

Valuable Farm for Sale.
I will sell, at private sale, all that well known tract of land, situated in Henderson Township, about five miles from Huntingdon, now owned by Jacob Knapp, Jr., containing about 225 acres and allowance, about 125 acres of which are cleared and in a good state of cultivation. There are a good apple orchard of select fruit and other choice fruit trees in prime bearing order, an excellent timothy meadow, several small falling springs of water, a double log barn with frame overhead, and a double barn, part log and part frame, on the premises. The convenience of this land to the Canal, Rail Road, Town Market, Church, School House, and Blacksmith Shop, render it worthy the notice of persons wishing a comfortable home. All the land is susceptible of cultivation, lies peculiarly protected from the winter storms, and the woodland is heavily timbered. The fences being in good order, the land not over-worked, and a good portion in clover, little expense need be incurred to commence farming as soon as possession is taken.
This land will be sold at a bargain and the terms made reasonable, on account of my necessary absence, and possession given on the 1st day of April next. Hon. James Gwin, Esq., of Huntingdon, is authorized by me to make sale, &c.

THE AMERICAN OIL.
LONG enough to test its powers. It is recommended as one of the best, if not the very best medicine for the cure of Rheumatism, Trisipelas, Tetter, Toothache, Cramps, Spasms, cholie, burns and scalds, bowel complaints, quincy, croup and sore throat, inflammation, &c. Read the following certificate:
HUNTINGDON, March 11, 1850.
For the benefit of sufferers like me and others, I do hereby declare the following facts.—I have suffered more or less for twenty years with the most desperate Rheumatism, and also for 18 years at times with most desperate pain in the stomach, which at times seemed to expand as if it would burst; also for many years I was terribly troubled with cramps in my legs—indeed I can't describe all my sufferings for so long a time. I could do no business for the last ten years, nor had I a single good night's sleep for the last five years. I never could find any relief worth mentioning, until last November, when I met with the Extract of American Oil, and I may not little surprise I got relieved of all in a short time and to this day. I respectfully invite all who choose to call and see me upon the matter; such I can tell much more. I can say it has done wonders on others around me in various complaints. If ever an article was put out honestly, this is one. I know it sells rapidly here, so I fancy in the land will be without it when they once know its use.
JOHN BUMBACH.

HUNTINGDON, March 11, 1850.
I do hereby certify to the following facts:—That I have suffered for five years past with pain in my back, spine and kidneys, and never received any relief but by bleeding, for a few days only. Last November I got a bottle of the Extract of American Oil, I used it in ward, and to my surprise it removed the complaint in a short time. From that time I have not heard of its wondrous effects upon others in desperate cases. I can freely recommend it, and believe it to be worth all the humbugs in the land, and do believe it will do all for what it is so highly recommended.
C. COURTS.

Lewisport, March 1850.
I never before gave a certificate, but this I give with a clear conscience for the benefit of sufferers like myself. I suffered with the Trisipelas or St. Anthony's Fire, mixed with Tetter, so pronounced by my doctor, for 12 years. The suffering I endured is beyond description. At times all my hair came off my head. During this time I had no relief for more than a few days at a time. Last October I got a bottle of the Extract of American Oil, used it inwardly and outwardly, and to my great astonishment and my neighbors, I got clear of it in a short time, and to this time I have not noticed its wondrous effects on other desperate complaints. I do assure my friends and the public that it is indeed a wonderful thing for many complaints. I invite all who choose to visit me in Lewisport. My maiden name was Nancy Magraky, now Widow NANCY VINCS.

THE American Oil is for sale by A. S. HARRISON, Huntingdon, General Agent for Huntingdon county. Those who wish a supply of the medicine will call on him.
Also for sale by Samuel J. Alexander, Huntingdon county; Catharine Hart, Lewisport, Millin county; John B. Given, McConnellsburg; Daniel Decker, McVeytown; Mays S. Harrison, Shirelyburg. [Aug. 20.—1y.]

