

THE GREAT CURE

CHAS. G. JOHNSON,
of Bristol.

Who was pronounced incurably fixed in
the last stage of Pulmonary Con-
sumption, by two skillful Phy-
sicians.

Mr. Johnson was rescued from death's door
by the use of Schneek's Pulmonic Syrup—having
been prostrated all winter. His case was
witnessed by several of the most respectable
citizens of this state, whose names are appended
to his certificate. Read! Read! and be con-
vinced that Schneek's Pulmonic Syrup is the
only certain cure for Consumption.

Bristol, Bucks county, Pa.

Sept. 21, 1849.

Dr. J. H. Schneek.—Dear Sir—I am induced
from a sense of justice towards you, as well as
duty to the public, to make known one of the
most hopeless and extraordinary cures, in my
own person, that you have ever had the pleasure
to record. Indeed, I regret my inability to por-
tray, in truthful colors, my consuming disease,
and the remarkable chance which Schneek's
Pulmonic Syrup effected in so short a time.

I was taken some time previous to December
1818, with a heavy cold, producing incessant
coughing, accompanied with acute pain in the
right side, pain in the back, under the right
shoulder, having heavy night sweats, high fevers
&c., which made me so nervous and restless as
to produce utter prostration. All these afflictions
increased with such violence, that, on the 4th of
January last I sent for my family physician. He
attended me faithfully, and prescribed every thing
that medical skill could suggest, but without effect.
I found myself gradually growing worse, and my hopes of recovery lessening as my dis-
ease increased. My cough became distressing;
my pains severe; and, extremely debilitated, I
lost all ambition in life, and gave up to a melan-
choly depression. My physician examined me,
and informed me I had an abscess on the upper
part of my liver and lower part of one of my lungs.
Notwithstanding all this skill, I grew worse, but
with that tenacity with which we all cling to life,
I concluded to leave nothing undone, and called
in a consulting physician, who fully concurred
with my own, and pronounced my case an ex-
tremely critical one. I thought I was in im-
minent danger—saying my disease "was one that
is seldom if ever cured." All this time I was en-
during sufferings that made life burdensome; ex-
periencing great pain in coughing; expectorating
from a pint to a quart of mucous matter
every 21 hours, and gradually sinking under the
weakening progress of my disease. At this stage
of my illness, my friends in Bristol suggested the
use of Schneek's Pulmonic Syrup, but knowing
the many expedients resorted to for the pur-
pose of draining money from the afflicted, I hes-
itated. My friends, however, insisting, I was
prevailed upon to try its virtues. I commenced
taking the Syrup about the first of March, and used
several bottles before I had any confidence in it.
I then began to experience a change for the
better, and continued it till I had consumed
ten bottles, when I was so relieved as to be able
to visit Dr. Schneek in Philadelphia. He
examined me, and pronounced my right lung af-
fected, but in a healing condition. He recom-
mended the further use of the Syrup, which I
continued till I consumed 15 bottles, and found
myself once more restored to health. I will fur-
ther add, that the consulting physician, seeing the
action of the medicine, fully approved its use.

To give the reader some idea of the severity
of my case, and the rapid cure affected by the
Syrup, I will state that my usual weight in
health was 177 pounds, which was finally re-
duced by my suffering to but 121 pounds. Yet,
on the first of this month, (September,) I weighed
174 pounds, thus gaining in a few months 53
pounds, and within three pounds of my heaviest
weight. It is not in my power to convey, in the
short space of this certificate, the convincing
proofs of my remarkable cure, or the particulars
of the agonizing afflictions through which I have
passed; but to those who will take the trouble to
call on me, at Bristol, opposite Pratt's hotel, I shall
take pleasure in detailing every particular.

In conclusion, I deem it my duty to urge upon
every person who may have the preliminary
symptoms of this fatal disease, not to delay one
hour, but to call upon Dr. Schneek immediately.
His skill in the treatment of this complaint, and
prompt detection of diseased parts of the lungs
by means of his Stethoscope, added to my own
miraculous cure, fully satisfies me, that had I ear-
lier submitted myself to his care, I should have
escaped much suffering; but restrained by doubts
and suspicion, which make us all naturally ske-
ptical in regard to the virtues of a medicine when
first introduced. I resisted the importunities of
my friends till almost too late; and yielded only
as a last resort, resolved to "kill or cure." To
those afflicted I have been, again let me say,
hesitate no longer, my own case is presented to
you as convincing evidence, that when all else
fails your last hope is in Dr. Schneek's Pulmonic
Syrup. I have also for the satisfaction of those
who may be strangers to me, appended to this cer-
tificate the names of gentlemen well known in
the walks of public and private life, and whose
standing in society admits of no cavil or doubt in
regard to their testimony.

CHARLES G. JOHNSON.

We the undersigned, residents of Bristol and
vicinity, are well acquainted with Mr. Johnson,
and know him to have been afflicted as he states
above. We also know that he used Schneek's
Pulmonic Syrup, and have every reason to be-
lieve, that to this medicine he owes his preserva-
tion from premature grave. The known
integrity and position in society of Mr. Johnson,
however it is a sufficient guarantee to the public of
the truth of this statement.
