THIS excellent compound, which never fails in the cure of Fever and Ague, is for sale by the proprietor's agents, Thos. Rean & Son. Huntingdon; L. G. Krssler, Mill Creek; J. H. Steiner, Water Street.

The What is the matter with Me Doctor? What is the cause of this sallow complexion, jaundiced eye, depression of spirits, pain in the side and shoulder, weariness of hody, bitter taste in the mouth? Such is the inquiry, and such the symptoma of many a sufferer. It is the liver which is affected, and the Chologogue is the remedy, always successful in curing it.—Try it, and judge for yourselves. For sale by the above named agents.

The Better die Than live it I am to ne tortured from day to day with this horrible Ague, exclaims the poor sufferer whose life has become a burden to him, from the racking paroxysms of an intermittant, and whose confidence in human aid is destroyed by the failure of remedies to produce the promised relief. Such has been the situation of thousands who are now rejoicing in all the blessings of health, from the use of Dr. Osgood's Indian Chologogue. In no instance does it fail to effect a speedy and permanent cure. For sale by above named agents. How few who think aright among the thinking few;

How there are think, but only think they do.

How few who think aright among the thinking few;
How many never think, but only think they do.'

1.7 The sentiment implied in the above exclamation is on no subject more fully exemplified than on that of health. But few give it a single thought, and fewer still reflect upon it with the observation and good seme which matters of minor consequence receive. As observation teaches the fact that Dr. Osgood's Indian (Cholagogue is a never failing remedy in Fever and Ague, good sense would surely indicate its prompt and immediate use.
