Spring Fashion of Hats at THE GREAT CENTRAL

HAT AND CAP STORE, No. 284 Market Street, Ninth door above Eighth Street, South side, PHILADELPHIA.

THE subscriber takes this method to return his thanks to the people of the county of Huntingdon for the very liberal share of patronage which they have extended towards him for the last few months, and would call their attention to the fact that he has now introduced his SPRING FASHION OF GENTLEMEN'S HATS, which for beauty, neatness and durability, cannot be excelled by any other establishment in this city.

Sickness in Children. And the suffering which they undergo from 'worms' often tend to a fatal termination, while the cause is never suspected. Offensive breath, picking at the nose, grinding the teeth during sleep, starting in sleep with fright and screaming, troublesome cough, and feverishness, are among some of the Principal Symptoms of the presence of worms. A timely use of

SHERMAN'S WORM LOZENGES will immediately remove all these unpleasant symptoms, and restore to perfect health. Sister Ignatius, Superior of the Catholic Ho. Orphan Asylum has aided her testimony in their favor, to the thousands which have gone before. She states that there are over 100 children in the Asylum, and that they have been in the habit of using Sherman's Lozenges, and she has always found them to be attended with the most beneficial effects. They have been proved to be infallible in over 400,000 cases.

CONSUMPTION. Influenza, Coughs, Colds, Whooping Cough, Tightness of the Lungs or Chest may be cured.—Rev. Darius Anthony was very low from Consumption, Jonathan Howarth, the celebrated temperance lecturer, was reduced to the verge of the grave by raising blood. Rev. Mr. Daubar, of New York, the Rev. Mr. De Forest, Evangelist in the Western part of this state, Rev. Sebastian Streeter, of Boston, the wife of Oramus Dibble, Esq., in Moravia, and hundreds of others, have been relieved and cured by a proper use of

Sherman's Cough Lozenges, and no medicine has ever been offered to the public which has been more effectual in the relief of those diseases, or which can be so readily attended with so little confidence. They allay all itching, render the cough easy, promote expectoration, remove the cause, and produce the most happy and lasting effects.

HEAD-ACHE. Palpitation of the Heart, Lowness of Spirits, Seasickness, Dependancy, Fairness, Cholera, Spasms, Cramps of the Stomach, Summer or Bowel Complaints, also all the distressing symptoms arising from free living, or a night of dissipation are quickly and entirely relieved by using

Sherman's Camphor Lozenges. They act speedily and relieve in a very short space of time, giving tone and vigor to the system, and enable a person using them to undergo great mental or bodily fatigue.

RHEUMATISM. Weak Back, pain and weakness in the Breast, Back, Limbs and other parts of the body are speedily and effectually relieved by Sherman's Poor Man's Plaster, which costs only 12 1/2 cents, and is within the reach of all. So great has become the reputation of this article, that one million will not begin to supply the annual demand. It is acknowledged to be the best strengthening Plaster in the world.

BEWARE OF IMPOSITION. Dr. Sherman's Poor Man's Plaster has his name with directions printed on the back of the Plaster, and a fac simile of the Doctor's written name under the directions. None others are genuine, or to be relied on. Dr. Sherman's Warehouse is No. 106 Nassau Street, New York.

Beware of Counterfeits. CURE FOR CONSUMPTION.

7,000 Cases of obstinate Pulmonary Complaints Cured in One Year!

WISTAR'S BALSAM OF WILD CHERRY. The Great American Remedy for Lung Complaints and all affections of the Respiratory Organs.

The Eighth Wonder of the World!

MANY who have witnessed the extraordinary cures effected by the genuine Wistar's Balsam of Wild Cherry seem disposed to regard it as the Eighth Wonder of the World!

Why, say they: "The Wild Cherry Bark and the Iceland Moss, (the two chief ingredients of this wonderful compound,) have been prescribed from time immemorial by the best physicians—but, never, before, have cures so extraordinary been performed."

The reason is obvious. The proprietors of Wistar's Balsam of Wild Cherry do not claim for their highly celebrated article any far-fetched, mysterious, miraculous power. They have openly acknowledged the simple nature of its ingredients, and only claim for their great and invaluable discovery the exclusive secret of

THAT JUDICIOUS COMBINATION of ingredients which go to make up this richest of curative compounds.

The most skillful and scientific physicians now prescribe this medicine in their practice; while neglected Doctors, of little practice, and mean contracted minds although they do all their curish spirits can do to insure this—the people's favorite medicine—they are at the same time compelled to acknowledge its innocent qualities.

We know the medicine is HARMLESS, and all the world is witness that the medicine CURES. A very important disease over which this Balsam exerts a powerful influence, is that of a DISEASED LIVER. In this complaint it has undoubtedly proved more efficacious than any other remedy employed. The use of this Balsam restored the Liver to healthy action, and in many cases effected permanent cures, after Mercury and every other remedy had failed.

ASTHMA is a complaint in which this Balsam has been extensively used, and with perfect success in proof of which read the following important letter from Georgia.

