

Jimmy Buchanan.
"Pennsylvania's favorite son" is hit by John Donkey in a recent number rather severely, although not harder than is justified by his previously avowed sentiments. He is represented in a cut standing at a table on which are displayed his various political galls and traps which he is endeavoring to vend to his customers at very reduced prices: the following is the manner in which he solicits patronage—"Any article on this board for ten cents! Here you have a copy of my speech against the war of 1812, or my letter in favor of the war of 1847—all for ten cents! Here you have my views on the Tariff of '42, and the Tariff of '47, so judiciously mingled that you can't tell 't'other from which—all for ten cents! Here you have that drop of Democratic blood which I was so anxious to let out of my veins—all for ten cents! Any article on this board for ten cents—laborer's wages!"
Clay, Calhoun and Dallas are represented as examining his wares, and they express great astonishment as to "how he can manage to sell his wares so cheap."

ANOTHER BATTLE IN NEW MEXICO—Our Troops Victorious!—The North American of the 26th ult., says: By telegraph from St. Louis to the Pittsburg papers, we have confirmatory accounts of the battle fought at Rosalie, sixty miles from Chihuahua. The Americans were victorious, and the Governor of Chihuahua, with a large number of prisoners and fourteen pieces of artillery, were taken by our troops. The loss in killed and wounded on both sides is represented as heavy.

WHO KNOWS WHAT A DAY MAY BRING FORTH!—One month ago, and Louis Philippe, M. Guizot and Prince Metternich, held in iron chains more than one hundred millions of people, and to-day they are dependent upon courtesy and charity for support, suppliants for their lives, and hiding themselves from the just indignation of the people whom they had oppressed. What a moral this reverse contains!

DROWSINESS, Swimming of the Head, a roaring noise in the ears, headache, palpitation of the heart, &c.—Wright's Indian Vegetable Pills are a certain cure for the above unpleasant complaints, because they purge from the body those stagnant and corrupt humors which, when floating in the general mass of circulation, are the cause of a rush of blood to the head, giddiness, dimness of sight, drowsiness, pain of the head, and many other symptoms of a loaded and corrupt state of the blood.

Wright's Indian Vegetable Pills are also one of the very best medicines for the cure of indigestion, and therefore will not only remove the above unpleasant symptoms, but will assuredly restore the body to a state of sound health.

AGUE MEDICINE!

DR. OSGOOD'S INDIA CHOLAGOGUE,

for the cure of

Fever and Ague, Chill Fever, Dumb Ague, Intermittent and Remittent Fevers, Liver Complaints, Jaundice, Enlargement of the Liver, Enlargement of the Spleen, and all the various forms of Bilious Diseases.

This invaluable medicine was prepared from an extensive practice of several years in a bilious climate, and its efficacy is shown by the cure of Fever and Ague, or any of the diseases above named.

Those who are suffering from affections of this kind, as also those who have become invalids from their effects upon the constitution, will find the INDIA CHOLAGOGUE a most invaluable remedy for purifying the blood, and thoroughly cleansing from the system the morbid effects of a bilious climate.

The wonderful operation of the Cholagogue in eradicating BILE from the human system, can only explain its extraordinary agency in the speedy, thorough and permanent cure of fever and ague, and the various grades of intermittent and remittent fevers.

It is equally effectual for the cure of Liver complaint, Jaundice, Enlargement of the Liver; also Enlargement of the Spleen, called Ague Cake, and the various forms of bilious Indigestion. These, with the other varied affections of such climates, arising from a common miasmatic cause, are only modifications of the same disease, and are equally controlled by the same remedy.

Certificates without number could be given of the efficacy of this medicine in curing the above mentioned diseases, but are not deemed necessary, as a simple trial of it by the afflicted will fully attest its virtues.

Price \$1 50 per bottle.

Philadelphia China Store.

THE Subscribers, proprietors of one of the oldest and most extensive China Stores in the United States, have now on hand a very large supply of

Common Ware, Granite Ware, China Ware, and Glass Ware, embracing all the varieties ever imported, which they will sell in large or small quantities, Wholesale or Retail, to suit the wants of the people, at prices to defy competition.

The advantages to be derived from having a large stock to select from, ought certainly to be apparent to every one; only two need be mentioned: 1st. The variety to please the taste.

2d. The advantage of purchasing at the lowest prices; for it is certainly evident to every thinking mind, that the larger the business done, the smaller the profit required. It is so in every branch of trade. The manufacturer sells to the wholesale package dealer; the wholesale package dealer sells to the jobber, and the jobber to the retail country dealer; so that the farmer or consumer of the article pays at least four profits!

Why pay so many profits when you can come directly to head quarters?
