

Capital original Humor.

Once upon a time, or to be a little more particular, nearly half a century ago, (for the editor of this paper well remembers the time, place, and scene, which are firmly fixed upon his boyish recollections) there dwelt in the town of —, in Old England, a remarkable oddity, in the person of an attorney at law, who although not fair to look upon, (for he was in truth one of the homeliest specimens of humanity ever beheld by mortal man.) was withal a person of sound judgment, great benevolence, various learning, a poet, a painter, and a wit of no mean order. It so happened that the aforesaid gentleman, G — G — Esq., was appointed High Sheriff of the town of —. He was a man of fortune, and had a kind heart, as many a poor prisoner could testify, who partook of the good cheer with which the prisoners were liberally supplied at Christmas and other well known festivals, from the private purse of the High Sheriff. That he was a very great wag, is clearly indicated by the character and complexion of the Juries he selected during the course of the year, which we give below.

THE WEIGHTY JURY.—It was of course the duty of the High Sheriff to summon a Grand and Petit Jury, to attend at the Quarter Sessions of which the Recorder Mayor and Alderman, of the borough composed the Court. In the performance of his official duty in summoning the Petit Jury, our High Sheriff indulged in some of the strangest and drollest freaks that has probably ever been heard of in any town or country. In the first place, he summoned for the October court, a jury consisting of twelve of the fattest men he could find in the borough, and when they came to the book to be sworn, it appeared that only nine jurors could sit comfortably in the box—After a great deal of sweating, squeezing and scolding, the panel was literally jammed into the box, and when seated they presented to the eye of the court, the barrister and audience, "the tightest fit" of a jury that ever was seen in any court room. Literally they became, much to the amusement of the court and its robed advocates, "a packed jury and no mistake."

THE LEAN AND LANK JURY.—For the January term, our facetious High Sheriff (in consequence, it was said, of some hint from the Recorder that there should be no more fat panels summoned to his court) went into the opposite extreme. He summoned twelve of the leanest and tallest men he could find in the borough; and when they took their seats in the box, it appeared comparatively empty—there was indeed room enough for twelve more of the same sort and dimensions.

THE BARBEROUS JURY.—For the April term of the Court, our humorous functionary summoned a jury consisting of twelve barbers! Now it so happened that among the latter were the very perquirers who dressed the Recorder's and Barrister's wigs, and some of the latter, arriving late at the bar, had to appear that morning in Court with their wigs undressed, or half dressed, so as to cut a very ridiculous figure, amidst the smiles and half suppressed laughter of the bystanders. The High Sheriff of course enjoyed the fun amazingly, but looked "grave as a judge," while he tried to keep silence in the court-room.

THE SQUINTING JURY.—But the crowning joke of this waggish functionary occurred at the summoning of his fourth and last jury, at the summer sessions in July. For that term of the Court, the High Sheriff, not having the fear of the Recorder, the Mayor and Aldermen, before his eyes, actually summoned a Squinting Jury! twelve queer looking bipeds as ever took their seats in a jury box—a jury that was probably more looked at and laughed at, than any of the appointed twelve that ever were sworn, to "well and truly try and true deliverance make between their sovereign Lord the King and the prisoner at the bar."

But the scene was so irresistibly droll, that the learned Recorder could not maintain his gravity. The Mayor and Aldermen followed suit. The Barristers laughed while their wigs became bald and powderless; nay, even the poor prisoners in the dock, who were to be put upon their trials, and some of them undergo transportation, could not refrain from joining in the general exclamation! And when the learned Recorder commanded the High Sheriff to bring the Court room to order, and intimated, with a half-suppressed laugh, that the latter ought to be ashamed of himself for summoning such a jury, the drollery of this court scene was heightened considerably by the quick, ready, and sonorous response of the High Sheriff, who, looking at the same time waggishly at the squinting jury, exclaimed—"All good and lawful men, your Honor!"

But our humorous functionary has long since "shuffled off his mortal coil." "Where be your gibes now? your gambols? your songs? your flashes of merriment that were wont to set the table in a roar?—quite chapfallen?"—Washington City Evening News.

