

WESTERN LAND AGENCY.

A. CAMPBELL, Land Agent at Lassalle, Illinois, has opened a general Land Agency for Mid West and Northern Illinois, and Southern Wisconsin, where he will attend to the purchase and sale of Improved and Unimproved Lands, payment of Taxes, Location of Mexican Land Warrants, making selections for those who may be entitled to Bounty Lands under the late act of Congress, and generally to all business connected with a general Land Agency.

Having completed arrangements whereby persons wishing to procure lands in this fertile and rapidly improving portion of the West, can do so at the minimum price of \$1.25 per acre, without the expense and risk of travelling there, any person who may pay to my Agent, James McGuire, at Huntington, the sum of two hundred dollars, will have one quarter section (160 acres) entered in their name, (or as they may direct), for which they will receive the patent from the general Land Office at Washington city, in their name, clear of all charges.

Satisfactory security will be given for all performances on my part, and for the refunding of the amount of the purchase, with 6 per cent., at the expiration of five years, to any person who may then be satisfied with the location.

The canal from Chicago to Lassalle, at the head of Steam-boat Navigation on the Illinois River, the Railroad from Chicago to Galena, which is now in process of construction, and the Railroad from Chicago to Rock Island, on the Mississippi river, now completed to Aurora, some 30 miles west of Chicago, will pass through this country from East to West, and the great Central Railroad from Galena to the mouth of the Ohio river, passing through from North to South, for the construction of which the late Congress appropriated a large amount of land, thereby securing, beyond doubt, its speedy completion; and there is no doubt in the mind of any person well informed upon the subject, but Chicago will be connected with all the Atlantic Cities by Railroads, in the course of from two to four years from this time, thereby enabling families to emigrate to this country in the short space of from three to four days, from any portion of the East, with the risk of travel by steam boat. Persons wishing to procure desirable homes for themselves and families, will do well to make application soon, as the amount of public lands is limited, and is being taken up rapidly by actual settlers.

Any information desired, can be obtained from **MAAC FISHER, Esq.**, Huntington, Pa.

GREAT Improvement in Daguerreotyping!
VAN LOON & CO., No. 118, Chestnut street, Philadelphia, have, by recent discoveries in their art, enabled themselves to take pictures at all times, with great certainty—as well in stormy as clear weather—which are justly pronounced by critics and scientific men, UNRIVALLED, for depth of tone and softness of light and shade. By working themselves, they not only produce pictures which are GOOD AND CHEAP!! but by far the best and cheapest which can be produced at any other establishment. Their charge for pictures in hand-some improved cases, range from ONE DOLLAR to three dollars, depending on the size of the picture, being scarcely one-half the prices charged at other establishments, for pictures of equal size—but of inferior quality. Their GALLERY OR PORTFOLIOS, consisting of some hundreds, embraces a collection of DISTINGUISHED AMERICANS worthy the attention of visitors to their rooms, which are OPEN AT ALL TIMES.

The collection which they had deposited in the exhibition of the Franklin Institute, was constantly surrounded by dense crowds of admirers, who were lost in their praise of the artists' skill.

To guard against every possibility of mistake, they guarantee every picture to be the best material, and unless it is entirely satisfactory to the customer, NO CHARGE IS MADE.

When visiting the city call at their rooms, whether you wish a Daguerreotype or not. The admission is free, and you will be pleased with your visit. Don't forget the number, 118 Chestnut street, a few doors below Fourth.

NEFF & MILLER ALWAYS AHEAD!
THE great amount of WATCHES, CLOCKS, JEWELRY, and Fancy Articles, sold at **NEFF & MILLER'S**, is the best evidence that they sell the most fashionable, best and cheapest in Huntington, and that the principle of dealing with all upon fair terms, gives satisfaction.

They are THIS DAY opening the Largest and Best Assortment of WATCHES and JEWELRY, &c., ever brought to Huntington. Call and see them. They only ask a small advance in cost for goods, and not two prices, as at other places.

All goods sold WARRANTED TO BE REFERENCED. Don't forget the cheap corner.

Nov. 5, 1850. **NEFF & MILLER.**

RARE AND EXCELLENT!

S. COTT'S CHEAP WATCHES AND JEWELRY are going off rapidly, at the low rates at which he sells. His stock is new, large and well selected, and people find it advantages to call him before making purchases elsewhere.

Nov. 12, 1850.

STAND FROM UNDER!

FOR fear you will be crushed by the avalanche of Fall and winter Goods which J. & W. SAXTON have just received and opened for public inspection and purchase, at their store in Huntington, so celebrated for their cheapness and variety. The crowd assembling at their store daily, are only equalled by the numbers nightly rushing for seats at a **Jenny Lind Concert!** We have better and cheaper Goods than can be found at any other establishment in the country. If you don't believe this assertion, just drop in, you won't intrude, and verify it by examining qualities and prices.

To enumerate in detail all the articles we have for sale, would occupy too much space in the paper, to the exclusion of "marriages," always so interesting to the fairer portion of our numerous customers. We will mention but a few.

We have **For the Ladies**, (first in our esteem, and first in the hearts of their countrymen,) Long Shawls, Thibet Shawls, Silks, French Manton, Alpacas, Bonnet Ribbon, Cashmere de Linen, Jenny Lind Cloth, Ladies' and Children's Muffs, &c., &c., with every desirable article of DRESS GOODS.

The Ladies will not forget that their department is confined to the store on the corner, opposite Couts' Hotel.

BOOTS AND SHOES, HATS AND CAPS. A splendid assortment of the above article.

FRESH GROCERIES, of which we have the very best, and will sell at a very small advance on cost. Just call and examine for yourselves.

HARDWARE AND QUEENSWARE, and a great many other articles, too numerous to mention, all of which will be sold low for cash or country produce.

We will receive and store Grain, also, and pay the highest market prices, and it is admitted by all to be the most convenient place to vend Grain in and about town.

J. & W. SAXTON.
