THE AMERICAN OIL.

THE celebrated American Oil has been in use long enough to test its powers. It is recommended as one of the best, if not the very best medicine for the cure of Rheumatism, 175-sipelas, Tetter, Toothache, Cramps, Spasms, choile, burns and sealdy, bowel complaints, quincy, croup and sore throat, inflamation, &c. Read the following certificate:

Huntingony, March 11, 1850.

For the benefit of sufferers like me and others, I do freely declare the following facts:—lawe suffered more or less for twenty years with the most desperate Rheumatism, and also for 18 years at times with most desperate pain in the stomach, which at times seemed to expand se it it would burst; also for many years I was terribly troubled with cramps in my legs—indeed I can't describe all my sufferings for so long a time. I could do no business for the last free years. Inever could find any relief worth mentioning, until last November, when I met with the Extract of American Oil, and to my no little surprise I got relieved of all in a short time and to this day. I respectfully invite all who choose to call and see me upon the matter; such I can tell much more. I can say that done wonders on others around me in various complaints. I never before gave a certificate, but this I give with a clear conscience for the benefit of sufferers like myself. I suffered with the Erysipelas or St. Antony's Fire, mixed with Tetter, so pronounced by my doctor, for 12 years. The suffering I endured is beyond description. At times all my hair came off my head. During this time I had no relief for more than a few days at a time. Last October I got a bottle of the Extract of American Oil, used it inwardly and outwardly, and to my great astonishment and my neighbors, I got clear of it in a short and my neighbors, I got clear of it in a short and my neighbors, I got clear of it in a short and my neighbors in the public that it is indeed a wonderful thing for many complaints.