ACTS NOT RESOLUTIONS.—In conversation with a worthy and sensible gentleman at the Synod of Virginia, on the insufficiency of more resolutions, said he, "I have read a book called the Acts of the Apostles! I have not seen their book of resolutions yet!—Watchman.

GREEN'S OXYGENATED BITTERS. FOR THE CURE OF DYSPEPSIA, GENERAL DEBILITY, &c., &c., &c.

The best and strongest certified medicine in the world, for the cure of Dyspepsia in all its forms—such as Head-ache, Habitual Costiveness, Acidity of the Stomach, Loss of Appetite, Asthma, Piles, Incipient Consumption, Debility arising from protracted Fevers, Fever and Ague, Exposure to extreme Heat or Cold, Old Age—and, in fact, from every Disease arising from imperfect digestion, or a deranged condition of the stomach. It is an excellent remedy, and not surpassed by any medicine in use, for females suffering from uterine or nervous derangements.

The following Certificates have recently been received: WASHINGTON, D. C., June 10, 1846. Having made use of the "Oxygenated Bitters" prepared by Dr. Geo. B. Green, of Windsor, Vermont, and from knowledge obtained of their efficacy in other cases, we cheerfully recommend them to the public, believing that they will fully sustain the recommendation of the Proprietor. We hope that this valuable remedy may be so generally diffused throughout the country that it may be accessible to all the afflicted.

SAMUEL PHELPS, U. S. Senator from Vermont. WM. UPHAM, U. S. Senator from Rhode Island. J. T. MORSEHEAD, U. S. Senator and formerly Governor of Kentucky. L. H. ARNOLD, Member of Congress and formerly Governor of R. I. WM. WOODBRIDGE, U. S. Senator and formerly Governor of Michigan. M. L. MARTIN, Delegate in Congress from Wisconsin Territory. From the Hon. SOLOMON FOOT, Member of Congress from Vermont. WASHINGTON, D. C., June 1, 1846.

DR. GEO. B. GREEN:—Dear Sir,—In your note of this morning, you ask "for an expression of my opinion in regard to your medicine, called 'Oxygenated Bitters.'" It affords me pleasure to state, that from the experience I have had, in curing a severe attack of Dyspepsia in my own family, and from the wonderful effects which it has produced in other and more severe cases, arising in the families of Members of Congress with which I am acquainted, I think it an invaluable medicine, and hope that such circulation will be given to it as will bring it within the reach of all who are afflicted with that distressing malady. Respectfully yours, S. FOOT. From Hon. H. D. FOSTER, Member of Congress from Pennsylvania. WASHINGTON, D. C., June 10, 1846.

Dear Sir,—I have been a dyspeptic sufferer for about ten years, and have resorted to various medicines for relief without success, until I made use of your "Oxygenated Bitters." I have used about two bottles, and find myself restored to perfect health. The forms in which the disease showed itself, in my case, were, great acidity of the stomach, loss of appetite, extreme flatulence, severe constipation of the bowels, and violent headache. Feeling desirous that a knowledge of your valuable remedy may reach others similarly afflicted, I take great pleasure in recording my testimony to its curative power; and I would also remark, that while on a visit at home a short time since, I administered a part of a bottle to a number of my afflicted friends with great success. They are desirous that you should establish an agency at Pittsburg, or inform them where the medicine can be obtained. With an earnest desire for your prosperity and happiness, I subscribe myself, truly your friend, H. D. FOSTER. Doct. Geo. B. GREEN, General Agent, No. 26, Green & Fletcher, Windsor, Vt. DR. LE ROY'S

Vegetable Universal Pills, The only known Medicine that at the same time purges, purifies and strengthens the system. LONDON, July 7, 1846.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the place of all others of the same class. These pills are composed of many ingredients, but the principal ones are Sarsaparilla and Wild Cherry, so united that they act together, the one, through it admixure with other substances, purifying and purging, while the other is strengthening the system. Thus these pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debility, and are followed by no re-action. Dr. Le Roy's pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood an utter impossibility. As there is no debility, so there is no nausea or sickness attending the operations of this most excellent medicine which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations. Price 25 Cents per BOX. AGENTS.—T. Read & Son, Swoope & Africa, Huntingdon; W. W. Buchanan, Milliken & Kessler, Mill-Creek; S. Hatfield & Son, Juniata Iron Works; Porter & Bocher, Moore & Swoope, H. CLICKENER'S SUGAR-COATED PILLS,