"STAND FROM UNDER!"
FOR fear you will be crushed by the avalanche of Fall and winter Goods which J. & W. SEXTON have just received, and opened for public inspection and purchase, at their store in Huntingdon, so celebrated for their cheapness and variety. The crowds assembling at their store daily, are only equalled by the numbers nightly rushing for seats at a Jenny Lind Concert! We have better and cheaper Goods than can be found at any other establishment in the country. If you don't believe this assertion, "just drop in, and you won't intrude," and verify it by examining qualities and prices.
To enumerate in detail all the articles we have for sale, would occupy too much space in the paper, to the exclusion of "marriages," always so interesting to the fairer portion of our numerous customers. We will mention but a few. We have For the Ladies, (first in our establishment,*) Long Shawls, Thibet Shawls, Silks, French Merinos, Alpaca, Bonnet Ribbon, Cashmere de Lanes, Jenny Lind Cloth, Ladies' and Children's Muffs, &c. &c. with every desirable article of DRESS GOODS.
*The Ladies will not forget that their department is confined to the store on the corner, opposite Coats' Hotel.
BOOTS AND SHOES, HATS AND CAPS. A splendid assortment of the above article.
FRENCH GROCERIES, of which we have the very best, and will sell at a very small advance on cost. Just call and examine your selves.
HARDWARE AND QUEENSWARE, and a great many other articles too numerous to mention, all of which will be sold low for cash or country produce.
We will receive and store Grain, also, and pay the highest market prices, and it is admitted by all to be the most convenient place to unload Grain in and about town.
J. & W. SEXTON.

GREAT Improvement in Daguerreotyping!
VAN LOAN & CO., No. 118, Chestnut street, Philadelphia, have, by recent discoveries in their art, enabled themselves to take pictures at all times, with great certainty—as well in stormy and clear weather—which are justly pronounced by artists and scientific men, to be of a most certain tone and softness of light and shade, for depth of themselves, they not only produce pictures which are GOOD AND CHEAP!! but by far the best and cheapest which can be produced at any other establishment. Their charge for pictures in handsome improved cases, range from ONE DOLLAR to five dollars, depending on the size of the picture, being scarcely one-half the prices charged at other establishments for pictures of equal size—of inferior quality. Their Galleries, of 100 portraits, consisting of some hundreds, embraces a collection of DISTINGUISHED AMERICANS worthy the attention of visitors to their rooms, which are OPEN AT ALL TIMES.
The collection which he had deposited in the exhibition of the Franklin Institute, was constantly surrounded by the crowds of admirers, who were loud in their praise of his new skill.
To guard against every possibility of mistake, they guarantee every picture to be of the best materials, and unless it is entirely satisfactory to the customer, NO CHARGE IS MADE.
When visiting the city call at their rooms, where you wish a Daguerreotype or not. The admission is free, and you will be pleased with your visit. Don't forget the number, 118 Chestnut street, a few doors below Fourth.
Philadelphia, Nov. 19, 1850.

Competence and Health.
"LANCASTER, PA. Oct. 24, 1847.
"MY Dear Sir: I know you will have the kindness to bear with me in encroaching upon your time, while I acknowledge to you the assistance you have rendered me in my illness. I have been afflicted with the complaint you have mentioned, and the obligations we feel ourselves under to you, in having made known certain matters, contained in your most invaluable "Married Woman's Private Medical Companion." I have been afflicted with this complaint for many years, and it has been a great blessing to me. If I express my gratitude, you will see that I can do so to warmly, when I inform you of the extent to which I have, through it, been benefited. I will state my situation when I obtained your book, that you may see the effect of your medicine: as one of the most fortunate events of my life. I had been married some ten years, and was the father of seven children. I was long struggling unceasingly with the complaint, and in consequence of it, I had become a weak and feeble man. I had been afflicted with it for many years, and the results of it were such, that I had become almost unable to gain a moderate competency, but the results of your medicine were such, that I have now become able to gain a moderate competency, and that only, with the most staid economy, sufficient to support my family. Finally, this constant effort to gain a moderate competency, on my health: I felt the necessity of enduring its continuance, while I felt the necessity of perseverance.
This constant, unceasing struggle on my part was imperative in consequence of my prostrated condition of mind (with occasional intervals of health) for years, much of the time confined to bed, and of course incapable of taking the charge and management of household affairs. Her condition arose from causes of which you are ignorant. Oh! what would I have given had I the six years to live over again! What would my wife have given to have been spared the long days and still longer nights prostrate on the bed of sickness, treated of by "The Married Woman's Private Medical Companion," which I have been advised, and I then sent a copy of "The Married Woman's Private Medical Companion."
From a Physician.
DANGEROUS DELIVERIES, OBSTRUCTIONS, IRRREGULARITIES, &c.
How many are suffering from obstruction or irregularities peculiar to the female system, which undermine their health, the effects of which they are ignorant, and for which their family friends seeking medical advice? How many suffer from the same complaint (falling of the womb), or from Quinsy (weakness, debility, &c. &c.)? How many are in constant agony from many months preceding confinement? How many have a constant and dangerous delivery, and whose lives are jeopardized during such time, will find in its pages the means of prevention, amelioration, and relief!

