DR. LE ROY'S
Vegetable Universal Pills,
The only known Medicine that at the same time purges, purifies and strengthens the system.
LONDON, July 7, 1846.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the place of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through it admix with other substances, purifying and purging, while the other is strengthening the system. Thus these pills are at the same time tonic and aperient; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

Beware of Counterfeits.
CURE FOR CONSUMPTION.
7,000 Cases of obstinate Pulmonary Complaints Cured in One Year!
WISTAR BLSAM OF WILD CHERRY.
The Great American Remedy for Lung Complaints and all affections of the Respiratory Organs.
The Eighth Wonder of the World!

MANY who have witnessed the extraordinary cures effected by the genuine Wistar's Balsam of Wild Cherry seem disposed to regard it as the **Eighth Wonder of the World!** "Why," say they: "the Wild Cherry Bark and the Iceland Moss" (the two chief ingredients of this wonderful compound) have been prescribed from time immemorial by the best physicians—but never, before, have cures so extraordinary been performed."
The reason is obvious. The proprietors of Wistar's Balsam of Wild Cherry do not claim for their highly celebrated article any far-fetched, mysterious, miraculous power. They have openly acknowledged the simple nature of its ingredients, and only claim for their great and invaluable discovery the exclusive secret of

THAT JUDICIOUS COMBINATION of ingredients which go to make up this richest of curative compounds.
The most skillful and scientific physicians now prescribe this medicine in their practice; while neglected Doctors, of little practice, and mean contracted minds although they do all their curial spirits can do to insure this—the people's favorite medicine—they are at the same time compelled to acknowledge its innocent qualities.
We know the medicine is **HARMLESS**, and all the world is witness that the medicine **CURES**.
A very important disease over which this Balsam exerts a powerful influence, is that of a **DISEASED LIVER**. In this complaint it has undoubtedly proved more efficacious than any other remedy employed. The use of this Balsam restored the Liver to healthy action, and in many cases effected permanent cures, after Mercury and every other remedy had failed.

ASTHMA is a complaint in which this Balsam has been extensively used, and with perfect success in proof of which read the following important letter from Georgia.
We are daily receiving testimony like the following from the North, South, East and West.
Messrs. Reese & Ware: Gentlemen—I was afflicted with **Asthma** for fourteen years, and had tried every remedy in the country. I had also been to several physicians and found no relief whatever. I was afflicted at times so severely, that the blood would gush from my nose, and my breathing was difficult. Indeed, the disease had gained so much on my health that I despaired of ever getting well, until I chanced to get a bottle of Wistar's Balsam of Wild Cherry, which effected a **perfect cure**, and I now consider myself perfectly frank. This can be proved by numbers of men in Franklin county and vicinity, and I think it my duty to let it be known.
THOMAS A. PATRICK.
Franklin co., Ga., Nov. 19, 1846.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county:
"Dear Sir—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq., of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebel, in which many other remedies had been tried without any relief. The balsam gave sudden relief, and in my opinion the child is effectually cured by its use."

Let all try it.

Violent Bruises Cured.—Testimonials on testimonials, in favor of Tousey's Ointment for curing bruises, have been offered the proprietors. Hundreds in Syracuse will testify to its great merits in relieving the pain of the most severe bruise. All persons should try it.

CLICKENER'S SUGAR-COATED PILLS,
The Only Effectual Purgative, cured within the last year
OVER 200,000 PERSONS of the following Complaints:
Headache, Giddiness, Rheumatism, Piles, Diarrhea, Scurvy, Salt Pox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heartburn, Worms, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colds, Gout, Gravel, Nervous Complaints, and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.
Experience has proved that nearly every disease originates from impurities of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those impurities and restore the blood to its natural state. Therefore, when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes us that superfluities are gathering in the System, which should be immediately removed by an effectual purgative. This fact, as stated, is universally known; but people have such an aversion to medicine, that unless the case is urgent, they prefer the disease to the cure, generally. Since the invention, however, of

Clickener's Vegetable Purgative Pills, this objection does not exist, as they are completely enveloped with a coating of pure white sugar (as distinct from the internal ingredients as a nut shell from the kernel) and are so easily swallowed as to be taken in the slightest degree. They operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. Thus, for example, if the Liver be affected, one ingredient will operate on that particular organ, and, by cleansing it of that Excess of Bile it is constantly discharging into the stomach, restore it to its natural state. Another ingredient will on the

Blood, and remove those impurities which have already entered into its circulation; while a third will effectually expel from the system whatever impurities may have been discharged into the stomach; and hence they
