Beware of Counterfeits.

CURE FOR CONSUMPTION.

7,000 Cases of obstinate Pulmonary Complaints Cured in One Year! WISTAR'S BALSAM OF WILD CHERRY. The Great American Remedy for Lung Complaints and all affections of the Respiratory Organs.

The Eighth Wonder of the World!

MANY who have witnessed the extraordinary cures effected by the genuine Wistar's Balsam of Wild Cherry seem disposed to regard it as the Eighth Wonder of the World! "Why," say they, "the Wild Cherry Bark and the Iceland Moss, (the two chief ingredients of this wonderful compound,) are being prescribed in time immemorial by the best physicians—but, never, before, have cures so extraordinary been performed." The reason is obvious. The proprietors of Wistar's Balsam of Wild Cherry do not claim for their highly celebrated article any far-fetched, mysterious, miraculous power. They have openly acknowledged the simple nature of its ingredients, and only claim for their great and invaluable discovery the exclusive secret of

THE MOST JUDICIOUS COMBINATION

of ingredients which go to make up this richest of curative compounds. The most skillful and scientific physicians now prescribe this medicine in their practice; while neglected Doctors, of little practice, and mean contracted minds although they do all their curial spirits can do to insure this—the people's favorite medicine—they are at the same time compelled to acknowledge its innocent qualities. We know the medicine is HARMLESS, and all the world is witness that the medicine CURES. A very important disease over which this Balsam exerts a powerful influence, is that of the DISEASED LIVER. In this complaint it has undoubtedly proved more efficacious than any other remedy employed. The use of this Balsam restored the liver to healthy action, and in many cases effected permanent cures, after Mercury and every other remedy had failed.

ASTHMA is a complaint in which this Balsam has been extensively used, and with perfect success in proof of which read the following important letter from Georgia.

We are daily receiving testimony like the following from the North, South, East and West. Messrs. Reese & Ware: Gentlemen—I was afflicted with Asthma for fourteen years, and had tried every remedy in the country. I had also been to several physicians and found no relief whatever. I was affected at times so severely, that the blood would gush from my nose, and my breathing was difficult. Indeed, the disease had gained so much on my health that I despaired of ever getting well, when I chanced to get a bottle of Wistar's Balsam of Wild Cherry, which effected a perfect cure, and I now consider myself perfectly sound. This can be proved by numbers of men in Franklin county and vicinity, and I think it my duty to let it be known. THOMAS A. PATRICK, Franklin co., Ga., Nov. 19, 1846.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county: Dear Sir—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq., of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebe, in which many other remedies had been tried without any relief. The balsam gave sudden relief, and in my opinion the child is effectually cured by its use. Yours, &c., JACOB HOFFMAN, M. D. Dec. 23, 1841. Price \$1 per bottle—six bottles for \$5. For sale by J. D. PARK, (Successor to Sanford & Park), Cincinnati.

STANTON'S EXTERNAL REMEDY.

HUNT'S LINIMENT,

HAS now given abundant evidence of its healing powers, and proved itself the most extraordinary and wonderful medicine in the world.—In the short space of two years, it has acquired a reputation for curing disease and relieving pain far greater than any medicine ever discovered. Its wonderful cures have astonished the Medical Faculty, who now universally concede its great value. They speak of it in the highest terms, and commend its use.

It is condemned by none. On the contrary, its use is universal. The cases of cures are so numerous that it would take volumes to recount them; and it is a fixed fact, and is not disputed, that as a Pain Extractor it has no equal. For many of its astonishing cures, see the pamphlet, to be had of each agent. If you suffer with either of the diseases for which it is recommended, resort at once to its use and be cured. For the following diseases it is an infallible remedy: Spinal affections, Rheumatism, Paralysis and all Nervous affections, Salt Rheum, Croup or Hives, Ague in the Breast and Face, Weakness of the Joints, Colds, Toothache, Sore Throat and Quins, Ulcerated Sores, Indolent Ulcers, Burns, Frosted Feet, Corns, Bunions, Fresh Wounds, Swellings and Bruises, Scrofulous Affections, Mosquito Bites, and Poisons.

