THE AMERICAN OIL.

THE celebrated American Oil has been in use long enough to test its powers. It is recommended as one of the best, if not the very best medicine for the cure of Rheumatism, Irysipelas, Tetter, Toothache, Cramps, Spasms, cholice, burns and scalds, bowel complaints, quincy, croup and sore throat, inflammation, &c. Read the following certificate.

HUNTINGDON, March 11, 1850. For the benefit of sufferers like me and others, I do freely declare the following facts—I have suffered more or less for twenty years with the most desperate Rheumatism, and also for 18 years at times with most desperate pain in the stomach, which at times seemed to expand as if it would burst; also for many years I was terribly troubled with cramps in my legs—indeed I can't describe all my sufferings for the last ten years, nor had I a single good night's sleep for the last five years. I never could find any relief worth mentioning, until last November, when I met with the Extract of American Oil, and to my no little surprise I got relieved of all in a short time and to this day. I respectfully invite all who choose to call and see me upon the matter: such I can tell much more. I can say I have done wonders on the matter, and in various cases. If ever an article was put out honestly, this is one. I know it sells readily here. No family in the land will be without it when they once know its use.

HUNTINGDON, March 11, 1850.

I do hereby certify to the following facts:—That I have suffered for five years past with pain in my back, spine and kidneys, but never received any relief but by bleeding for a few days only. Last November I got a bottle of the Extract of American Oil, I used it inwardly, and to my surprise it removed the complaint in a short time. From what I have seen and heard of its wondrous effects upon others in desperate cases, I can freely recommend it, and believe it to be worth all the humbugs in the land, and do believe it will do all for what it is so highly recommended.

LEWISTOWN, March 1850.

I never before gave a certificate, but this I give with a clear conscience for the benefit of sufferers like myself. I suffered with the Erysipelas or St. Anthony's Fire, mixed with Tetter, so pronounced by my doctor, for 12 years. The suffering I endured is beyond description. At times all my hair came off my head. During this time I had no relief for more than a few days at a time. Last October I got a bottle of the Extract of American Oil, used it inwardly and outwardly, and to my great astonishment and my neighbors, I got clear of it in a short time, and to this time I have noticed its wondrous effects on other desperate complaints. I do assure my friends and the public that it is indeed a wonderful thing for many complaints. I invite all who choose to visit me in Lewistown. My maiden name was Nancy Magary, now Mrs. WIDOW NANCY FISHER.

THE American Oil is for sale by S. HARRISON, Huntingdon, General Agent for Huntingdon county. Those who wish a supply of the medicine will call on him.

The crowds assembling at their store daily, are only equalled by the numbers nightly rushing (or seats at a Jenny Lind Concert!) We have better and cheaper Goods than can be found at any other establishment in the county. If you don't believe this assertion, "just drop in, you won't intrude," and verify it by examining qualities and prices. We will mention but a few. We have For the Ladies, (first in our esteem, and "first in the hearts of their countrymen.") Long Shawls, Thibet Shawls, Silks, French Merino, Alpaca, Bonnet Ribbon, Cashmere de Laines, Jenny Lind Cloths, Ladies' and Children's Muffs, &c., with every desirable article of DRESS GOODS.

Competence and Health.

"My Dear Sir: I know you will have the kindness to bear with me in mentioning some of the obligations we feel ourselves under to you in having made known certain matters, contained in your most invaluable 'Married Woman's Private Medical Companion.' It has done more for me than I can express to you the relief it afforded my distressed mind and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desormeaux, pronounced a remedy for the disease which I had contracted, was possible. No pecuniary consideration can ever repay the obligations I am under to you for having been the means of imparting to us the matters contained in 'The Married Woman's Private Medical Companion.' But for this, ere another year my wife would have been in her grave, and my children left motherless." Extract from a Letter.

DANGEROUS DELIVERIES, OBSTRUCTIONS, IRREGULARITIES, &c.

How many are suffering from obstruction or irregularities peculiar to the female system, which render their health the effects of which they are ignorant, and for which they are seeking medical advice! How many suffer from premature delivery (falling of the womb), or from flaccidities (weakness, debility, &c. &c.)! How many are in constant agony for many months, and who, if they could, would have difficult if not dangerous deliveries, and whose lives are jeopardized during such time, will find in its pages the means of prevention, amelioration, and relief!

To those just married,—"Had I known!"

"DR. A. M. MAURICEAU: Had I known of the important matters treated of in 'The Married Woman's Private Medical Companion' some years ago, how much misery I might have escaped! I have suffered years from causes which you point out in your book, without knowing what to do. I obtained a copy of your book, and it has done more for me than I can express to you the relief it afforded my distressed mind and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desormeaux, pronounced a remedy for the disease which I had contracted, was possible. LETTERS ARE DAILY RECEIVED OF THIS CHARACTER, UNNECESSARY TO PRESENT.

To those yet unmarried, but contemplating marriage, or perhaps hesitating as to the propriety of incurring the responsibilities attendant upon it, the importance of being possessed of the most correct and reliable information in these pages, so intimately involving their future happiness, can not be appreciated. It is of course, impracticable to convey more fully the various subjects treated of in this work, but we are strictly intended for the marriage, or contemplating marriage; neither is it necessary, since it is every one's duty to become possessed of knowledge whereby the sufferings to which a wife, a mother, or a sister, may be subjected, are avoided.

SICKLY AND UNHAPPY WIVES.

Extract of a Letter from a Gentleman in Dayton, O. "DAYTON, May 1, 1847. "DR. A. M. MAURICEAU—My Dear Sir: 'The Married Woman's Private Medical Companion,' for which I enclosed one dollar to your address, came safely to hand, and I have read it with interest and with these few lines, but that I am impelled by a sense of gratitude, for myself and wife, to give utterance to our sincere and heartfelt emotions. My wife has been prostrated for some three years or more, and during that time she has been debilitated and prostrated her, putting her life in imminent danger, and which was not until she was despaired of. I supposed that this state of things was inevitable, and resigned myself to meet the worst. At this time (now about two months) I heard your book highly spoken of as containing some matter reaching my wife's case, and I immediately purchased it, and it has done more for me than I can express to you the relief it afforded my distressed mind and the joy its pages imparted to my wife, on learning that the great discovery of M.
