THE AMERICAN OIL.

THE celebrated American Oil has been in use long enough to test its powers. It is recommended as one of the best, if not the very best medicine for the cure of Rheumatism, Irrispielas, Tetter, Toothache, Cramps, Spasms, cholice, burns and scalds, bowel complaints, quincy, croup and sore throat, inflammation, &c. Read the following certificate.

HUNTINGDON, March 11, 1850. For the benefit of sufferers like me and others, I do freely declare the following facts:—I have suffered more or less for twenty years with the most desperate Rheumatism, and also for 19 years at times with most desperate pain in the stomach, which at times seemed to expand as if it would burst; also for many years I was terribly troubled with cramps in my legs—indeed I can't describe all my sufferings for so long a time. I could do no business for the last ten years, nor had I a single good night's sleep for the last five years. I never could find any relief worth mentioning, until last November, when I met with the Extract of American Oil, and to my no little surprise I got relieved of all in a short time and to this day. I respectfully inform all who are troubled with the above mentioned ailments, that I can tell much more. I can say it has done wonders on others around me in various complaints. If ever an article was put out honestly, this is one. I know it sells rapidly here. No family in the land will be without it when they once know its use. JOHN BUMBAUGH.

HUNTINGDON, March 11, 1850.

I do hereby certify the following facts:—That I have suffered for five years past with pain in my back, spine and kidneys, and never received any relief but by bleeding, for a few days only. Last November I got a bottle of the Extract of American Oil, I used it inwardly, and to my surprise it removed the complaint in a short time. From what I have seen and heard of its wondrous effects upon others in desperate cases, I can freely recommend it, and believe it to be worth the price. I can say it so highly recommended. C. COURTS.

LEWISTOWN, March 1850.

I never before gave a certificate, but this I give with a clear conscience for the benefit of sufferers like myself. I suffered with the Erysipelas or St. Anthony's Fire, mixed with Tetter, so pronounced by my doctor, for 12 years. The suffering I endured is beyond description. At times all my hair came off my head. During this time I had no relief for more than a few days at a time. Last October I got a bottle of the Extract of American Oil, used it inwardly and outwardly, and to my great astonishment and my neighbors, I got clear of it in a short time, and to this time I have noticed its wondrous effects on other desperate complaints. I do assure my friends and the public that it is indeed a wonderful thing for many complaints. I invite all who choose to visit me in Lewistown. My maiden name was Nancy Magary, now Widow NANCY VINES.

The American Oil is for sale by A. S. HARRISON, Huntingdon, General Agent for Huntingdon county. Those who wish a supply of the medicine will call on him.

For sale by Samuel Hovey, Alexandria, Huntingdon county; Catharine Hart, Lewistown, Mifflin county; John B. Given, McConnellsburg; Daniel Decker, M'Veytown; Mays S. Harrison, Shireleysburg. [Aug. 20.—1y.]

DANIEL AFRICA,

JUSTICE OF THE PEACE.—Office in Main street, Huntingdon, Pa.

THIS excellent compound, which never fails in the cure of Fever and Ague, is for sale by the proprietor's agents, THOS. READ & SON, Huntingdon; L. G. KESSLER, Mill Creek; J. H. STRICKER, Water Street.

WHAT IS THE MATTER WITH ME DOCTOR? What is the cause of this sallow complexion, jaundiced eye, depression of spirits, pain in the side and shoulder, weariness of body, bitter taste in the mouth? Such is the inquiry, and such the symptoms of many a sufferer. It is the liver which is affected, and the Cholagogue is the remedy, always successful in curing it.—Try it, and judge for yourselves. For sale by the above named agents.

BETTER DIE THAN LIVE IF I AM to be tortured from day to day with this horrible Ague, exclaims the poor sufferer whose life has become a burden to him, from the racking paroxysms of an intermittent, and whose confidence in human aid is destroyed by the failure of remedies to produce the promised relief. Such has been the situation of thousands who are now rejoicing in the blessings of health, from the use of Dr. Osgood's India Cholagogue. In no instance does it fail to effect a speedy and permanent cure. For sale by above named agents. How few who think aright among the thinking few; How many never think, but only think they do.—The sentiment implied in the above exclamation is on no subject more fully exemplified than on that of health. But few give it a single thought, and fewer still reflect upon it with the observation and good sense which mark of minor consequence receive. As observation teaches the fact that Dr. Osgood's India Cholagogue is a never failing remedy in Fever and Ague, good sense would surely indicate its prompt and immediate use. For sale by the above named agents. [July 9, 1850.]

THIN GREAT CURE

OF Charles G. Johnson, of Bristol, who was pronounced incurably fixed in the last stage of pulmonary consumption, by two skilful physicians.

