WESTERN LAND AGENCY.

CAMPBELL, Land Agent at Lasalle, Illinois, has opened general Land Agency for Middle and Northern Illinois, and Southern Wisconsin, where he will attend to the purchase and sale of Improved and Unimproved Lands, payment of Taxes, Location of Mexican Land Warrants, making selections for those who may be entitled to Bounty Lands under the late act of Congress, and generally to all business connected with a general Land Agency.

Having completed arrangements whereby persons wishing to procure lands in this fertile and rapidly improving portion of the West, can do so at the minimum price of \$1.25 per acre, without the expense and risk of travelling there, any person who may pay to my Agent, James Maguire, at Huntingdon, the sum of two hundred dollars, will have one quarter section (160 acres) entered in their name, (or as they may direct) for which they will receive the patent from the general Land Office at Washington city, in their name, clear of all charges.

Satisfactory security will be given for all performances on my part, for the refunding of the amount of the purchase, with 6 per cent., at the expiration of five years, to any person who may then be satisfied with the location.

The canal from Chicago to Lasalle, at the head of Steam-boat Navigation on the Illinois River, the Railroad from Chicago to Galena, which is now in process of construction, and the Railroad from Chicago to Rock Island, on the Mississippi river, now completed to Aurora, some 30 miles west of Chicago, will pass through this country from East to West, and the great Central Railroad from Galena to the mouth of the Ohio river, passes through it from North to South, for the construction of which the late Congress appropriated a large amount of land, thereby securing, beyond doubt, its speedy completion; and there is no doubt in the mind of any person well informed upon the subject, that Chicago will be connected with all the Atlantic Cities by Railroad, in the course of two to four years from this time, thereby enabling families to emigrate to this country in the short space of from three to four days from any portion of the East, without the risk of travelling by steam boat. Persons wishing to procure desirable homes for themselves and families, will do well to make application soon, as the amount of public lands is limited, and is being taken up rapidly by actual settlers.

Any information desired, can be obtained from ISAAC FARNUM, Esq., Huntingdon, Pa.

In short he is prepared to offer Great Bargains

to those who favor him with their custom.

It affords him pleasure to exhibit his goods at

such a low price, while I feel the necessity of pa-

rticipating in the cost of production.

This constant, unceasing struggle on my part was

imperative, in consequence of the protracted condition of my wife (with occasional intermission) for six years, much of the time confined to her bed, and of course incapable of taking the charge and management of the house.

This condition arose from causes of which I was ignorant, and I am still ignorant of the cause.

Finally, this constant effort has been of service to my health, and I feel capable of enduring continued confinement.
