Philadelphia China Store.

The Subscribers, proprietors of one of the oldest and most extensive China Stores in the United States, have now on hand a very large supply of

Common Ware, Granite Ware, China Ware, and Glass Ware,

embracing all the varieties ever imported, which they will sell in large or small quantities, Wholesale or Retail, to suit the wants of the people, at prices to defy competition.

The advantages to be derived from having a large stock to select from, ought certainly to be apparent to every one who needs be mentioned:

1st. The variety to please the taste.

2d. The advantage of purchasing at the lowest prices; for it is certainly evident to every thinking mind, that the larger the business done, the smaller the profit required. It is in every branch of trade. The manufacturer sells to the wholesale package dealer; the wholesale package dealer sells to the jobber, and the jobber to the retail country dealer: so that the farmer or consumer of the article pays at least four profits!

Why pay so many profits when you can come directly to head quarters?

CURE FOR CONSUMPTION.

7,000 Cases of obstinate Pulmonary Complaints Cured in One Year!

WISTAR'S BALSAM OF WILD CHERRY.

The Great American Remedy for Lung Complaints and all affections of the Respiratory Organs.

The Eighth Wonder of the World!

Many who have witnessed the extraordinary cures effected by the genuine Wistar's Balsam of Wild Cherry seem disposed to regard it as the Eighth Wonder of the World!

"Why," say they: "the Wild Cherry Bark and the Iceland Moss, (the two chief ingredients of this wonderful compound,) have been prescribed from time immemorial by the best physicians—but, never, before, have cures so extraordinary been performed."

The reason is obvious. The proprietors of Wistar's Balsam of Wild Cherry do not claim for their highly celebrated article any far-fetched, mysterious, miraculous power. They have openly acknowledged the simple nature of its ingredients, and only claim for their great and invaluable discovery the exclusive secret of

THAT JUDICIOUS COMBINATION

of ingredients which go to make up this richest of curative compounds.

The most skillful and scientific physicians now prescribe this medicine in their practice; while neglected Doctors, of little practice, and mean contracted minds although they do all their curial spirits can do to insure this—the people's favorite medicine—they are at the same time compelled to acknowledge its innocent qualities.

We know the medicine is HARMLESS, and all the world is witness that the medicine CURES.

A very important disease over which this Balsam exerts a powerful influence, is that of a DISEASED LIVER. In this complaint it has undoubtedly proved more efficacious than any other remedy employed. The use of this Balsam restores the Liver to healthy action, and in many cases effected permanent cures, after Mercury and every other remedy had failed.

ASTHMA is a complaint in which this Balsam has been extensively used, and with perfect success in proof of which read the following important letter from Georgia.

We are daily receiving testimony like the following from the North, South, East and West.

Messrs. Rees & Ware: Gentlemen—I was afflicted with Asthma for fourteen years, and had tried every remedy in the country. I had also been to several physicians and found no relief whatever. I was afflicted at times so severely, that the blood would gush from my nose, and my breathing was difficult. Indeed, the disease had gained so much on my health that I despaired of ever getting well, when I chanced to get a bottle of Wistar's Balsam of Wild Cherry, which effected a perfect cure, and I now consider myself perfectly sound. This can be proved by numbers of men in Franklin county and vicinity, and I think it my duty to let it be known.

THOMAS A. PATRICK.

Franklin co., Ga., Nov. 19, 1846.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county:

Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq., of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebel, in which many other remedies had been tried without any relief. The balsam gave sudden relief, and in my opinion the child is effectually cured by its use.

Yours, &c.,
