

WESTERN LAND AGENCY.

A. CAMPBELL, Land Agent at LaSalle, Illinois, has opened a general Land Agency for Middle and Northern Illinois, and Southern Wisconsin, where he will attend to the purchase and sale of Improved and Unimproved Lands, payment of Taxes, Location of Mexican Land Warrants, making selections for those who may be entitled to Bounty Lands under the late act of Congress, and generally to all business connected with a general Land Agency.

Having completed arrangements whereby persons wishing to procure lands in this fertile and rapidly improving portion of the West, can do so at the minimum price of \$1.25 per acre, without the expense and risk of travelling there, any person who may pay to my Agent, James Maguire, at Huntingdon, the sum of two hundred dollars, will have one quarter section (160 acres) entered in their name, (or as they may direct) for which they will receive the patent from the general Land Office at Washington city, in their name, clear of all charges.

Satisfactory security will be given for all performances on my part, and for the refunding of the amount of the purchase, with 6 per cent., at the expiration of five years, to any person who may then be dissatisfied with the location.

The canal from Chicago to Lasalle, at the head of Steam-boat Navigation on the Illinois River, the Railroad from Chicago to Galena, which is now in process of construction, and the Railroad from Chicago to Rock Island, on the Mississippi river, now completed to Aurora, some 30 miles west of Chicago, will pass through this country from East to West, and the great Central Railroad from Galena to the mouth of the Ohio river, passing through it from North to South, for the construction of which the late Congress appropriated a large amount of land, thereby securing, beyond doubt, its speedy completion; and there is no doubt in the mind of any person well informed upon the subject, that Chicago will be connected with all the Atlantic Cities by Railroad, in the course of from two to four years from this time, thereby enabling families to emigrate to this country in the short space of from three to four days, from any portion of the East, without the risk of travelling by steam boat. Persons wishing to procure desirable homes for themselves and families, will do well to make application soon, at the amount of public lands is limited, and is being taken up rapidly by actual settlers.

Any information desired, can be obtained from **ISAAC FISHER**, Esq., Huntingdon, Pa.

GREAT

Improvement in Daguerreotyping!

VAN LOAN & CO., No. 118, Chestnut street, Philadelphia, have, by recent discoveries in their art, enabled themselves to take pictures at all times, with great certainty—well in stormy as clear weather—which are justly produced by artists and scientific men, UNRIVALLED, for depth of tone and softness of light and shade. By working themselves, they not only produce pictures which are GOOD AND CHEAP!! but by far the best and cheapest which can be produced at any other establishment. Their charge for pictures in hand-some improved cases, range from ONE DOLLAR to three dollars, depending on the size of the picture, being scarcely one-half the prices charged at other establishments, for pictures of equal size—but of inferior quality. Their GALLERY OF PORTRAITS, consisting of some hundreds, embraces a collection of DISTINGUISHED AMERICANS worthy the attention of visitors to their rooms, which are OPEN AT ALL TIMES.

The collection which they had deposited in the exhibition of the Franklin Institute, was constantly surrounded by dense crowds of admirers, who were loud in their praise of the artists' skill.

To guard against every possibility of mistake, they guarantee every picture to be of the best materials, and unless it is entirely satisfactory to the customer, NO CHARGE IS MADE.

When visiting the city call at their rooms, whether you wish a Daguerreotype or not. The admission is free, and you will be pleased with your visit. Don't forget the number, 118 Chestnut street, a few doors below Fourth.
