

MARKETS.
PHILADELPHIA, Dec. 7th, 1848.
The market for bread stuffs was unsettled and drooping to-day, under the influence of the foreign news, and but few if any buyers could be found—a sale of 500 bbls. standard shipping flour was made at \$6.12 1/2, and was afterwards freely offered at that price. No sales of Rye flour or corn meal to establish a price. Wheat is heavy, a small lot of prime Pennsylvania sold at 114c. Corn is dull of sale at 55c for new Southern yellow. Whiskey moves slowly at 23 1/2 for hhd., and 25c for bbls.

DIED.
On the 3d instant, at the residence of his brother-in-law, near Porters Fort, Centre county, Mr. JOHN DICKEY, aged 24 years.

The deceased was a member of "United Brothers Lodge," No. 176, I. O. of F., the members of which paid their last tribute of respect to his remains, by seeing them respectfully interred at Manor Hill, on the 5th instant. After which they returned to their Hall, in this city, and appointed the undersigned to draft resolutions expressive of their sympathy for their departed brother, and for his kind and affectionate relatives, whose unwavering attention during his protracted illness, is worthy of our highest consideration.

The committee, at a subsequent meeting, reported the following, which were unanimously adopted:

Resolved, That the death of our much esteemed brother, John Dickey, has filled us with the most profound sorrow, and while we most deeply lament his loss, his remembrance will ever be most kindly cherished by us, his brethren, for that kind and affectionate disposition which has ever characterized his intercourse with us.

Resolved, That in this most painful bereavement, we respectfully tender our sympathy and condolence to his relatives and friends, who have thus been called to mourn his early departure to a world of spirits. Albeit, it has pleased an all-wise Providence to deprive the members of his family of a kind and affectionate brother, and all his friends of the enjoyment of his pleasing and social virtues; and whilst we, his brethren, mourn with them, we can take consolation in the assurance that "our loss is his eternal gain;" and that he is now a member of the "Celestial Lodge" in Heaven.

Resolved, That the usual badge of mourning, in memory of our highly esteemed brother, be worn for the space of two months.

Resolved, That a copy of these resolutions be sent to the family of our deceased brother, and be published in the *Huntingdon Globe and Journal*.

JAMES FORREST,

GREEN'S OXYGENATED BITTERS,
FOR THE CURE OF
DYSPEPSIA, GENERAL DEBILITY,
&c., &c., &c.

STOP! STOP!
MY DEAR MAM READ THIS IF YOU HAVE GOT DYSPEPSIA OR ASTHMA OR suffer from general debility, or any complaint resulting from derangement of the stomach. You would give a good deal to get well, wouldn't you? Then just give a LITTLE, and try Green's Oxygenated Bitters. Its just the thing for you. The Doctor discovered this medicine only after long and careful study—to cure a friend too—not to make money out of it. Look at the evidence of its efficacy and you will be satisfied.

HON. MYRON LAWRENCE cured of ASTHMA. BELLEVILLE, March 16, 1848.

DR. GREEN—I take great pleasure in informing you of the effects of the medicine called Oxygenated Bitters you had the kindness to send me. For some twenty years I had suffered severely from humored Asthma. I was compelled to sit up one third of the night, without going to bed at all; and the rest of the time my sleep was interrupted by violent fits of coughing and great difficulty of breathing. In all my attendance upon our courts I never went to bed in Northampton in twenty years but twice, and then was compelled to get up. Now I lie in bed without difficulty, and sleep soundly. I took your medicine according to directions. The violent symptoms immediately abated, and perseverance in the use of the remedy has removed all its troublesome consequences. The value of such a remedy is incalculable, and I hope its virtues may be widely diffused and its beneficent agency extensively employed.

Respectfully yours,
MYRON LAWRENCE.

DYSPEPSIA CURED.
CARLEISLE, Pa. June 10, 1848.

Messrs. Collier & Bro.
Gentlemen—In reply to your note as to the effect of the Oxygenated Bitters in my case. I would say, that I have been afflicted with Dyspepsia about six years, and have tried many known remedies, but obtained no relief, until a friend recommended the Oxygenated Bitters. I was finally induced to procure two bottles of it, and I had not taken half a bottle before I felt its effects upon my system, and after the use of the second bottle, I found myself in a state of health as unexpected as it was gratifying. To the afflicted I have no hesitation in recommending the Bitters, as superior to any medicine I have ever heard of for the cure of Dyspepsia.

Very Respectfully yours,
MADISON M. LEWIS.

The following Certificates have recently been received:

WASHINGTON, D. C., June 10, 1846.

Having made use of the "Oxygenated Bitters" prepared by Dr. Geo. B. Green, of Windsor, Vt., and from knowledge obtained of their efficacy in other cases, we cheerfully recommend them to the public, believing that they will fully sustain the recommendation of the Proprietor. We hope that this valuable remedy may be so generally diffused throughout the country that it may be accessible to all the afflicted.
