THE AMERICAN OIL.

THE celebrated American Oil has been in use long enough to test its powers. It is recommended as one of the best, if not the very best medicine for the cure of Rheumatism, Irysipelas, Tetter, Toothache, Cramps, Spasms, cholie, burns and scalds, bowel complaints, quincy, croup and sofe throat, infamation, &c. Read the following certificate:

Hurstrooney, March 11, 1850.

For the benefit of sufferers like me and others, I do freely declare the following facts:—I have suffered more or less for twenty years with the most desperate Rheumatism, and also for 18 years at times with most desperate pain in the stomach, which at times seemed to expand as if it would burst; also for many years I was terriby troubled with cramps in my legs—indeed I can't describe all my sufferings for so long a time. I could do no business for the last ten years, nor had I a single good night's sleep for the last five years. I never could find any relief worth mentioning, until last November, when I met with the Extract of American Oil, and to my no little surprise I got relieved of all in a short time and to this day. I respectfully invite all who choose to call and see me upon the matter; such I can tell much more. I can say it has done wonders on others around me in various complaints. If ever an article was put out honestly, this is one. I know it sells rapidly here. No family in the land will be without it when they once know its use.

Hurstragons, March 11, 1850.

Huntingon, March 11, 1850.

I do hereby certify to the following facts:—
That I have suffered for five years past with pain in my back, spine and kidnies, and never received any relief but by bleeding, for a few days only. Last Novembe I got a bottle of the Extract of American Oil, I used it inwardly, and to my surprise it removed the complaint in a short time. From what I have seen and heard of its wondrous effects upon others in desperate cases, I can freely recommend it, and believe it to be worthall the humbugs in the land, and do believe it will do all for what it is so highly recommended.

C. Cours.

lieve it to be worthall the humbugs in the land, and do believe it will do all for what it is so highly recommended.

Lewistown, March 1850.

I never before gave a certificate, but this I give with a clear conscience for the benefit of suffered with the Erysipelas or St. Antony's Fire, mixed with Tetter, so pronounced by my doctor, for 12 years. The suffering I endured is beyond description. At times all my hair came off my head. During this time I had no relief for more than a few days at a time. Last October I got a bottle of the Extract of American Oil, used it inwardly and outwardly, and to my great astonishment and my neighbors, I got clear of it in a short time, and to this time I have noticed its wondrous effects on other desperate complaints. I do assure my friends and the public that it is indeed a wondeful thing for many complaints. I invite all who choose to visit me in Lewistown. My maiden name was Nancy Magarky, now Widow Naxov Vings.

A good part of the tract is improved bottom land of first rate quality, and is well worth the attention of persons wishing to purchase a good farm. MARRIAGE:

WHY SO OFTEN UNHAPPY.

THE CAUSES AND THE REMEDY!

THE CAUSES AND THE REMEDY!

MANY and many a wife endures years of bodily suffering and of mental anguish, prostrate and help-less, embittering her life, that of her husband, and hazarding the future welfare of her children, arising from causes which, if known, would have spared the suffering, the anguish to the wife, and to the hus-band embarrassments and pecuniary difficulties having their origin in the mind being weighed down and harassed in consequence of the sickness of the companion of his bosom.

How important that the causes should be known to every wife, to every husband, that the dreadful and harrowing consequences to the health and happiness of both may be avoided! Life is too short and health too precious to admit any portion of the one to be spent without the full enjoyment of the other. The timely possession of a little work entitled as follows has been the means of saving the health and the life of thousands, as over

I will state my situation when I obtained your book through the neers caronisty I look upon it as one of the most fortunate events of my life. I had been married some ten years, and was the father of seven children. I was long struggling unceasingly to the end that I might gain a moderate competency, but the results of my utmost exertions at the end left and that only, with the most sixted economy, sufficient was beginning to have its effect upon my health; I felt less capable to endure its continuance, while I fett the necessity of persoverance.

"This constant, unceasing struggle on my part was imperative, in consequence of the prostrated condition of my wife with occasional intermission for six course incapable of issking the charge and management of household affairs. Her condition arose from causes of which I was algonavat. Ohl what would I have given had I the six years to live over again! What would my wife have given to have been spared the long days and still longer nights prostrate on a bed of sickness!—all of which would have been saciled, ball I then seen a rooty of The Markies.
