

# THE GREAT CURE

OF

## CHAS. G. JOHNSON,

of Bristol.

Who was pronounced incurably fixed in the last stage of Pulmonary Consumption, by two skillful Physicians.

Mr. Johnson was rescued from death's door by the use of Schneck's Pulmonary Syrup—having been prostrated all winter. His case was witnessed by several of the most respectable citizens of this state, whose names are appended to his certificate. Read it and be convinced that Schneck's Pulmonary Syrup is the only certain cure for Consumption.

Bristol, Bucks county, Pa. Sept. 21, 1849.

Dr. J. H. SCHNECK—Dear Sir,—I am induced from a sense of justice towards you, as well as duty to the public, to make known one of the most precious and extraordinary cures in my *opinion*, that you have ever had the pleasure to record. Indeed, I regret my inability to portray, in truthful colors, my consuming disease, and the remarkable chance which Schneck's Pulmonary Syrup effected in so short a time.

I was taken some time previous to December 1818, with a heavy cold producing incessant coughing, accompanied with acute pain in the right side, pains in the back, under the right shoulder, having heavy night sweats, high fevers &c., which made me so nervous and restless as to produce utter prostration. All these ailments increased with such violence, that on the 4th of January last I sent for my family physician. He attended me faithfully, and prescribed every thing that a medical skill could suggest, but without effect. I found myself gradually growing worse, and my hopes of recovery lessening as my disease increased. My cough became distressing; my pains severe; and, extremely debilitated, I lost all ambition in life, and gave up a melancholy despair. My physician examined me, and informed me I had an abscess on the upper part of my liver and lower part of one of my lungs. Notwithstanding all this skill, I grew worse but with that tenacity with which we cling to life, I concluded to have nothing undone, and called in a consulting physician, who fully concurred with my own, and pronounced my case an extremely critical one. I thought I was in imminent danger—saying my disease was one that is seldom if ever cured. All this time I was enduring sufferings that made life burdensome; and experiencing great pain in coughing; expectorating from a quart to a quart of mucous matter every 24 hours, and gradually sinking under the weakening progress of my disease. At this stage of my illness, my friends in Bristol suggested the use of Schneck's Pulmonary Syrup, but knowing the many expedients resorted to for the purpose of draining money from the afflicted, I hesitated. My friends, however, insisting, I was prevailed upon to try its virtues. I commenced taking the Syrup about the first of March, and used several bottles before I had any confidence in it. I then began to experience a change for the better, and continued it till I had consumed ten bottles, when I was so far relieved as to be able to visit Dr. Schneck in Philadelphia. He examined me, and pronounced my right lung affected, but in a healing condition. He recommended the further use of the Syrup, which I continued till I consumed 15 bottles, and found myself once more restored to health. I will further add, that the consulting physician, seeing the action of the medicine, fully approved its use.

To give the reader some idea of the severity of my case, and the rapid cure effected by the Syrup, I will state that my usual weight in health was 177 pounds, which was finally reduced by my sufferings to but 121 pounds. Yet, on the first of this month, (September,) I weighed 174 pounds, thus gaining in a few months 53 pounds, and within three pounds of my heaviest weight. It is not in my power to convey, in the short space of this certificate, the convincing proofs of my remarkable cure, or the particulars of the amazing afflictions through which I have passed; but to those who will take the trouble to call on me at Bristol, opposite Pratt's Hotel, I can state precisely the nature of every particular. In conclusion, I do not feel it my duty to urge upon every person who may have the preliminary symptoms of this fatal disease, not to delay one hour, but to call upon Dr. Schneck immediately. His skill in the treatment of this complaint, and prompt detection of diseased parts of the lungs by means of his Stethoscope, added to my own miraculous cure, fully satisfies me, that had I earlier submitted myself to his care, I should have escaped much suffering; but restrained by doubts and suspicion, which make us all naturally skeptical, I hesitated to try the virtues of a medicine when first introduced. I resisted the importunities of my friends till almost too late; and yielded only as a last resort, to "kill or cure." To those afflicted as I have been, again let me say, hesitate no longer, my own case is presented to you as convincing evidence, that when all else fails your last hope is in Dr. Schneck's Pulmonary Syrup. Have faith in the assistance of those who may be strangers to me, appended to this certificate. The names of gentlemen well known in the walks of public and private life, and whose standing in society admits of no cavil or doubt in regard to their testimony.

CHARLES G. JOHNSON.

We the undersigned, residents of Bristol and vicinity, are well acquainted with Mr. Johnson, and know him to have been afflicted as he states above. We also know that he used Schneck's Pulmonary Syrup, and have every reason to believe, that to this medicine he owes his preservation from a premature grave. The known integrity and position in society of Mr. Johnson however is a sufficient guarantee to the public of the truth of this statement.

## FEVER & AGUE

Chill Fever, Malaria, Inter-mittent & Remittent Fevers, & all the various forms of Bilious Diseases.

SPEEDILY & THOROUGHLY CURED BY DR. OSGOOD'S INDIA CHOLAGOUE.