DR. LE ROY'S

Vegetable Universal Pills,

The only known Medicine that at the same time purges, purifies and strengthens the system. LONDON, July 7, 1846.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through it admix with other substances, purifying and purging, while the other is strengthening the system. Thus these pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

CLICKENER'S SUGAR-COATED PILLS,

The Only Effectual Purgative, cured within the last year OVER 200,000 PERSONS of the following Complaints:

Headache, Giddiness, Rheumatism, Piles, Dyspepsia, Scoury, Small pox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heartburn, Worms, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Pits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colds, Gout, Gravel, Nervous Complaints, and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.

Experience has proved that nearly every disease originates from Impurities of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those Impurities and restore the blood to its natural state. Therefore, when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes us that superfluities are gathering in the System, which should be immediately removed by an effectual purgative. This fact, as stated, is universally known; but people have such an aversion to medicine, that, unless the case urgent, they prefer the disease to the cure, generally. Since the invention, however, of

Clickener's Vegetable Purgative Pills, this objection does not exist, as they are completely enveloped with a coating of pure white sugar (as distinct from the internal ingredients as a nut shell from the kernel) have no taste of medicine, and are as easily swallowed as bits of candy.—Moreover they neither nauseate or gripe in the slightest degree. They operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. Thus, for example, if the Liver be affected, one ingredient will operate on that particular organ, and by cleansing it of that Excess of Bile it is constantly discharging into the stomach, restore it to its natural state. Another will operate on the

Blood, and remove those impurities which have already entered into its circulation; while a third will effectually expel from the system whatever impurities may have been discharged into the stomach; and hence they

Strike at the Root of Disease,

Remove all its pure Humors; open the pores externally and internally; promote the Inescapable Perspiration, obviate Flatulency, Headache, &c., separate all foreign and obnoxious particles from the chyle, secure a free and healthy action to the Heart, Lungs, and Liver, and thereby restore health even when all other means have failed. The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring Health that, the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction. Retail Price, 25 cts. per Box. Principal office No. 66 Veary St., New York. Sold in Harrisburg, by D. Robinson, Market St. Remember Dr. C. V. Clickener is the inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no others, or they will be made the victims of a fraud. AGENTS.—T. K. SIMONTON, Huntingdon, Jas. Ask the Sufferer FROM ASTHMA

what has relieved him in such a short time from his difficulty of breathing, Cough and suffocation? He will tell you it was "The Olossonian, or All Healing Balm."

Ask the Consumptive what has allayed his Cough, removed the Pain in his Side and Chest, checked his night sweats and placed the rose of health upon his cheek? and he will tell you "SHEERMAN'S OLOSOSIAN, OR ALL-HEALING BALM."

Ask your friends if they know of any thing that will so speedily cure a long and tedious Cough, Raising of Blood, Bronchitis, Dyspeptic Consumption, Hoarseness, Influenza, and diseases of the Throat, as the Olossonian? and they will tell you—No. There never yet has been a remedy introduced to public notice which has been productive of so much good in so short a space of time. Read the following

ASTONISHING CURES.

Wm. Dixon, the celebrated Boston cracker baker, 99 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 years, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well. His daughter, who was suffering from the same disease, tried it, and was also cured by it. Mrs. Dixon is now so well that she is able to rise from her bed early in the morning and attend to her usual duties through the day, without any annoyance from her distressing malady.

HENRY JACKSON, 13th street, near the Catholic Cemetery, came to the store for the purpose of obtaining a bottle of the Olossonian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

Consumption of the Lungs.

MR. COMFORT, 35 White street, was so low in the month of December, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olossonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs. ATKEER, the wife of Wm. H. Atkeer, James Harlan, Esq. and George W. Harlan, Esq., can all testify from their own experience of the healing properties of this Great Remedy in Consumption of the Lungs.

Spitting Blood.

Mrs. THOMPSON, 252 Monroe street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it—having been under the care of his physician during the past winter. Although he coughed constantly and was very much troubled with night sweats, two bottles of the remedy enabled him to return to his daily work. He was entirely relieved.

DAVID HENDERSON, 60 Light street, George W. Burnett, formerly of Newark, N. J., Henry Lisbon, 199 Rivington street, and numerous other persons have been speedily and permanently cured of the same complaint by this remedy.
