Valuable Farm for Sale.

I will sell, at private sale, all that well known TRACT OF LAND, situate in Henderson Township, about five miles from Huntington, now occupied by Jacob Knepp, Jr., containing about 225 acres and allowance, about 125 acres of which are cleared and in a good state of cultivation. There are a good apple orchard of select fruit and other choice fruit trees in prime bearing order, an excellent timely meadow, several never failing springs of water, a double log barn with frame overshoot, and a double house, part log and part frame, on the premises. The convenience of this land to the Canal, Rail Road, Town Market, Church, School House, and Blacksmith Shop, render it worthy the notice of persons wishing a comfortable home. All the land is susceptible of cultivation, lies peculiarly protected from the winter storms, and the woodland is heavily timbered. The fences being in good order, the land not over-worked, and a good portion in clover, little expense need be incurred to commence farming as soon as possession is taken. This land will be sold at a bargain and the terms made reasonable, on account of my necessary absence, and possession given on the 1st day of April next. James Gwin, Esq., of Huntington, is authorized by me to make sale, &c. JNO. ARMISTEAD, Feb. 13, 1851.—4t.

BRAND'S PURIFYING EXTRACT

The Greatest BLOOD PURIFIER IN THE WHOLE WORLD! It is now put up in QUART BOTTLES, of the same power and medicinal efficacy as when in small bottles. Each Large bottle contains SIXTY-FOUR DROPS, and the medicinal use is STRONGLY recommended, that only One Teaspoonful is required at a Dose—three times a Day, after Meals—One Dose only One Day, which is much longer than a bottle of any other medicine, because there is required of this a less quantity. The great Superiority of this Blood Purifier over all other medicines, consists in a true measure in its possessing as a part of its compound, the powerful Medical Virtues of some Scarcely and Rare Indian Roots and Barks, which no other medicine possesses. These are the most costly Purifiers of the Blood that were ever known to either Indian or white man, and these being compounded with the strongly-concentrated Extracts of Sarsaparilla, Yellow Dock, CHERRY AND SASSAFRAS BARKS, make this Vegetable Extract, not only the greatest Blood Purifier, but also, a cheaper medicine by far than any other on any other. It is so strong, because the quantity of it that may be bought for One Dollar will last much longer, and it is worthily worthy of any medicine. For undoubted proof of the Cures of Scrofula, Fever-Sores, Swellings, Erysipelas, Salt Rheum, Rheumatism, Scapula, Scald-head, Pimples on the Face, Liver-Complaints, Piles, Lumbago, Cancerous Ulcers, Constiveness, Sore Eyes, Dyspepsia, Putrid Inflammation of the Throat, and other IRRITABLE DISEASES, see our PAMPHLETS and Handbills—every Agent has them to give away.
