**DR. LE ROY'S**

**Vegetable Universal Pills,**

The only known Medicine that at the same  
time purges, purifies and strengthens  
the system.

London, July 7, 1846.

**DR. LE ROY'S** Pills are a new medicine which  
has just appeared, and is fast taking the place of  
all others of the same class. These pills are  
composed of many ingredients, but the two prin-  
cipal ones are Sarsaparilla and Wild Cherry, so uni-  
ted that they act together; the one, through its  
admixture with other substances, purifying and  
purging, while the other is strengthening the sys-  
tem. Thus those pills are at the same time tonic  
and opening; a desideratum long and eagerly  
sought for by medical men, but never before dis-  
covered. In other words they do the work of two  
medicines, and do it much better than any two we  
know of; for they remove nothing from the system  
but the impurities; so that while they purge they  
strengthen; and hence they cause no debility,  
and are followed by no re-action. Dr. Le Roy's  
pills have a wonderful influence on the blood; they  
not only purify without weakening it, but they re-  
move all noxious particles from the chyle before it  
is converted into fluid, and thus make impure  
blood an utter impossibility. As there is no debili-  
tation, so there is no nausea or sickness attending  
the operations of this most excellent of medicines,  
which never strains or tortures the digestive func-  
tions, but causes them to work in a perfectly natu-  
ral manner; and hence persons taking them do not  
become pale and emaciated, but the contrary; for  
while it is the property of the Sarsaparilla, united  
as it is with other ingredients, to remove all that is  
foreign and impure, it is equally the property of  
the Wild Cherry to retain all that is natural and  
sound; and hence a robust state of health is the  
certain result of their united operations.

Price 25 Cents per BOX.

**CURE FOR CONSUMPTION.**

7,000 Cases of obstinate Pulmonary Com-  
plaints Cured in One Year!

WISTAR'S BALM OF WILD CHERRY.

The Great American Remedy for Lung  
Complaints and all affections of the  
Respiratory Organs.

**The Eighth Wonder of the  
World!**

MANY who have witnessed the extraordinary  
cures effected by the genuine Wistar's Bal-  
sam of Wild Cherry seem disposed to regard it  
as the Eighth Wonder of the World!

"Why," say they: "the Wild Cherry Bark  
and the Iceland Moss," (the two chief ingredients  
of this wonderful compound,) have been pre-  
scribed from time immemorial by the best physi-  
cians—but, never, before, have cures so extraordinary  
been performed."

The reason is obvious. The proprietors of Wis-  
tar's Balsam of Wild Cherry do not claim for  
their highly celebrated article any far-fetched, mys-  
terious, miraculous power. They have openly ac-  
knowledge the simple nature of its ingredients,  
and only claim for their great and invaluable dis-  
covery the exclusive secret of

THAT JUDICIOUS COMBINATION of

ingredients which go to make up this richest  
of curative compounds.

The most skillful and scientific physicians now  
prescribe this medicine in their practice; while  
neglected Doctors, of little practice, and mean  
contracted minds although they do all their curative  
spirits can do to insure this—the people's favorite  
medicine—they are at the same time compelled to  
acknowledge its innocent qualities.

We know the medicine is HARMLESS, and all  
the world is witness that the medicine CURES.

A very important disease over which this Bal-  
sam exerts a powerful influence, is that of a Dis-  
eased LIVER. In this complaint it has undoubt-  
edly proved more efficacious than any other re-  
medy employed. The use of this Balsam restored  
the Liver to healthy action, and in many cases ef-  
fected permanent cures, after Mercury and every  
other remedy had failed.

ASTHMA is a complaint in which this Balsam  
has been extensively used, and with perfect success  
in proof of which read the following important  
letter from Georgia.

We are daily receiving testimony like the fol-  
lowing from the North, South, East and West.  
Messrs. Reese & Ware: Gentlemen—I was  
afflicted with Asthma for fourteen years, and had  
tried every remedy in the country. I had also  
been to several physicians and found no relief  
whatever. I was affected at times so severely, that  
the blood would gush from my nose, and my  
breathing was difficult. Indeed, the disease had  
gained so much on my health that I despaired of  
ever getting well, when I chanced to get a bottle  
of Wistar's Balsam of Wild Cherry, which effected  
a perfect cure. This can be proved by numbers of  
men in Franklin county and vicinity, and I think  
it my duty to let it be known.

**THOMAS A. PATRICK,**

Franklin co., Ga., Nov. 19, 1846.

Read the following from Dr. Jacob  
Hoffman, a physician of extensive prac-  
tice in Huntingdon county:

Dear Sir:—I procured one bottle of  
Dr. Wistar's Balsam of Wild Cherry,  
from Thomas Read, Esq., of this place,  
and tried it in a case of obstinate Asthma  
on a child of Paul Schvebel, in which  
many other remedies had been tried  
without any relief. The balsam gave  
sudden relief, and in my opinion the  
child is effectually cured by its use.

Yours, &c.,
