DR. LE ROY'S
Vegetable Universal Pills,
The only known Medicine that at the same
time purges, purifies and strengthens
the system.
LONDON, July 7, 1846.
DR. LE ROY'S Pills are a new medicine which
has just appeared, and is fast taking the place
of all others of the same class. These pills are
composed of many ingredients, but the two prin-
cipal ones are Sarsaparilla and Wild Cherry, so
united that they act together; the one, through its
admixture with other substances, purifying and
purging, while the other is strengthening the sys-
tem. Thus these pills are at the same time tonic
and opening; a desideratum long and eagerly
sought for by medical men, but never before dis-
covered. In other words they do the work of two
medicines, and do it much better than any two
we know of; for they remove nothing from the system
but the impurities; so that while they purge they
strengthen; and hence they cause no debility,
and are followed by no reaction. Dr. Le Roy's
pills have a wonderful influence on the blood; they
not only purify without weakening it, but they re-
move all vitious particles from the chyle before it
is converted into fluid, and thus make impure
blood an utter impossibility. As there is no debili-
tation, so there is no nausea or sickness attending
the operations of this most excellent of medicines,
which never strains or tortures the digestive func-
tions, but causes them to work in a perfectly nat-
ural manner; and hence persons taking them do not
become pale and emaciated, but the contrary; for
while it is the property of the Sarsaparilla, united
as it is with other ingredients, to remove all that
is foreign and impure, it is equally the property of
the Wild Cherry to retain all that is natural and
sound; and hence a robust state of health is the
certain result of their united operations.

Beware of Counterfeits.
CURE FOR CONSUMPTION.
7,000 Cases of obstinate Pulmonary Com-
plaints Cured in One Year!
WISTAR'S BALSAM OF WILD CHERRY.
The Great American Remedy for Lung
Complaints and all affections of the
Respiratory Organs.

The Eighth Wonder of the
World!
MANY who have witnessed the extraordinary
cures effected by the genuine Wistar's Bal-
sam of Wild Cherry seem disposed to regard it
as the Eighth Wonder of the World!
"Why," say they, "the Wild Cherry Bark
and the Iceland Moss, (the two chief ingredients
of this wonderful compound,) have been pre-
scribed from time immemorial by the best physi-
cians—but, never, before, have cures so extraordinary
been performed."
The reason is obvious. The proprietors of Wis-
tar's Balsam of Wild Cherry do not claim for
their highly celebrated article any far-fetched, mys-
terious, miraculous power. They have openly ac-
knowledged the simple nature of its ingredients,
and only claim for their great and invaluable dis-
covery the exclusive secret of

THAT JUDICIOUS COMBINATION
of ingredients which go to make up this richest
of curative compounds.
The most skillful and scientific physicians now
prescribe this medicine in their practice; while
neglected Doctors, of little practice and mean con-
tracted minds although they do all their curative
spirits can do to insure this—the people's favorite
medicine—they are at the same time compelled to
acknowledge its innocent qualities.
We know the medicine is HARMLESS, and all
the world is witness that the medicine CURES.
A very important disease over which this Bal-
sam exerts a powerful influence, is that of a
DISEASED LIVER. In this complaint it has undoubt-
edly proved more efficacious than any other
remedy employed. The use of this Balsam restored
the Liver to healthy action, and in many cases ef-
fected permanent cures, after Mercury and every
other remedy had failed.

ASTHMA is a complaint in which this Balsam
has been extensively used, and with perfect success
in proof of which read the following important
letter from Georgia.
"I was daily receiving testimony like the fol-
lowing from the North, South, East and West.
Messrs. Reese & Ware: Gentlemen—I was
afflicted with Asthma for fourteen years, and had
tried every remedy in the country. I had also
been to several physicians and found no relief
whatever. I was afflicted at times so severely, that
the blood would gush from my nose, and my
breathing was difficult. Indeed, the disease had
gained so much on my health that I despaired of
ever getting well, when I chanced to get a bottle
of Wistar's Balsam of Wild Cherry, which effected
a perfect cure. I now consider myself per-
fectly sound. This can be proved by numbers of
men in Franklin county and vicinity, and I think
it my duty to let it be known."
THOMAS A. PATRICK,
Franklin co., Ga., Nov. 19, 1846.

