**GREEN'S OXYGENATED BITTERS,**  
FOR THE CURE OF  
**DYSPEPSIA, GENERAL DEBILITY,**  
&c., &c., &c.  
**STOP! STOP!**  
MY DEAR MAM READ THIS if you have got DYSPEPSIA or ASTHMA or suffer from general debility, or any complaint resulting from derangement of the stomach. You would give a good deal to get well, wouldn't you? Then just give a LITTLE, and try Green's Oxygenated Bitters. Its just the thing for you. The Doctor discovered this medicine only after long and careful study—to cure a friend too—not to make money out of it. Look at the evidence of its efficacy and you will be satisfied.  
Hon. MYRON LAWRENCE cured of ASTHMA. BELCHERTOWN, March 16, 1848.  
Dr. GREENE—I take great pleasure in informing you of the effects of the medicine called Oxygenated Bitters you had the kindness to send me. For some twenty years I had suffered severely from humored Asthma. I was compelled to sit up one third of the night, without going to bed at all; and the rest of the time my sleep was interrupted by violent fits of coughing and great difficulty of breathing. In all my attendance upon our courts I never went to bed in Northampton in twenty years but twice, and then was compelled to get up. Now I lie in bed without difficulty, and sleep soundly. I took your medicine according to directions. The violent symptoms immediately abated, and perseve aince in the use of the remedy has removed all its troublesome consequences. The value of such a remedy is incalculable, and I hope its virtues may be widely diffused and its beneficent agency extensively employed.  
Respectful y yours  
MYRON LAWRENCE.

**DYSPEPSIA CURED.**  
CHARLES, Pa. June 10, 1848.  
Messrs. Collier & Bro.  
Gentlemen—In reply to your note as to the effect of the Oxygenated Bitters in my case. I would say, that I have been afflicted with Dyspepsia about six years, and have tried many known remedies, but obtained no relief, until a friend recommended the Oxygenated Bitters. I was finally induced to procure two bottles of it, and I had not taken half a bottle before I felt its effects upon my system, and after the use of the second bottle, I found myself in a state of health as unexpected as it was gratifying. To the afflicted I have no hesitation in recommending the Bitters, as superior to any medicine I have ever heard of for the cure of Dyspepsia.  
Very Respectfully yours,  
MADSON M. LEWIS.

**DR. LE ROY'S**  
Vegetable Universal Pills,  
The only known Medicine that at the same time purges, purifies and strengthens the system.  
LONDON, July 7, 1846.  
DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the place of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strenuously the system. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medical men, but never before discovered. In other words they do the work of two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debility, and are followed by no reaction. Dr. Le Roy's pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus make impure blood and its impurities. As there is no debility, so there is no nausea or sickness attending the operations of this most excellent of medicines which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence per one taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

**Clickener's SUGAR-COATED PILLS,**  
The Only Effectual Purgative, cured within the last year  
**OVER 200,000 PERSONS**  
of the following Complaints:  
Headache, Giddiness, Rheumatism, Piles, Dropsy, Scruvy, Small pox, Jaundice, Pains in the Back, Stomach Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heartburn, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Flue, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colds, Gout, Gravel, Nervous Complaints, and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.  
Experience has proved that nearly every disease originates from Impurities of the Blood or Derangement of the Digestive Organs; and to secure health, we must remove those impurities and restore the blood to its natural state. Therefore, when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes us that superfluities are gathering in the System, which should be immediately removed by an effectual purgative. This fact, as stated, is universally known; but people have such an aversion to medicine, that, unless the case urgent, they preferred the disease to the cure, generally. Since the invention, however, of

Clickener's Vegetable Purgative Pills, this objection does not exist, as they are completely enveloped with a coating of pure white sugar (as distinct from the internal ingredients as a nut shell from the kernel) have no taste of medicine, and are as easily swallowed as bits of candy. Moreover they neither nauseate or gripe in the slightest degree. They operate equally on all the diseased parts of the system, instead of confining the medicine, that, unless the case urgent, they preferred the disease to the cure, generally. of the following Complaints:  
Headache, Giddiness, Rheumatism, Piles, Dropsy, Scruvy, Small pox, Jaundice, Pains in the Back, Stomach Weakness, Palpitation of the Heart, Rising in the Throat, Dropsy, Asthma, Fevers of all kinds, Female Complaints, Measles, Salt Rheum, Heartburn, Cholera Morbus, Coughs, Quinsy, Whooping Cough, Consumption, Flue, Liver Complaint, Erysipelas, Deafness, Itchings of the Skin, Colds, Gout, Gravel, Nervous Complaints, and a variety of other diseases arising from impurities of the blood, and obstructions in the organs of digestion.  
Experience has proved that nearly every disease originates from Impurities of the Blood or Derangement of the Digestive Organs; and to secure health, we must remove those impurities and restore the blood to its natural state. Therefore, when the slightest derangement of the system is indicated by Costiveness, or any other sign, it admonishes us that superfluities are gathering in the System, which should be immediately removed by an effectual purgative. This fact, as stated, is universally known; but people have such an aversion to medicine, that, unless the case urgent, they preferred the disease to the cure, generally. Since the invention, however, of

Clickener's Vegetable Purgative Pills, this objection does not exist, as they are completely enveloped with a coating of pure white sugar (as distinct from the internal ingredients as a nut shell from the kernel) have no taste of medicine, and are as easily swallowed as bits of candy. Moreover they neither nauseate or gripe in the slightest degree. They operate equally on all the diseased parts of the system, instead of confining the medicine, that, unless the case urgent, they preferred the disease to the cure, generally.
