posures to extreme Heat or Cold, Old Age—and,

cently been received:

WASHINGTON, D. C., June 10, 1848.
Having made use of the "Oxygenated Bitters,"
prepared by Dr. Geo. B. Green, of Windsor, Vt.,
and from knowledge obtained of their efficacy in
other cases, we cheerfully recommend them to the
public, believing that they will fully sustain the
recommendation of the Proprietor. We hope that
this valuable remedy may be so generally dif-
fused throughout the country that it may be ac-
cessible to all the afflicted.

merly Governor of Kentucky.

W. M. WOODBRIDGE, U. S. Senator and

M. L. MARTIN, Delegate in Congress from

From the Hon. SOLOMON FOOT, Member of Con-
gress from Vermont.

WASHINGTON, D. C., June 10, 1848.
Dr. Geo. B. GREEN—Dear Sir,—In your
note of this morning you ask "for an expression
of my opinion in regard to your medicine, called
"Oxygenated Bitters." It affords me pleasure to
state, that from the experience I have had, in its
curing a severe attack of Dyspepsia in my own
family, and from the wonderful effects which it
has produced in other and more severe cases, arising
in the families of Members of Congress with
which I am acquainted, I think it an invaluable
medicine, and hope that such circulation will be
given to it as will bring it within the reach of ALL
who are afflicted with that distressing malady.

Respectfully yours,
S. FOOT.
From Hon. H. D. FOSTER, Member of Congress
from Pennsylvania.

WASHINGTON, D. C., June 10, 1848.
Dear Sir,—I have been a dyspeptic sufferer
for about ten years, and have resorted to various
medicines for relief without success, until I made
use of your "Oxygenated Bitters." I have used
about two bottles, and find myself restored to per-
fect health. The forms in which the disease
showed itself, in my case, were, great acidity of
the stomach, loss of appetite, extreme flatulence,
severe constipation of the bowels, and violent
headache. Feeling desirous that a knowledge of
your valuable remedy may reach others similarly
afflicted, I take great pleasure in recording my tes-
timony to its curative power; and I would also
remark that while on a visit at home a short time
since, I administered a part of a bottle to a num-
ber of my afflicted friends with great success. They
are desirous that you should establish an
agency at Pittsburgh, or inform them where the
medicine can be obtained. With an earnest de-
sire for your prosperity and happiness, I subscribe
myself, truly your friend,
H. D. FOSTER.

DR. LE ROY'S
Vegetable Universal Pills.
The only known Medicine that at the same
time purges, purifies and strengthens
the system.

LONDON, July 7, 1846.

DR. LE ROY'S Pills are a new medicine which
has just appeared, and is fast taking the place
of all others of the same class. These pills are
composed of many ingredients, but the two prin-
cipal ones are Sarsaparilla and Wild Cherry, so
united that they act together; the one, through its
admixture with other substances, purifying and
purging, while the other is strengthening the sys-
tem. Thus these pills are at the same time tonic
and opening; a desideratum long and eagerly
sought for by medical men, but never before dis-
covered. In other words they do the work of two
medicines, and do it much better than any two
we know of; for they remove nothing from the system
but the impurities; so that while they purge they
strengthen; and hence they cause no debility, and
are followed by no re-action. Dr. Le Roy's
pills have a wonderful influence on the blood; they
not only purify without weakening it, but they re-
move all noxious particles from the chyle before it
is converted into fluid, and thus make impure
blood an utter impossibility. As there is no debili-
tation, so there is no nausea or sickness attending
the operations of this most excellent of medicines
which never strains or tortures the digestive func-
tions, but causes them to work in a perfectly nat-
ural manner; and hence persons taking them do not
become pale and emaciated, but the contrary; for
while it is the property of the Sarsaparilla, united
as it is with other ingredients, to remove all this
foreign and impure, it is equally the property of
the Wild Cherry to retain all that is natural and
sound; and hence a robust state of health is the
certain result of their united operations.

