Latest Foreign News.

The steamer Acadia arrived at Boston on the 13th having left Liverpool on the 28th ult.

The news from IRELAND is of importance, and excites in this country peculiar interest. Although no actual outbreak had taken place, the spirit of insurrection had got to such a head, that a collision with the English government was daily looked for.

The English government were adopting the most energetic means to meet the impending crisis. The Liverpool Times says, that troops were pouring into Ireland by thousands. Thirty thousand troops are concentrating in and about Cork, Limerick and Tipperary. This overwhelming force has had the effect of exasperating instead of intimidating the people to the extent anticipated.

The Habeas Corpus Act has been suspended.

Rewards of £500 each have been offered for the arrest of Smith O'Brien, Meagher, Dillon and Doheny. A report has reached Dublin that the former gentleman had fled.

At Liverpool, serious apprehensions were entertained of an outbreak on the part of the Chartists.

Twenty thousand special constables had been sworn in, with a view of meeting any emergency.

Paris is represented as being in a tranquil state, and the capital assuming something like its wonted appearance of life, gaiety and bustle.

Government is sadly puzzled how to dispose of the immense number of prisoners taken during the recent insurrection.

Signs in Mississippi.

The Vicksburg Whig states that the Mississippi Telegraph, published in Winston County, and hitherto a Cass paper, has hauled down its old colors and raised the banner of TAYLOR and FILLMORE. The Vicksburg Whig says that this is the third change in the Mississippi press which it has recorded since the nomination of Gen. TAYLOR, all of them favorable to the old hero, whose generous bearing to her sons, when placed under his command in a foreign country, will never be forgotten or neglected by that proud and chivalrous State.

Governor JOHNSON has issued his proclamation directing an election to be held for Governor on the second Tuesday in October next, and enjoins it on all Sheriffs and other officers to make return thereof as though the act of Assembly had been literally complied with, and the writs issued more than three calendar months before the election.

The Free Soil Movement.

The much talked of Buffalo Convention has resulted in the virtual ratification of the Barnburners' Convention at Utica. MARTIN VAN BUREN has been nominated as the Free Soil Candidate for the Presidency, and CHARLES F. ADAMS, son of the late John Quincy Adams, the candidate for the Vice Presidency. These are nominations which cannot receive the support of any one who is thoroughly imbued with Whig principles. No Whig can look upon the long list of wrongs which the magician of Kinderhook—the Northern man with Southern principles, as he has for years past been called—has inflicted upon the Free States, and then go and vote for him as the exclusive friend of the North. His base subserviency to Southern domination while he occupied the Presidential chair, is too fresh in the mind of the Whigs, for them to support him as the Free Soil candidate. They know his true character, and, knowing it, is enough to induce them to withhold their support from him. Hence the principle support he can expect will be from the Locofoco Barnburners and the Birney Abolitionists.

The only effect the action of the Buffalo Convention can have, will be to unite the Whigs in one common band in support of their cherished principles, and to incite them to renewed activity to secure the election of the honest old hero of Buena Vista. He is known to be hostile to the extension of slavery, and stands pledged not to veto any bill which has for its object the prohibition of the further extension of slavery. The Whigs, and all others who are in favor of Free Soil and the Protection of Home Labor, have in him a candidate in whose integrity they confide, and of whose opposition to the extension of human servitude they feel well assured. Having no such confidence in either Cass or Van Buren, they will now rally with unanimity and enthusiasm upon the man of the people—the candidate of their choice—the plain old soldier who "asks no favors and shrinks from no responsibility." [Daily News.]

Taylor and Harrison.

Gen. TAYLOR says, if elected President, he will be guided solely by the Constitution. The dying words of Gen. HARRISON were—"I wish you to understand the true principles of the government—I wish them carried out—I ask nothing more." Can any supporter of Harrison hesitate to vote for Taylor.

The Editor of the N. Y. Globe announces his determination to "die in the last ditch." He will have to go to Camargo, then, and die in Gen. Pillow's ditch. That's the "last," we believe.—Louisville Journal.

MORE BOLTERS.—The Locofoco party of Michigan seems to be crumbling to atoms. A Free Soil Convention was held at Monroe on the 5th inst., at which no less than two Presidents of Cass ratification meetings participated—one of Monroe county, the other of Hillsdale county. Among the officers and speakers of the Convention we recognize the names of the following prominent Locofocos: Gen. Edward Bronson, Hon. Hayes Johnson, Hon. Thomas Farrington, Hon. W. W. Murphy, Hon. Isaac P. Christianey, Col. W. Wadsworth, Stephen G. Claak, Samuel J. Hall, O. Pulver, &c. The Monroe Advocate, the Loco County organ, publishes these doings with great gusto, despises the Baltimore ticken and will no longer advocate it.

