

**HARRISBURG.**—The following extract of a letter from Harrisburg to the Public Ledger, is of some interest:

"I understand that at the close of the present fiscal year, on the 1st of December, the State finances will not show quite as favorable aspect as for a year or two past. The receipt by the State Canals and Railroads will fall short of \$1,600,000 which was about last year's receipts, while the expenditures will go up to \$1,000,000, which is two or three hundred thousand dollars more than last year's expenditures. The next February interest will be met, but it will be a very 'tight squeeze,' indeed.

**MARKETS.**

**PHILADELPHIA, Dec. 15th, 1848.**  
The Flour market continues dull, partly in consequence of the unfavorable weather and no sales for export have been reported either in Flour, Rye Flour, or Corn Meal. There is very little wheat arriving—Good and prime red is worth 105@107c., and white 111@113c. per bu. The increased demand for new corn, noted yesterday, still continues, and several sales of yellow have been made at 11c., which is an advance. Oats—We quote Southern at 27@28c. per bu. Whiskey has been in limited request—Sales of hhd. at 24@25c., and bbls., at 25c.

**GREEN'S OXYGENATED BITTERS,** FOR THE CURE OF DYSPEPSIA, GENERAL DEBILITY, &c., &c., &c.

**STOP! STOP!** MY DEAR MAM READ THIS! If you have got DYSPEPSIA OF ANTHRA or suffer from general debility, or any complaint resulting from derangement of the stomach. You would give a good deal to get well, wouldn't you? Then just give a LITTLE, and try Green's Oxygenated Bitters. Its just the thing for you. The Doctor discovered this medicine only after long and careful study—to cure a friend too—not to make money out of it. Look at the evidence of its efficacy and you will be satisfied.

Hon. MYRON LAWRENCE cured of ANTHRA. BELLEVILLE, March 16, 1848.

DR. GREEN—I take great pleasure in informing you of the effects of the medicine called Oxygenated Bitters you had the kindness to send me. For some twenty years I had suffered severely from humoral ANTHRA. I was compelled to sit up one third of the night, without going to bed at all; and the rest of the time my sleep was interrupted by violent fits of coughing and great difficulty of breathing. In all my attendance upon our courts I never went to bed in Northampton in twenty years but twice, and then was compelled to get up. Now I lie in bed without difficulty, and sleep soundly. I took your medicine according to directions. The violent symptoms immediately abated, and perseverance in the use of the remedy has removed all its troublesome consequences. The value of such a remedy is incalculable, and I hope its virtues may be widely diffused and its beneficent agency extensively employed.

Respectfully yours,  
MYRON LAWRENCE.

**DYSPEPSIA CURED.** CARLEISLE, Pa. June 10, 1848.

Messrs. Collier & Bro. Gentlemen—In reply to your note as to the effect of the Oxygenated Bitters in my case. I would say, that I have been afflicted with Dyspepsia about six years, and have tried many known remedies, but obtained no relief, until a friend recommended the Oxygenated Bitters. I was finally induced to procure two bottles of you, and I had not taken half a bottle before I felt its effects upon my system, and after the use of the second bottle, I found myself in a state of health as unexpected as it was gratifying. To the effect I have no hesitation in recommending the Bitters, as superior to any medicine I have ever heard of for the cure of Dyspepsia.

Very Respectfully yours,  
MADSON M. LEWIS.

The following Certificates have recently been received:

WASHINGTON, D. C., June 10, 1846.

Having made use of the "Oxygenated Bitters" prepared by Dr. Geo. B. Green, of Windsor, Vt., and from knowledge obtained of their efficacy in other cases, we cheerfully recommend them to the public, believing that they will fully sustain the recommendation of the Proprietor. We hope that this valuable remedy may be so generally diffused throughout the country that it may be accessible to all the afflicted.