WISTAR' BLSAM OF WILD CHERRY.
The Great American Remedy for Lung
Complaints and all affections of the
Respiratory Organs.

**The Eighth Wonder of the
World!**

MANY who have witnessed the extraordinary
cures effected by the genuine Wistar's Balsam
of Wild Cherry seem disposed to regard it
as the Eighth Wonder of the World!
"Why," say they, "the Wild Cherry Bark
and the Iceland Moss, (the two chief ingredi-
ents of this wonderful compound,) have been pre-
scribed from time immemorial by the best physi-
cians—but, never, before, have cures so extraordinary
been performed."

The reason is obvious. The proprietors of Wis-
tar's Balsam of Wild Cherry do not claim for
their highly celebrated article any far-fetched, mys-
terious, miraculous power. They have openly ac-
knowledged the simple nature of its ingredients,
and only claim for their great and invaluable dis-
covery the exclusive secret of

THAT JUDICIOUS COMBINATION
of ingredients which go to make up this richest
of curative compounds.

The most skillful and scientific physicians now
prescribe this medicine in their practice; while
neglected Doctors, of little practice, and mean
contracted minds although they do all their curative
spirits can do to insure this—the people's favorite
medicine—they are at the same time compelled to
acknowledge its innocent qualities.

We know the medicine is HARMLESS, and all
the world is witness that the medicine CURES.

A very important disease over which this Balsam
exerts a powerful influence, is that of a DIS-
EASED LIVER. In this complaint it has undoubt-
edly proved more efficacious than any other reme-
dy employed. The use of this Balsam restored
the Liver to healthy action, and in many cases ef-
fected permanent cures, after Mercury and every
other remedy had failed.

ASTHMA is a complaint in which this Balsam
has been extensively used, and with perfect success
in proof of which read the following important
letter from Georgia.

We are daily receiving testimony like the fol-
lowing from the North, South, East and West.

Messrs. Reese & Ware: Gentlemen—I was
afflicted with Asthma for fourteen years, and had
tried every remedy in the country. I had also
been to several physicians and found no relief
whatever. I was afflicted at times so severely, that
the blood would gush from my nose, and my
breathing was difficult. Indeed, the disease had
gained so much on my health that I despaired of
ever getting well, when I chanced to get a bottle
of Wistar's Balsam of Wild Cherry, which effected
a perfect cure, and I now consider myself per-
fectly sound. This can be proved by numbers of
men in Franklin county and vicinity, and I think
it my duty to let it be known.

THOMAS A. PATRICK.
Franklin co., Ga., Nov. 19, 1846.

Read the following from Dr. Jacob
Hoffman, a physician of extensive prac-
tice in Huntingdon county:

Dear Sir:—I procured one bottle of
Dr. Wistar's Balsam of Wild Cherry,
from Thomas Read, Esq., of this place,
and tried it in a case of obstinate Asthma
on a child of Paul Schwebel, in which
many other remedies had been tried
without any relief. The balsam gave
sudden relief, and in my opinion the
child is effectually cured by its use.

Clickener's
SUGAR-COATED PILLS,
The Only Effectual Purgative,
cured within the last year

OVER 200,000 PERSONS
of the following Complaints:

Headache, Giddiness, Rheumatism, Piles, Dis-
pepsia, Scoury, Small pox, Jaundice, Pains in the
back, Inward Weakness, Palpitation of the Heart,
Rising in the Throat, Dropsy, Asthma, Fevers of
all kinds, Female Complaints, Measles, Salt Rheum,
Heartburn, Worms, Cholera Morbus, Coughs,
Quinsy, Whooping Cough, Consumption, Fits,
Liver Complaint, Erysipelas, Deafness, Itchings of
the Skin, Colds, Gout, Gravel, Nervous Com-
plaints, and a variety of other diseases arising from
impurities of the blood, and obstructions in the or-
gans of digestion.