To those just Married.—"Had I known!"
"PHILADELPHIA, Nov. 29, 1847."
"DR. A. M. MAURICEAU: Had I known of the important matters treated of in 'The Married Woman's Private Medical Companion' some years ago how much misery I might have escaped! I have suffered years from causes which you point out in your book, without knowing their nature, and I have found my case treated of. I trust every individual will avail herself of the information contained in its pages."
Letters are daily received of this character, unnecessary to present.
To those yet unmarried, but contemplating marriage, or perhaps hesitating as to the propriety of incurring the responsibilities attendant upon it, the importance of being ignorant of the revelations contained in these pages, so intimately involving their future happiness, can not be appreciated.
It is, of course, impracticable to convey more fully the various subjects treated of, as they are of a nature strictly medical, and for which it is necessary, since it is every one's duty to become possessed of knowledge whereby the sufferings to which a wife, a mother, or a sister, may be subjected, can be obviated.
Copies will be sent by MAIL free of Postage to the Parties.
On the receipt of One Dollar, "THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION" is sent (entirely free) to any part of the United States. All letters paid post-paid (except those containing a remittance), and addressed to Dr. A. M. MAURICEAU, No. 129 Liberty St., New York City.
Over 20,000 Copies have been sent by MAIL within three months with perfect safety and certainty. For sale by HORACE W. SMITH.

MARRIAGE!
THE CAUSES AND THE REMEDY!
MANY and many a wife endures years of bodily suffering and of mental anguish, prostrate and helpless, embittering her life, that of her husband, and hazarding the future welfare of her children, arising from causes which, if known, would have spared the suffering, the anguish to the wife, and to the husband embarrasments and pecuniary difficulties having their origin in the mind being weighed down and harassed in consequence of the sickness of the companion of his bosom.
How important that the causes should be known to every wife, to every husband, that the dreadful and harrowing consequences to the health and happiness of both may be avoided! Life is too short and health too precious to admit any portion of the one to be spent without the full enjoyment of the other. The timely possession of a little work entitled as follows has been the means of saving the health and the life of thousands, as over
TWO HUNDRED THOUSAND copies have been sold since the first edition was issued.
The author has been induced to advertise it by the urgent and pressing request of those who have been indebted to its publication for all they hold dear (that all may have an opportunity of obtaining it), and who have favored him with thousands of letters of encomium, some of which are annexed to the advertisement.

SICKLY AND UNHAPPY WIVES.
Extract of a Letter from a Gentleman in Dayton, O. "DAYTON, May 1, 1847."
"DR. A. M. MAURICEAU—My Dear Sir: 'The Married Woman's Private Medical Companion,' for which I enclosed one dollar to your address, came safely to hand. I would not have troubled you with these few lines, had I not been so deeply indebted to you for the gratification, for myself and wife, to give utterance to our sincere and heartfelt emotions.
"My wife has been perceptibly sinking for some three years or more, in consequence of her great grief and sorrow, and she has been confined during confinement; every successive one more and more debilitated and prostrated her, putting her life in imminent danger, and which was on the last occasion, resigned of her. I was ignorant of the cause of her inevitable, and returned myself to meet the worst. At this time (now about two months) I heard your book highly spoken of as containing some matters reaching my case. On its receipt, and perusal, I had not expressed to you my grief, and my distressed mind, and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desormaux provided a remedy. It opened a prospect to me of relief, and I was glad to see that you had given consideration on how to repay the obligations I am under to you for having been the means of imparting to us the matters contained in 'The Married Woman's Private Medical Companion.' Her first cure was effected by your medicine, and she has since been able to gain a moderate competency, and that only, with the most staid economy, sufficient to support my family. Finally, this constant effort to gain a moderate competency, on my health: I felt the necessity of enduring its continuance, while I felt the necessity of perseverance.
This constant, unceasing struggle on my part was imperative in consequence of my prostrated condition of mind (with occasional intervals of health) for years, much of the time confined to bed, and of course incapable of taking the charge and management of household affairs.
