WESTERN LAND AGENCY.

CAMPBELL, Land Agent at Lasalle, Illinois, has opened a general Land Agency for Middle and Northern Illinois, and Southern Wisconsin, where he will attend to the purchase and sale of Improved and Unimproved Lands, payment of Taxes, Location of Mexican Land Warrants, making selections for those who may be entitled to Bounty Lands under the late act of Congress, and generally to all business connected with a general Land Agency.

Having completed arrangements whereby persons wishing to procure lands in this fertile and rapidly improving portion of the West, can do so at the minimum price of \$1.25 per acre, without the expense and risk of travelling there, any person who may pay to my Agent, James Maguire, at Huntington, the sum of two hundred dollars, will have one quarter section (60 acres) entered in their name, (or as they may direct) for which they will receive the patent from the general Land Office at Washington city, in their name, clear of all charges.

Satisfactory security will be given for all performances on my part, and for the refunding of the amount of the purchase, with 6 per cent, at the expiration of five years, to any person who may then be dissatisfied with the location.

The canal from Chicago to Lasalle, at the head of Steam-boat Navigation on the Illinois River, the Railroad from Chicago to Galena, which is now in process of construction, and the Railroad from Chicago to Rock Island, on the Mississippi river, now completed to Aurora, some 30 miles west of Chicago, will pass through this country from East to West, and the great Central Railroad from Galena to the mouth of the Ohio river, passing through it from North to South, for the construction of which the late Congress appropriated a large amount of land, thereby securing, beyond doubt, its speedy completion; and there is no doubt in the mind of any person well informed upon the subject, that Chicago will be connected with all the Atlantic Cities by Railroad, in the course of from two to four years from this time, thereby enabling families to emigrate to this country in the short space of from three to four days, from any portion of the East, without the risk of travelling by steam boat. Persons wishing to procure desirable homes for themselves and families, will do well to make application soon, as the amount of public lands is limited, and is being taken up rapidly by actual settlers.

Any information desired, can be obtained from ISAAC FISHER, Esq., Huntington, Pa.

THE AMERICAN OIL.

The celebrated American Oil has been in use long enough to test its powers. It is recommended as one of the best, if not the very best medicine for the cure of Rheumatism, Irysipelas, Tetter, Toothache, Cramps, Spasms, cholera, burns and scalds, bowel complaints, Inflammation of the eye, throat, inflammation, &c. Read the following certificate.

HUNTINGDON, March 11, 1850. For the benefit of sufferers like me and others, I do freely declare the following facts.—I have suffered more or less for twenty years with the most desperate Rheumatism, and also for 18 years at times with most desperate pain in the stomach, which at times seemed to expand as if it would burst; also for many years I was tormented by a very troublesome itching, which I can't describe all my sufferings for so long a time, nor had I a single good night's sleep for the last five years. I never could find any relief worth mentioning, until last November, when I met with the Extract of American Oil, and in my no little surprise I got relieved of all in a short time and to this day. I respectfully invite all who choose to call and see me upon the subject, to do so at once. I can say it has done wonders on others around me in various complaints. If ever an article was put out honestly, this is one. I know it sells rapidly here. No family in the land will be without it when they once know its use. JOHN BUMBAUGH.

HUNTINGDON, March 17, 1850.

I do hereby certify to the following facts.—That I have suffered for five years past with pain in my back, spine and kidneys, and never received any relief but by bleeding, for the last days only. Last November I got a bottle of the Extract of American Oil, I used it inwardly, and to my surprise it removed the complaint in a short time. From what I have seen and heard of its wondrous effects upon others in desperate cases, I can freely recommend it, and believe it to be worth all the humbugs in the land, and do believe it will do all for what it is so highly recommended. C. COURTS.

LEWISTOWN, March 1850.

I never before gave a certificate, but this I give with a clear conscience for the benefit of sufferers like myself. I suffered with the Erysipelas or St. Anthony's Fire, mixed with Tetter, so pronounced by my doctor, for 12 years. The suffering I endured is beyond description. At times all my hair came off my head. During this time I had no relief for more than a few days at a time. Last October I got a bottle of the Extract of American Oil, I used it inwardly and outwardly, and to my great astonishment and my neighbors, I got clear of it in a short time, and to this time I have noticed its wondrous effects on other desperate complaints. I do assure my friends and the public that it is doing all the good that can be expected. I invite all who choose to visit me in Lewistown. My maiden name was Nancy Magary, now Widow NANCY VINES.

The American Oil is for sale by A. S. HARRISON, Huntington, General Agent for Huntington county. Those who wish a supply of the medicine will call on him. Also for sale by Samuel Hart, Alexandria, Huntington county; Catherine Hart, Lewistown, Millin county; John B. Given, M'Connellstown; Daniel Decker, M'Veystown; Mays S. Harrison, Shireleysburg. [Aug. 20.—1y.]