Experience has proved that nearly every disease
originates from impurities of the blood or Derange-
ments of the Digestive Organs; and to secure
Health, we must remove those Impurities and re-
store the blood to its natural state. Therefore,
when the slightest derangement of the system is
indicated by Costiveness, or any other sign, it ad-
monishes us that superfluities are gathering in the
System, which should be immediately removed by
an effectual purgative. This fact, as stated, is un-
iversally known; but people have such an aversion
to medicine, that, unless the case urgent, they pre-
ferred the disease to the cure, generally. Since the
invention, however, of

Clickener's Vegetable Purgative Pills,
this objection does not exist, as they are completely
enveloped with a coating of pure white sugar
(as distinct from the internal ingredients as a nut
shell from the kernel) have no taste of medicine,
and are as easily swallowed as bits of candy.—
Moreover they neither cause uneasiness or grip in
the slightest degree. They operate equally on all the
diseased parts of the system, instead of confining
themselves to, and racking any particular region.
Thus, for example, if the Liver be affected, one in-
gredient will operate on that particular organ, and,
by cleansing it of that Excess of Bile it is con-
stantly discharging into the stomach, restore it to
its natural state. Another

Remember Dr. C. V. Clickener is the inventor
of Sugar Coated Pills, and that nothing of the
sort was ever heard of until he introduced them in
June, 1843. Purchasers should, therefore, always
ask for Clickener's Sugar Coated Vegetable Pills,
and take no others, or they will be made the vic-
tims of a fraud.

ASTONISHING CURES.
Wm. DODD, the celebrated Boston cracker baker,
98 Nassau street, Brooklyn, states that his wife has
been afflicted with Asthma for 30 years, and could
not find permanent relief from the best medical ad-
vice which New York and Brooklyn could produce,
was induced to try this great remedy. She is now
nearly well. His daughter, who was suffering from
the same disease, tried it, and was also cured
by it. Mrs. Bond is now so well that she is able
to rise from her bed early in the morning, and at-
tend to her usual duties through the day, without
any annoyance from her distressing malady.

HENRY JACKSON, 13th street, near the Catholic
Cemetery, came to the store for the purpose of ob-
taining a bottle of the Oxi-santonin, having been
afflicted with the Asthma for more than 38 years,
and was so exhausted on his arrival that he could
not speak. He purchased a bottle and rode home.
Four days afterward he walked from his residence
to the office without fatigue, a distance of over two
miles, to tell of the wonderful relief which he had
experienced from using about one half of one bot-
tle.

Consumption of the Lungs.
Mr. COMFORT, 35 White street, was so low in
the month of December last, that he was given up
by his physician. His friends entertained no hope
of his recovery. He was persuaded to try the Oxi-
santonin and to his surprise it has so far restor-
ed him to health that he is now able to walk about
the streets.

Mrs. ATREE, the wife of Wm. H. Attree,
James Harman, Esq. and George W. Hays, Esq.,
can all bear testimony from their own experience of
the healing properties of this Great Remedy in
Consumption of the Lungs.

Spitting Blood.
Mrs. THORNBURG, 352 Monroe street, who had
been troubled for a great length of time by a
severe cough, and raised quantities of blood, was
relieved by one bottle of the Oxi-santonin, and declares
it the greatest remedy in the world.

DENNIS KELLY, 26 Water street, was also re-
lieved from the same complaint, although he was
very much reduced when he commenced taking it—
having been under the care of his physician during
the past winter. Although he coughed con-
stantly and was very much troubled with night
sweats, two bottles of the remedy enabled him to
return to his daily work. He was entirely relieved.
DAVID HENDERSON, 60 Light street, George
W. Burnett, formerly of Newark, N. J., Henry
Lisbon, 199 Rivington street, and numerous other
persons have been speedily and permanently cured
of the same complaint by this remedy.