Mr. Johnson was rescued from death's door by the use of Schneck's Pulmonic Syrup—having been prostrated all winter. His case was witnessed by several of the most respectable citizens of this state, whose names are appended to his certificate. Read! Read! and be convinced that Schneck's Pulmonary Syrup is the only certain cure for Consumption. Bristol, Bucks county, Pa. Sept. 21, 1849.

Dr. J. H. SCHNECK.—Dear Sir,—I am induced from a sense of justice towards you, as well as duty to the public, to make known one of the most hopeless and extraordinary cures, in my own person, that you have ever had the pleasure to record. Indeed, I regret my inability to portray, in truthful colors, my consuming disease, and the remarkable chance which Schneck's Pulmonary Syrup effected in so short a time.

I was taken some time previous to December 1848, with a heavy cold, producing incessant coughing, accompanied with acute pain in the right side, pains in the back, under the right shoulder, having heavy night sweats, high fevers &c., which made me so nervous and restless as to produce sleep prostration. All these afflictions increased with such violence, that on the 15th of January last I sent for my family physician. He attended me faithfully, and prescribed every thing that medical skill could suggest, but without effect. I found myself gradually growing worse, and my hopes of recovery lessening as my disease increased. My cough became distressing; my pains severe; and, extremely debilitated, I lost all ambition in life, and gave up to a melancholy depression. My physician examined me, and informed me I had an abscess on the upper part of my liver and lower part of one of my lungs. Notwithstanding all this, I grew worse, but with that tenacity which we all cling to life, I concluded to have nothing undone, and called in a consulting physician, who fully concurred with my own, and pronounced my case an extremely critical one. He thought I was in imminent danger—saying "my disease" was one that is seldom if ever cured." All this time I was enduring sufferings that made life burdensome, experiencing great pain in coughing; expectorating from a pint to a quart of mucous matter every 24 hours, and gradually sinking under the weakening progress of my disease. At this stage of my illness, my friends in Bristol suggested the use of Schneck's Pulmonic Syrup, but knowing the many expedients resorted to for the purpose of draining money from the afflicted, I hesitated. My friends, however, insisting, I was prevailed upon to try its virtues. I commenced taking the Syrup about the first of March, and used several bottles before I had any confidence in it. I then began to experience a change for the better, and continued it till I had consumed ten bottles, when I was so far relieved as to be able to visit Dr. Schneck in Philadelphia. He examined me, and pronounced my right lung affected, but in a healing condition. He recommended the further use of the Syrup, which I continued till I consumed 15 bottles, and found myself once more restored to health. I will further add, that the consulting physician, seeing the action of the medicine, fully approved its use.

To give the reader some idea of the severity of my case, and the rapid cure effected by the Syrup, I will state that my usual weight in health was 177 pounds, which was finally reduced by my sufferings to but 121 pounds. Yet, on the first of this month, (September,) I weighed 174 pounds, thus gaining in a few months 53 pounds, and within three pounds of my heaviest weight. It is not in my power to convey, in the short space of this certificate, the convincing proofs of my remarkable cure, or the particulars of the agonizing afflictions through which I have passed; but to those who wish to see the trouble to call on me, at Bristol, opposite Pratt's store, shall take pleasure in detailing every particular. In conclusion, I deem it my duty to urge upon every person who may have the preliminary symptoms of this fatal disease, not to delay one hour, but to call upon Dr. Schneck immediately. His skill in the treatment of this complaint, and prompt detection of diseased parts of the lungs by means of his Stethoscope, added to my own miraculous cure, fully satisfies me, that had I earlier submitted myself to his care, I should have escaped much suffering; but restrained by doubts and suspicion, which make us all naturally skeptical in regard to the virtues of a medicine when first introduced, I resisted the importunities of my friends till almost too late; and yielded only as a last resort, resolved to "kill or cure." To those afflicted as I have been, age is less a consideration, my own case is presented to you as convincing evidence, that when all else fails your last hope is in Dr. Schneck's Pulmonic Syrup. I have also for the satisfaction of those who may be strangers to me, appended to this certificate the names of gentlemen well known in the walks of public and private life, and whose standing in society admits of no cavil or doubt in regard to their testimony.

CHARLES G. JOHNSON.

We the undersigned, residents of Bristol and vicinity, are well acquainted with Mr. Johnson, and know him to have been afflicted as he states above. We also know that he used Schneck's Pulmonic Syrup, and have every reason to believe that to this medicine he owes his preservation from a premature grave. The known integrity and position in society of Mr. Johnson however is a sufficient guarantee to the public of the truth of this statement.
