### VALUABLE MEDICINES

From the Laboratory of the Celebrated Dr. J. S. ROSE, of Philada.

Dr. J. S. ROSE, of Philada.

DR. ROSE'S ALTERATIVE, For the radical cure of Scroula, Diseases of the Bone, stubborn Ulcers, Liver Complaints, old Eruptions, Rheumatism, and every Disease arising from an impure state of the blood. The great power of this valuable wheeling have followed being now fully established by the many cures it has effected of CONSUMPTION, BRONCHITIS, GLANDULAR and LIVER DISEASE, SCROPULA, HIP-JOINT affection, RHEUMATIC, SYPHILITIC, and all impurities of the blood, has sufficiently proven to the public its superior panaceal power above all nostrums now in use. Price \$1.

all nostrums now in use. Price \$1.

DR. ROSE'S DYSPEPTIC COMPOUND.

The Liver, being the largest gland in the human body, is more frequently deranged in its healthy action than any other. The consequences of this derangement are first Dyspepsia, known by costiveness belching up of wind, sour stomach, and sometimes Diarrhead or looseness of the bowels, head-ache, nervous feelings, cold feet, wakefalness, and variable appetite, &c. Secondly, if the above symptoms are allowed to go on long without this Medicine, (which will always cure or remove them,) then follows debility of the lungs and prelisposition to consmiption.

Dr. Rose has been called on by over THEEE TMOUSAND CASES within the last few years, and many of them had tried the various bitter compounds to their delusion; fortunately the most were in time and were soon cured by the above compound, which contains no mercury, and does not injure, but always improves the constitution, as thousands can testify. Price 50 cents.

DR. ROSE'S CARMINITIVE BALSAM.
This beautiful preparation has been used by
me in a full practice of thirty years in the city
of Philadelphia, and is a never-failing remdy for
cholera-morbus, dysentery, bowel complaint,
fatulency, &c. Price 25 cents.

DR. ROSE'S VEGITABLE VERMIFUGE.
This compound having been used by me in a full practice of twenty-six years, with the most beneficial results in cases of worms, has so well established its superiority above most other worm medicines that the demand has increased beyond all calculation. All medicines should be prepared by a physician and chemist. It is true that many articles are now sold as good for worms, but it should be remembered that many are too powerful for the constitution of young children. Price 25 cents.

DR. ROSE'S FAMILY OR SANITIVE PILLS.

These pills are confidently recommended for Dyspepsis, disease of the Liver, Costiveness, and for the constant use of families, as they are mild, and certain in their operation, causing no pain or unessiness, leaving the bowels perfectly free from costiveness. Price 25 cents.

DR. ROSE'S EXPECTORANT, OR COUGH SYRUP, a certain cure for all diseases of the lungs, spitting of blood, bronchitis, asthma, colds, coughs, and consumption. This-syrup has no equal. Fifty cents and \$1 per bottle.

DR. ROSE'S HAIR TONIC.
This invaluable compound for the hair has been used and highly recommended by the late and traly great Dr. Physic, of Philadelphia.—
Price 50 cents.

DR. ROSE'S CROUP OR HIVE SYRUP.
There has been many remedies compounded for the cure of Croup or Hives. The disease is particularly prevalent among children, and often fatal; but as I have never seen a case terminate fatally or continue long where this syrup was used, I can recommend it with the highest confidence. Price 25 cents. See directions.

The afflicted are invited to call upon the gent, and procure (gratis) one of the Doctor's amphiets giving a detailed account of each medy and its application.

These medicines are in high repute, and can relied upon as suiting the diseases for which new are recommended, as they are the result of a extensive practice for the last thirty years at the city of Philadelphia.

Birmingham Female Seminary.

The fifth semi-sanual term of this institution will commence on Wednesday, the 23rd of April, instant.

The liberal patronage which this school has heretofore received encourages the proprietors and friends of female education to expect, by proper effort, to make it both a permanent and important institution. And in hope of accomplishing this, vigorous efforts are making for the erection of a large and commodions building, which is expected to be ready for occupancy by the opening of the winter term.

For the present session a number of boarders can be accommodated in the family of the Principal and others will find good accommodation in private lamilies in the village at reasonable rates.

No nains will he snared to sustain the grow-

rates. No pains will be spared to sustain the growning reputation of this institution. And the Principal hopes, with the assistance of competent female teachers, to reader it in all respects worthy of patronage. For terms refer to REV. ISRAEL WARD, April, 3, '51.-3m.]

Lewisrows, March 1850.

I never before gave a certificate, but this I give with a clear conscience for the benefit of sufferers like myself. I suffered with the Erysipelas or St. Antony's Fire, mixed with Tet ter, so pronounced by my doctor, for 12 years. The suffering I endured is beyond description. At times all my hair came off my head. During this time I had no relief for more than a few days at a time. Last October I got a bottle of the Extract of American Oil, used it inwardly and outwardly, and to my great astonishment and my neighbors, I got clear-of it in a short time, and to this time I have noticed its wondrous effects on other desperate complaints. I do assure my friends and the public that it is indeed a wonderful thing for many complaints. I invite all whochoose to visit me in Lewistown. My maiden name was Nancy Magarky, now

Improvement in Daguerrectypeing!

VAN LOAN & CO, No. 118, Chesnut street, V Philadelphia, have, by recent discoveries in their ort, enabled themselves to take pictures at all times, with great certainty—as well in stormy as clear weather—which are justly pronounced by artists and sciettline me, until value, for depth of tone and softness of light and shade. By working themselves, they not only produce pictures which are GOOD AND CHEAP!! but by far the best and cheapest which can be produced at any other establishment. Their charge for pictures in handsome improved cases, range from ONE DOLLAR to three dollars, depending on the size of the picture, being scarcely one-half the prices charged at other establishments, for pictures of equal size—but of inferior quality. Their GALERIX OF Pon-TRAITS, consisting of some hundreds, embraces a collection of DIS TINGUISHED AMERICANS worthly the attention of visitors to their rooms, which are OPEN AT ALL TIMES.

The collection which they had deposited in the exhibition of the Franklin Institute, was constantly surrounded by dense crowds of admirers, who were loud in their praise of the artists' skill.

To guard against every possibility of mistake, they guarantee every picture to be of the best materials, and unless it is entirely satisfactory to the customer, NO CHARGE IS MADE.

Some them when the situe of the city call at their rooms, whether you wish a Daguerrectype or not. The admission is free, and you will be pleased with your visit. Don't forget the number, 118 Chesnut street, a few doors below Forth.