We are daily receiving testimony like the following from the North, South, East and West. Messrs. Reese & Ware, Gentlemen—I was afflicted with Asthma for fourteen years, and had tried every remedy in the country. I had also been to several physicians and found no relief whatever. I was affected at times so severely, that the blood would gush from my nose, and my breathing was difficult. Indeed, the disease had gained so much on my health that I despaired of ever getting well, when I obtained a bottle of Wistar's Balsam of Wild Cherry, which effected a perfect cure, and I now consider myself perfectly sound. This can be proved by numbers of men in Franklin county and vicinity, and I think it my duty to let it be known.

THOMAS A. PATRICK, Franklin co., Ga., Nov. 19, 1846.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county:

Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq., of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebel, in which many other remedies had been tried without any relief. The balsam gave sudden relief, and in my opinion the child is effectually cured by its use.

Yours, &c., JACOB HOFFMAN, M. D., Dec. 23, 1841.

HUNT'S LINIMENT,

HAS now given abundant evidence of its healing powers, and proved itself the most extraordinary and wonderful medicine in the world.—In the short space of two years, it has acquired a reputation for curing disease and relieving pain far greater than any medicine ever discovered. Its wonderful cures have astonished the Medical Faculty, who now universally concede its great value. They speak of it in the highest terms, and commend its use.

It is commended by none. On the contrary, its praise is universal. The cases of cures are so numerous that it would take volumes to recount them; and it is a fixed fact, and is not disputed, that as a Pain Extractor it has no equal. For the many astonishing cures, see the pamphlet, to be had of each agent. If you suffer with either of the diseases for which it is recommended, resort at once to its use and be cured. For the following diseases it is an infallible remedy:

Spinal affections, Rheumatism, Paralysis and all Nervous affections, Salt Rheum, Croup or Hives, Ague in the Breast and Face, Weakness of the Joints, Colds, Toothache, Sore Throat and Quinsy, Ulcerated Sores, Indolent Ulcers, Burns, Frosted Feet, Corns, Bunions, Fresh Wounds, Swellings and Bruises, Scrofulous Affections, Mosquito Bites, and Poisons.

DR. LE ROY'S

Vegetable Universal Pills. The only known Medicine that at the same time purges, purifies and strengthens the system.

LONDON, July 7, 1846.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus these pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no re-action. Dr. Le Roy's pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

CLICKENER'S SUGAR-COATED PILLS,

The Only Effectual Purgative, cured within the last year

OVER 200,000 PERSONS of the following Complaints:

Headache, Giddiness, Rheumatism, Piles, Dispepsia, Scurvy, Small pox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heartburn, Worms, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Gout, Gravel, Nervous Com-plaints, and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.

Experience has proved that nearly every disease originates from Impurities of the Blood or Derange-ments of the Digestive Organs; and to secure Health, we must remove those Impu-rities and restore the blood to its natural state. Therefore, when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes that superfluities are gathering in the System, which should be immediately removed by an effectual purging. This fact, as stated, is un-iversally known; but people have such an aversion to medicine, that, unless the case urgent, they preferred the disease to the cure, generally. Since the invention, however, of

Clickener's Vegetable Purgative Pills, this objection does not exist, as they are completely enveloped with a coating of pure white sugar (as distinct from the internal ingredients as a nut shell from the kernel) have no taste of medicine, and are as easily swallowed as bits of candy.—Moreover they neither nauseate or gripe in the slightest degree. They operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. Thus, for example, if the Liver be affected, and ingredient will operate on that particular organ, and by cleansing it of that Excess of Bile it is constantly discharging into the stomach, restore it to its natural state. Another will operate on the

Blood, and remove those impurities which have already entered into its circulation; while a third will effectually expel from the system whatever impurities may have been discharged into the stomach; and hence they

Strike at the Root of Disease,

Remove all its pure Humors; open the pores externally and internally; promote the Insensible Perspiration, obviate Flatulency, Headache, &c., separate all foreign and obnoxious particles from the chyle, secure a free and healthy action to the Heart, Lungs, and Liver, and thereby restore health even when all other means have failed.

The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring Health that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction.

Retail Price, 25 cts. per Box. Principal office No. 66 Vesey St., New York. Sold in Harrisburg, by D. Robinson, Market St. Remember Dr. C. V. Clickener is the inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no others, or they will be made the victims of a fraud.

ASTONISHING CURES.

Wm. Boy, the celebrated Boston cracker baker, 99 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 years, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well. His daughter, who was suffering from the same disease, tried it, and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning, and attend to her usual duties through the day without any annoyance from her distressing malady.

HEARY JACKSON, 13th street, near the Catholic Cemetery, came to the store for the purpose of obtaining a bottle of the Olosaonian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bot-tle.

Consumption of the Lungs.

Mr. COMFORT, 35 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olosaonian and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs. ATREE, the wife of Wm. H. Atree, James H. Atree, Esq., and George W. Flaws, Esq., can all bear testimony from their own experience of the healing properties of this Great Remedy in Consumption of the Lungs.
