From the Hon. SOLOMON FOOT, Member of Congress from Vermont.

WASHINGTON, D. C., June 1, 1846.

Dr. Geo. B. Green:—Dear Sir,—In your note of this morning, you ask "for an expression of my opinion in regard to your medicine, called 'Oxygenated Bitters.'" It affords me pleasure to state, that from the experience I have had, in curing a severe attack of Dyspepsia in my own family, and from the wonderful effects which it has produced in other and more severe cases, arising in the families of Members of Congress with which I am acquainted, I think it an invaluable medicine, and hope that such circulation will be given to it as will bring it within the reach of ALL who are afflicted with that distressing malady.

Respectfully yours, S. FOOT.

From Hon. H. D. FOSTER, Member of Congress from Pennsylvania.

WASHINGTON, D. C., June 10, 1846.

Dear Sir:—I have been a dyspeptic sufferer for about ten years, and have resorted to various medicines for relief without success, until I made use of your "Oxygenated Bitters." I have used about two bottles, and find myself restored to perfect health. The forms in which the disease showed itself, in my case, were, great acidity of the stomach, loss of appetite, extreme flatulence, severe constipation of the bowels, and violent headache. Feeling desirous that a knowledge of your valuable remedy may reach others similarly afflicted, I take great pleasure in recording my testimony to its curative power; and I would also remark, that while on a visit at home a short time since, I administered a part of a bottle to a number of my afflicted friends with great success. They are desirous that you should establish an agency at Pittsburg, or inform them where the medicine can be obtained. With an earnest desire for your prosperity and happiness, I subscribe myself, truly your friend, H. D. FOSTER.

**DR. LE ROY'S**

Vegetable Universal Pills,

The only known Medicine that at the same time purges, purifies and strengthens the system.

LONDON, July 7, 1846.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the place of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus those pills are at the same time tonic and aperient; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

**CLICKENER'S SUGAR-COATED PILLS,**

The Only Effectual Purgative, cured within the last year

**OVER 200,000 PERSONS**

of the following Complaints:

Headache, Giddiness, Rheumatism, Piles, Dyspepsia, Scurvy, Small pox, Jaundice, Pains in the Back, Inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heartburn, Worms, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colic, Gout, Gravel, Nervous Complaints, and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.

Experience has proved that nearly every disease originates from Impurities of the Blood or Derangement of the Digestive Organs; and to secure Health, we must remove those Impurities and restore the blood to its natural state. Therefore, when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes us that superfluities are gathering in the System, which should be immediately removed by an effectual purgative. This fact, as stated, is universally known; but people have such an aversion to medicine, that unless the case urgent, they prefer the disease to the cure, generally. Since the invention, however, of

Clickener's Vegetable Purgative Pills, this objection does not exist, as they are completely enveloped with a coating of pure white sugar (as distinct from the internal ingredients as a nut shell from the kernel) have no taste of medicine, and are as easily swallowed as bits of candy.—Moreover they neither nauseate or gripe in the slightest degree. They operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. Thus, for example, if the Liver be affected, one ingredient will operate on that particular organ, and, by cleansing it of that Excess of Bile it is constantly discharging into the stomach, restore it to its natural state. Another will operate on the

Blood, and remove those impurities which have already entered into its circulation; while a third will effectually expel from the system whatever impurities may have been discharged into the stomach; and hence they

The entire truth of the above can be ascertained by the trial of a single box; and their virtues are so positive and certain in restoring Health, that the proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction.