CAN'T GO FOR HIM.—The editors of the Boston Atlas are credibly informed that several of the Whigs who have been most active against Gen. Taylor in Middlesex county, refuse to support Martin Van Buren.

THE OHIO RESERVE.—The Cincinnati (Ohio) Reporter, printed in Mr. Giddings' county, publishes a call for a Taylor meeting on the 17th inst., signed by two hundred and fifty-seven persons. A large meeting has also been held in Akron, near by.

WHIG NOMINATION FOR CONGRESS.—Geo. W. Smith, Esq., of Butler, has been nominated by the Whig Conference from the counties of Butler, Armstrong, Indiana and Clearfield, as a candidate for Congress in that district.

This excellent compound is for sale by the proprietor's Agent T. READ & SON. Price \$1 50 per bottle.

What is the matter with me, Doctor! What the cause of this sallow complexion, jaundiced eye, depression of spirits, pain in the side and shoulder, weariness of body, bitter taste in the mouth? Such is the enquiry, and such the symptoms of many a sufferer! It is the liver which is diseased, and the Chologogue is the remedy always successful in curing it. Try it, and judge for yourself. For sale by T. Read & Son, agent for the proprietor.

Better die than live, if I am to be tortured from day to day with this horrible Ague, explains the poor sufferer whose life has become a burden from the racking procyxisms of an intermittent, and whose confidence in human aid is destroyed by the fail ure of remedies: to produce the promised relief. Such has been the situation of thousands who are now rejoicing in all the blessings of health from the use of Dr. Osgood's India Chologogue. In no instance does it fail of effecting a speedy and permanent cure. For sale by the proprietor's agent, T. READ & SON. How few who think aright among the thinking few. How many never think, but only think they do.

The sentiment implied in the above exclamation is no subject more fully explicated than that of health. But few give it a single thought, and fewer still reflect upon it with the observation and good sense which matters of minor consequence receive. As observation teaches the fact that Dr. Osgood's India Chologogue is a never failing remedy in Fever and Ague, good sense would surely indicate its prompt and immediate use. To be found at T. READ & SON'S, agent for the proprietor. June 27, 1848.

WASHINGTON, D. C., June 10, 1846. Having made use of the "Oxygenated Bitters," prepared by Dr. Geo. B. Green, of Windsor, Vt., and from knowledge obtained of their efficacy in other cases, we cheerfully recommend them to the public, believing that they will fully sustain the recommendation of the Proprietor. We hope that this valuable remedy may be so generally diffused throughout the country that it may be accessible to all the afflicted. SAMUEL PHELPS, U. S. Senator from Wm. UPIAM, Vermont. JAMES F. SIMMONS, U. S. Senator from Rhode Island. J. T. MOREHEAD, U. S. Senator and formerly Governor of Kentucky. L. H. ARNOLD, Member of Congress and formerly Governor of R. I. WM. WOODBRIDGE, U. S. Senator and formerly Governor of Michigan. M. L. MARTIN, Delegate in Congress from Wisconsin Territory. From the Hon. SOLOMON FOOT, Member of Congress from Vermont. WASHINGTON, D. C., June 1, 1846.

Dr. Geo. B. GREEN:—Dear Sir,—In your note of this morning, you ask for an expression of my opinion in regard to your medicine, called "Oxygenated Bitters." It affords me pleasure to state, that from the experience I have had, in its curing a severe attack of Dyspepsia in my own family, and from the wonderful effects which it has produced in other and more severe cases, arising in the families of Members of Congress with which I am acquainted, I think it an invaluable medicine, and hope that such circulation will be given to it as will bring it within the reach of all who are afflicted with that distressing malady. Respectfully yours, S. FOOT. From Hon. H. D. FOSTER, Member of Congress from Pennsylvania. WASHINGTON, D. C., June 10, 1846.

Dear Sir:—I have been a dyspeptic sufferer for about ten years, and have resorted to various medicines for relief without success, until I made use of your "Oxygenated Bitters." I have used about two bottles, and find myself restored to perfect health. The forms in which the disease showed itself, in my case, were, great acidity of the stomach, loss of appetite, extreme flatulence, severe constipation of the bowels, and violent headache. Feeling desirous that a knowledge of your valuable remedy may reach others similarly afflicted, I take great pleasure in recording my testimony to its curative power; and I would also remark that while on a visit at home a short time since, I administered a part of a bottle to a number of my afflicted friends with great success. They are desirous that you should establish an agency at Pittsburg, or inform them where the medicine can be obtained. With an earnest desire for your prosperity and happiness, I subscribe myself, truly your friend, H. D. FOSTER. Doct. Geo. B. GREEN, Windsor, Vt.
