GREAT Improvement in Daguerrotyping!
VAN LOAN & CO., No. 118, Chestnut street, Philadelphia, have, by recent discoveries in their art, enabled themselves to take pictures at all times, with great certainty—as well in stormy as clear weather—which are justly pronounced by artists and scientific men, UNRIVALED, for depth of tone and softness of light and shade. By working themselves, they not only produce pictures which are GOOD AND CHEAP! but by far the best and cheapest which can be produced at any other establishment. Their charge for pictures in hand, some improved cases, range from ONE DOLLAR to three dollars, depending on the size of the picture, being scarcely one-half the prices charged at other establishments, for pictures of equal size and of inferior quality. Their GALLERY of Portraits, consisting of some hundreds, embraces a collection of DISTINGUISHED AMERICANS worthy the attention of visitors to their rooms, which are OPEN AT ALL TIMES.
The collection which they deposited in the exhibition of the Franklin Institute, was constantly surrounded by dense crowds of admirers, who were long in their praise of the artists' skill.
To guard against every possibility of mistake, they guarantee every picture to be of the best materials, and unless it is entirely satisfactory to the customer, NO CHARGE IS MADE.
When visiting the city call at their rooms, whether you wish a Daguerrotype or not. The admission is free, and you will be pleased with your visit. Don't forget the number, 118 Chestnut street, a few doors below Fourth.

Persons wishing any work in this line, would do well to give the subscriber a call, as he is determined not to be outdone by any other establishment, either in material or workmanship, on the Juniata.

THE AMERICAN OIL.
THE celebrated American Oil has been in use long enough to test its powers. It is recommended as one of the best, if not the very best medicine for the cure of Rheumatism, Iryspelas, Tetter, Toothache, Cramps, Spasms, cholice, Burns and scalds, blood complaints, rheumatic and sore throat, inflammation, &c. Read the following certificate:
HUNTINGDON, March 11, 1850.
For the benefit of sufferers like me and others, I do freely declare the following facts:—I have suffered more or less for twenty years with the most desperate Rheumatism, and also for 18 years at times with most desperate pain in the stomach, which at times seemed to expand as if I would burst; also for many years I was terribly troubled with cramps in my legs—indeed I can't describe all my sufferings for so long a time. I could do no business for the last ten years, nor had I a single good night's sleep for the last five years. I never could find any relief without mentioning, until last November, when I met with the Extract of American Oil, and to my no little surprise I got relieved of all in a short time and to this day. I respectfully invite all who choose to call and see me upon the subject, since I can tell much more. I can say that I have done wonders on others around me in various complaints. If ever an article was put out honestly, this is one. I know it sells rapidly here. No family in the land will be without it when they once know its use.
JOHN BUMBAUGH.

HUNTINGDON, March 11, 1850.
I do hereby certify to the following facts:—That I have suffered for five years past with pain in my back, spine, and more than a few days only. Last November I got a bottle of the Extract of American Oil, I used it inwardly, and to my surprise it removed the complaint in a short time. From what I have seen and heard of its wondrous effects upon others in desperate cases, I can freely recommend it, and believe it to be worth all the humbugs in the land, and do believe it will do all for what it is so highly recommended.
C. COCHRAN.

LEWISTOWN, March 1850.
I never before gave a certificate, but this I give with a clear conscience for the benefit of sufferers like myself. I suffered with the Erysipelas or St. Anthony's Fire, mixed with Tetter, so pronounced by my doctor, for 12 years. The suffering I endured is beyond description. At times as my hair came off my head. During this time I had no relief for more than a few days at a time. Last October I got a bottle of the Extract of American Oil, used it inwardly and outwardly, and to my great astonishment and my neighbors, I got clear of it in a short time, and to this time I have noticed its wondrous effects on other desperate complaints. I do assure my friends and the public that it is indeed a wonderful thing for many complaints. My maiden name was Nancy Magary, now Widow Nancy Vines.
The American Oil is for sale by S. HARRISON, Huntingdon, General Agent for Huntingdon county. Those who wish a supply of the medicine will call on him.
Also for sale by Samuel Huey, Alexandria, Huntingdon county; Catharine Hart, Lewis-town, Mifflin county; John B. Given, M'Connellstown; Daniel Decker, M'Veoytown; Mays S. Harrison, Shirtsburg. [Aug. 20.—1y.]

THIS excellent compound, which never fails in the cure of Fever and Ague, is for sale by the proprietor's agents, THOS. READ & SON, Huntingdon; L. G. KESSLER, Mill Creek; J. H. STEINER, Water Street.
WHAT IS THE MATTER WITH ME DOCTOR? What is the cause of this sallow complexion, jaundiced eyes, depression of spirits, pain in the side and shoulder, weariness of body, bitter taste in the mouth? Such is the inquiry, and such the symptoms of many a sufferer. It is the liver which is affected, and the Cholagogue is the remedy, always successful in curing it.—Try it, and judge for yourselves. For sale by the above named agents.