"STAND FROM UNDER!"

FOR fear you will be crushed by the avalanche of Fall and winter Goods which J. W. SEXTON has just received and opened for public inspection and purchase, at their store in Huntington, so celebrated for their cheapness and variety. The crowds assembling at their store daily, are only equalled by the numbers nightly rushing for seats at a Jenny Lind Concert! We have better and cheaper Goods than can be found at any other establishment in the country. If you don't believe this assertion, "just drop in, you won't intrude," and verify it by examining qualities and prices. To enumerate in detail the articles we have for sale, would occupy too much space in the paper, to the exclusion of "marriages," always so interesting to the fairer portion of our numerous customers. We will mention but a few. We have For The Ladies, (first in our esteem, and "first in the hearts of their countrymen,") Long Shawls, Thibet Shawls, Silks, French Merino, Alpaca, Bonnet Ribbon, Cashmere de Lanes, Jenny Lind Cloth, Ladies' and Children's Muffs, &c., with every desirable article of DRESS GOODS.

The Ladies will not forget that their department is confined to the store on the corner, opposite Coats' Hotel.

BOOTS AND SHOES, HATS AND CAPS. A splendid assortment of the above article.

FRESH GROCERIES, of which we have the very best, and will sell at a very small advance on cost. Just call and examine for yourselves.

HARDWARE AND QUEENSWARE, and a great many other articles too numerous to mention, all of which will be sold low for cash or country produce.

We will receive and store Grain, also, and pay the highest market prices, and it is admitted by all to be the most convenient place to unload Grain in and about town.

J. W. SEXTON. Huntington, Oct. 29, 1850.

GREAT

Improvement in Daguerrotyping!

VAN LOAN & CO., No. 118, Chestnut street, Philadelphia, have, by recent discoveries in their art, enabled themselves to take pictures at all times, with great certainty—as well in stormy as clear weather—which are justly pronounced by artists and scientific men, UNRIVALED, for depth of tone and softness of light and shade. By working themselves, they not only produce pictures which are GOOD AND CHEAP! but, by far the best and cheapest which can be produced at any other establishment. Their charge for pictures in hand-made improved cases, range from ONE DOLLAR to three dollars, depending on the size of the picture, being scarcely one-half the prices charged at other establishments, for pictures of equal size.

Their GALLERY of Portraits, consisting of some hundreds of pictures, a collection of DISTINGUISHED AMERICANS worthy the attention of visitors to their rooms, which are OPEN AT ALL TIMES.

The collection which they had deposited in the exhibition of the Franklin Institute, was constantly surrounded by dense crowds of admirers, who were in their praise of the artists' skill.

To guard against every possibility of mistake, they guaranteed every picture to be of the best materials, and unless it is entirely satisfactory to the customer, NO CHARGE IS MADE.

When visiting the city call at their rooms, whether you wish a Daguerrotype or not. The admission is free, and you will be pleased with your visit. Don't forget the number, 118 Chestnut street, at the corner below Fourth.

Philadelphia, Nov. 19, 1850.

COMPETENCE AND HEALTH.

"MY DEAR SIR: I know you will have the kindness to bear with me in encroaching upon your time, while I acknowledge the kind of myself, and with the obligations we feel ourselves under to you in having made known certain matters, contained in your most invaluable 'Married Woman's Private Medical Companion.' It has been worth its weight in gold to me. If I express myself in any manner, you will see that I can not do so too warmly, while I inform you of the extent to which I have, through it, been benefited. I will state my situation when I obtained your book through the nearest possibility. I look upon it as one of the most fortunate events of my life. I had been married some ten years, and was the father of seven children. I was long struggling unceasingly to the end that I might gain a moderate competency, but the result of my exertions was, that I was left almost alone where I was at the beginning of each year; and that only, with the most stinted economy, sufficing with barely the necessities of life. Finally, this constant effort to procure money, had its effect upon my health; I felt less capable to endure its continuance, while I felt the necessity of perseverance.

"This constant, unceasing struggle on my part was imperative, in consequence of the prostrated condition of my wife, with occasional intermissions, for six years, much of the time confined to her bed, and of course incapable of taking the charge and management of household affairs. Her condition arose from causes of which I was ignorant. Oh! what would I have given had I then seen a copy of 'THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION.'"

From a Physician. DANGEROUS DELIVERIES, OBSTRUCTIONS, IRREGULARITIES, &c. Many are suffering from obstruction or irregularities peculiar to the female system, which undermine their health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. I express my own views upon the subject (falling of the womb), or from fluor-albus (white ness, debility, &c., &c.)! How many are in constant agony for many months preceding confinement! How many have died from dangerous deliveries, and how many whose lives are