The Only Effectual Purgative, cured within the last year OVER 200,000 PERSONS

of the following Complaints: Headache, Giddiness, Rheumatism, Piles, Dyspepsia, Scurvy, Small pox, Jaundice, Pains in the Back, inward Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Sali Rheum, Heartburn, Worms, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Fits, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colds, Gout, Gravel, Nervous Complaints, and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.

Experience has proved that nearly every disease originates from Impurities of the Blood or Derangements of the Digestive Organs; and to secure Health, we must remove those Impurities and restore the blood to its natural state. Therefore, when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes us that superfluities are gathering in the System, which should be immediately removed by an effectual purgative. This fact, as stated, is universally known; but people have such an aversion to medicine, that unless the case is urgent, they prefer the disease to the cure, generally. Since the invention, however, of

Clickener's Vegetable Purgative Pills, this objection does not exist, as they are completely enveloped with a coating of pure white sugar (as distinct from the internal ingredients as a nut shell from the kernel) have no taste of medicine, and are as easily swallowed as bits of candy.—Moreover they neither nauseate or gripe in the slightest degree. They operate equally on all the diseased parts of the system, instead of confining themselves to, and racking any particular region. Thus, for example, if the Liver be affected, one ingredient will operate on that particular organ, and by cleansing it of that Excess of Bile it is constantly discharging into the stomach, restore it to its natural state. Another will operate on the

Blood, and remove those impurities which have already entered into its circulation; while a third will effectually expel from the system whatever impurities may have been discharged into the stomach; and hence they

Strike at the Root of Disease,

Remove all the pure Humors; open the pores externally and internally; promote the Insensible Perspiration, obviate Flatulency, Headache, &c., separate all foreign and obnoxious particles from the chyle, secure a free and healthy action to the Heart, Lungs, and Liver, and thereby restore Health even when all other means have failed.

The entire truth of the above can be ascertained by the trial of a single box; and their virtue is so positive and certain in restoring Health that, if a proprietor binds himself to return the money paid for them in all cases where they do not give universal satisfaction.

Clickener is the inventor of Sugar Coated Pills, and that nothing of the sort was ever heard of until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no others, or they will be made the victims of a fraud.

ASTONISHING CURES.

MR. BOND, the celebrated Boston cracker baker, 98 Nassau street, Brooklyn, states that he has been afflicted with Asthma for 30 years, and could not find permanent relief from the best medicine which New York and Brooklyn could produce, was induced to try this great remedy. He is now nearly well. His daughter, who was suffering from the same disease, tried it, and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning and attend to her usual duties through the day without any annoyance from her distressing malady.

HENRY JACKSON, 13th street, near the Catholic Cemetery, came to the store for the purpose of obtaining a bottle of the Olossonian, having been afflicted with the Asthma for more than 20 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and used it. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

Consumption of the Lungs.

MR. CONYER, 25 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained the hope of his recovery. He was persuaded to try the Olossonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs. ATTREE, the wife of Wm. H. Attree, James Harman, Esq. and George W. Hays, Esq., can all bear testimony from their own experience of the healing properties of this Great Remedy in Consumption of the Lungs.

Spitting Blood.

Mrs. THORNTON, 352 Monice street, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olossonian, and declares it the greatest remedy in the world.

DENNIS KELLY, 26 Water street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it—having been under the care of his physician during the past winter. Although he coughed constantly and was very much troubled with night sweats, two bottles of the remedy enabled him to return to his daily work. He was entirely relieved.

DAVID HENDERSON, 60 Light street, George W. Burnett, formerly of Newark, N. J., Henry Lisbon, 199 Rivington street, and numerous other persons have been speedily and permanently cured of the same complaint by this remedy.
