### OXYGENATED BITTERS, FOR THE CURE OF DYSPEPSIA, GENGRAL DEBILITY.

This medicine is an excellent tonic. It imparts health and vigor to the digestive organs and thus strengthens the whole system. Hence it is just the thing for Spring, when so many need something strengthening. Let every one read the following cases, and if you have one or more symptoms like those mentioned, don't fail to try this invaluable medicine.

Severe Case of Dyspepsia.

From R. P. STOW, Esq., Asst. Clerk

U. S. House Representatives.

Washington, D. C., June 16, 1846.

Dr. Gro. B. Green: -Dear Sir—I feel it not only a pleaure, but a duty, to make known to you and to the public, (if you desire it.) the surprising effects of the "Oxygenated Bitters," in relleving me from that most discouraging disorder, Dyspepsia. I have been afflicted for about seventeen years with the usual attendant symptoms, viz: constipation of the bowels, headache, pain in the chest, flatulence, acidity of the stomach, and severe nausea; and for months at a time not the least particle of moisture would appear on the surface of the chest or limbs, and most of the time I was ex'-emely bilious. I have used various remedies, have been strict in my diet, have been dosed with calomel and emetics day after day by physicians, but all to no good purpose. Hearing of the wonderful effects of the "Oxygenated Bitters," in the cure of Dyspepsia, I procured some as a last resort, have used four bottles of the medicie, and find the bad symptoms all removed, and myself once more in the enjoyment of health. None but the Dyspeptic sufferer, who has felt all the horrors of the disease, can at all appreciate the value of the medicine. I most sincerely hone that all will make. ease, can at all appreciate the value of the medicine. I most sincerely hope that all will mak trial of the medicine, and with me be able to rejoice in the return of health.

Hady Cured of Neuralgia.

From Rev. THOMAS KIDDER, of Vermont.

Windsor, Vt., Aug. 8, 1846.

DEAR SIR:—It gives me great pleasure to inform you that the "Oxygenated Bitters," with which you furnished my wife, has wrought a cure in her case. About two years since, my wife was violently attacked with neuralgia in the face, through the chest, in the wrists and ankles. So violent was the disease, added to a general derangement of the female system, that her strength was completely prostrated, her flesh wasted, and she rendered miscrable indeed. I feel grateful for the restoration of her health, and in duty bound to give publicity to the above facts, that others similarly afflicted may know where to seek for cure. Truly your friend.

THOMAS KIDDER.