This excellent compound, which never fails in the cure of Fever and Ague, is for sale by the proprietors' agents, T. READ & SON, Huntingdon; L. G. KESSLER, Mill Creek.

WHAT IS THE MATTER WITH YOU, Doctor? What is the cause of this yellow complexion, jaundiced eye, depression of spirits, pain in the side and shoulder, weariness of body, bitter taste in the mouth? Such is the inquiry, and such the symptoms of many a sufferer! It is the liver which is diseased, and the Cholagogue is the remedy always successful in curing it. Try it, and judge for yourself. For sale by above named agents.

BETTER DIE THAN LIVE, if I am to be tortured from day to day with this horrible Ague, exclaiming the poor sufferer whose life has become a burden from the racking paroxysms of an intermission, and whose confidence in human aid is destroyed by the failure of remedies to produce the promised relief. Such has been the situation of thousands who are now rejoicing in all the blessings of health from the use of Dr. Osgood's India Cholagogue. In no instance does it fail to effect a speedy and permanent cure. For sale by above named agents.

How few who think aright among the thinking few.

How many never think, but only think they do!

THE SENTIMENT IMPLIED in the above exclamation is on no subject more fully exemplified than on that of health. But few give it a single thought, and fewer still reflect upon it with the observation and good sense which matters of minor consequence receive. An observation teaches the fact that Dr. Osgood's India Cholagogue is a never failing remedy in Fever and Ague, good sense would surely indicate its prompt and immediate use. For sale by the above named agents.

## GREEN'S OXYGENATED BITTERS,

FOR THE CURE OF  
DYSPEPSIA, GENEEAL DEBILITY,  
&c., &c., &c.

This medicine is an excellent tonic. It imparts health and vigor to the digestive organs and thus strengthens the whole system. Hence it is just the thing for Spring, when so many need something strengthening. Let every one read the following cases, and if you have one or more symptoms like those mentioned, don't fail to try this invaluable medicine.

Severe Case of Dyspepsia.  
From R. P. STOW, Esq., Asst. Clerk U. S. House Representatives.

WASHINGTON, D. C. June 15, 1846.

Dr. Geo. B. GREEN:—Dear Sir—I feel it not only a pleasure, but a duty, to make known to you and to the public, (if you desire it,) the surprising effects of the "Oxygenated Bitters," in relieving me from that most discouraging disorder, Dyspepsia. I have been afflicted for about seventeen years with the usual attendant symptoms, viz: constipation of the bowels, headache, pain in the chest, flatulence acidity of the stomach, and severe nausea; and for months at a time not the least particle of moisture would appear on the surface of the chest or limbs, and most of the time I was extremely bilious. I have used various remedies, have been strict in my diet, have been dosed with calomel, and emetics day after day by physicians, but all to no good purpose. Hearing of the wonderful effects of the "Oxygenated Bitters," in the cure of Dyspepsia, I procured some as a last resort, and used four bottles of the medicine, and find the bad symptoms all removed, and myself once more in the enjoyment of health. None but the Dyspeptic sufferer, who has felt the horrors of the disease, can at all appreciate the value of the medicine. I most sincerely hope that all will make trial of the medicine, and with me be able to rejoice in the return of health.

## Lady Cured of Neuralgia.

From Rev. THOMAS KIDDER, of Vermont.

WINDSOR, Vt., Aug. 8, 1846.

DEAR SIR:—It gives me great pleasure to inform you that the "Oxygenated Bitters," which you furnished my wife, has wrought a cure in her case. About two years since, my wife was violently attacked with neuralgia in the face, through the chest, in the wrists and ankles. So violent was the disease, added to a general derangement of the female system, that her strength was completely prostrated, her flesh wasted, and she rendered miserable indeed. I feel grateful for the restoration of her health, and in duty bound to give publicity to the above facts, that others similarly afflicted may know where to seek for cure. Truly your friend,  
THOMAS KIDDER.

The Capital being paid up and invested, together with accumulated premium fund, affords a perfect security to the insured. The premium may be paid in yearly, half yearly, or quarterly payments.

The Company add a BONUS at stated periods to the insurances for life. This plan of insurance is the most approved of, and is more generally in use, than any other in Great Britain, (where the subject is best understood by the people, and where they have had the longest experience,) as appears from the fact, that out of 17 Life Insurance Companies there, of all kinds, 87 are on this plan.

The first BONUS was appropriated in December 1844, amounting to 10 per cent; on the sum insured under the oldest policies; to 8 3/4 per cent. 7 1/2 per cent. &c. &c. on others, in proportion to the time of standing, making an addition of \$100 to \$57,500; \$75, &c. &c. to every 1,000, originally insured, which is an average of more than 50 per cent on the premiums paid, and without increasing the annual payment of the company.

The operation of the BONUS will be seen by the following example from the Life Insurance Register of the Company, thus:

Policy.	Insured.	Bonus or Addition.	Amt. of pol. and bonus payable to the party's decessor.
