acquired a reputation for curing disease and relieving pain far greater than any medicine even discovered. Its wonderful cures have astonished the Medical Faculty, who now universally concede its great value. They speak of it in the highest terms, and commend its use.

It is condemned by none. On the contrary, its pra se is universal. The cases of cures are sonumerous that twould take volumes to recount them; and it is a fixed fact, and is not disputed, that as a Pain Extractor it has no equal. For the many astonishing cures, see the pamphlet, to be had of each agent. If you suffer with either of the diseases for which it is recommended, resort at once to its use and be cured. For the following diseases it is an infallible remedy:

Spinal affections, Rheumatism, Paralysis and all Nervous affections, Salt Rheum, Croup or Hives, Ague in the Breast and Face, Weakness of the Joints, Colds, Toothache, Sore Throat and Quinsy, Ulcerated Sores, Indolent Ulcers, Burns, Frosted Feet, Corns, Bunyons, Fresh Wounds, Swellings and Bruises, Scrofulous Affections, Musquito Bites, and Poisons.

time purges, purifies and strengthens the system.

Loxnox, July 7, 1846.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through it admix ure with other substances, purifying and purging, while the other is strengthening the system. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medicial men, but never before dle covered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no re-action. Dr. Le Roy's pills have a wonderful influence in the blood; they not only purify without weakening it, but they remove all nosions particles from the crylic before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and io not; and hence a robust state of health is the certain result of their united operations.