Read the following from Dr. Jacob
Hoffman, a physician of extensive
practice in Huntingdon county:
"Dear Sir:—I procured one bottle of
DR. WISTAR'S Balsam of Wild Cherry,
from Thomas Read, Esq., of this place,
and tried it in a case of obstinate Asthma
on a child of Paul Schwebel, in which
many other remedies had been tried
without any relief. The balsam gave
sudden relief, and in my opinion the
child is effectually cured by its use."

Ask the Sufferer
FROM
ASTHMA
what has relieved him in such a short time from
his difficulty of breathing, Cough and suffoca-
tion? He will tell you it was "the Oin-
tion, or All-Healing Balsam."
Ask the Consumptive what has
alleviated his Cough, what has
relieved the Pain in his Side and
Chest, checked his night sweats and
placed the rock of health upon his cheek?
He will tell you "SHERMAN'S OLEOANION,
OR

Ask your friends if they know of any thing that
will so speedily cure a long and tedious Cough,
Raising of Blood, Bronchitis, Dyspepsia (Consti-
pation), Hoarseness, Influenza, and disease of the
Throat, as the Oleoanion? and they will tell you
—No. There never yet has been a remedy intro-
duced to public notice which has been productive
of so much good in so short a space of time. Read
the following

ASTONISHING CURES.
Wm. Bond, the celebrated Boston cracker baker,
98 Nassau street, Brooklyn, states that his wife has
been afflicted with Asthma for 30 years, and could
not find permanent relief from the best medical ad-
vice which New York and Brooklyn could produce,
was induced to try this great remedy. She is now
nearly well. His daughter, who was suffering
from the same disease, tried it, and was also cured
by it. Mrs. Bond is now so well that she is able
to rise from her bed early in the morning and at-
tend to her usual duties through the day without
any annoyance from her distressing malady.
Henry Jackson, 13th street, near the Catholic
Cemetery, came to the store for the purpose of ob-
taining a bottle of the Oleoanion, having been
afflicted with the Asthma for more than 50 years,
and was so exhausted on his arrival that he could
not speak. He purchased a bottle and rode home.
Four days afterward he walked from his residence
to the office without fatigue, a distance of over two
miles, to tell of the wonderful relief which he had
experienced from using about one half of one bot-
tle.

Consumption of the Lungs.
Mr. COMFORT, 35 White street, was so low in
the month of December last, that he was given up
by his physician. His friends entertained no hope
of his recovery. He was persuaded to try the
Oleoanion, and to his surprise it has so far restor-
ed him to health that he is now able to walk at the
streets.
Mrs. ATTREE, the wife of Wm. H. Attree,
James Harlan, Esq., and George W. Davis, Esq., can
all bear testimony from their own experience of
the healing properties of this Great Remedy in
Consumption of the Lungs.

Spitting Blood.
Mrs. THORNBURN, 352 Monroe street, who had
been troubled for a great length of time by a
severe cough, and raised quantities of blood, was
relieved by one bottle of the Oleoanion, and declares
it the greatest remedy in the world.
Dennis Kelly, 26 Water street, was also re-
lieved from the same complaint, although he was
very much reduced when he commenced taking it
—having been under the care of his physician dur-
ing the past winter. Although he coughed con-
stantly and was very much troubled with night
sweats, two bottles of the remedy enabled him to
return to his daily work. He was entirely relieved.
DAVID HENDERSON, 60 Light street, George
W. Burnett, formerly of Newark, N. J., Henry
Lishon, 199 Livingston street, and numerous other
persons have been speedily and permanently cured
of the same complaint by this remedy.

Health, we must remove those Impurities and re-

when the slightest derangement of the system is
indicated by Costiveness, or any other sign, it ad-