BETTER DIS THAN LIVE IF I AM TO BE TORTURED from day to day with this horrible Ague, exclaims the poor sufferer whose life has become a burden to him, from the racking paroxysms of an intermittent, and who contemplates in his own mind the destruction of his life by the failure of the remedies to produce the promised relief. Such has been the situation of thousands who are now rejoicing in all the blessings of health, from the use of Dr. Osgood's India Cholagogue. In no instance does it fail to effect a speedy and permanent cure. For sale by above named agents.
How many never think, but only think they do? The sentiment implied in the above exclamation is on no subject more fully exemplified than on that of health. But few give it a single thought, and fewer still reflect upon it with the observation and good sense which matters of minor consequence receive. As observation teaches the fact that Dr. Osgood's India Cholagogue is a never failing remedy in Fever and Ague, good sense would surely indicate its prompt and immediate use. For sale by the above named agents. [July 9, 1850.]

MARRIAGE!
WHY SO OFTEN UNHAPPY?
THE CAUSES AND THE REMEDY!
MANY and many a wife endures years of bodily suffering and of mental anguish, prostrate and helpless, embittering her life, that of her husband, and hazarding the future welfare of her children, arising from causes which, if known, would have spared the suffering, the anguish to the wife, and to the husband embarrassments and pecuniary difficulties having their origin in the mind being weighed down and harassed in consequence of the sickness of the companion of his bosom.
How important that the causes should be known to every wife, to every husband, that the dreadful and harrowing consequences to the health and happiness of both may be avoided! Life is too short and health too precious to admit any portion of the one to be spent without the full enjoyment of the other. The timely possession of a little work entitled as follows has been the means of saving the health and the life of thousands, as over

TWO HUNDRED THOUSAND copies have been sold since the first edition was issued.

SICKLY AND UNHAPPY WIVES.
Extract of a Letter from a Gentleman in Dayton, O. to Dr. A. M. Mauriceau, My Dear Sir, I have the Married Woman's Private Medical Companion, for which I enclosed one dollar to your address, came safely to hand. I would not have troubled you with these few lines, had it not been for the satisfaction of gratitude, for myself and wife, to give utterance to our sincere and heartfelt emotions.
"My wife has been perceptibly sinking for some three years or more, in consequence of her great anxiety and suffering from a severe cold, and her confinement; every successive one more and more debilitated and prostrated her, putting her life in imminent danger, and which was, on the last occasion, despaired of. I supposed her to be in a state of insensibility, and resigned myself to meet the worst. At this time (now about two months) I heard your book highly spoken of as containing some matters reaching my case. On its receipt and perusal, I can not express to you how much I was relieved in my mind and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desormeaux provided a remedy. It opened a prospect to me which I had never dared to entertain. My pecuniary consideration can ever repay the obligations I am under to you for having been the means of imparting to us the matters contained in 'The Married Woman's Private Medical Companion.' But for the ere now, my wife would have passed over my head, in all her probable my wife would have been in her grave, and my children left motherless."

Competence and Health.
"LANCASTER, PA., Oct. 24, 1847.
"MY DEAR SIR: I know you will have the kindness to bear with me in encroaching upon your time, while I acknowledge in behalf of myself and wife, the obligations we feel ourselves under to you in having made known certain matters, contained in your most invaluable 'Married Woman's Private Medical Companion.' It has been so worth its weight in gold to me. If I had not been so miserably afflicted, I could not do so to you warmly, when I inform you of the extent to which I have, through it, been benefited. I will state my situation when I obtained your book through the nearest curiosity. I took upon it as one of the most fortunate events of my life. I had been married some ten years, and was the father of seven children. I was long struggling unceasingly to the end that I might gain a moderate competency, but the results were insignificant. I had not a dollar in my pocket, and I was at the beginning of each year; and that only, with the most staid economy, sufficing with barely the necessities of life. Finally, this constant effort was becoming more and more oppressive to my health; I felt less capable to endure its continuance, while I felt the necessity of perseverance.
"This constant, unceasing struggle on my part was imperative, in consequence of the prostrated condition of my wife, who, in consequence of her confinement, much of the time confined to her bed, and of course incapable of taking the charge and management of household affairs. Her condition arose from causes which were insupportable to me. I had given her the six years to live over again! What would my wife have given to have been spared the long days and still longer nights prostrate on a bed of sickness, and to have seen her children, who had been avoided, had I then seen a copy of 'THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION.'"
