THE AMERICAN OIL.

THE celebrated American Oil has been in use long enough to test its powers. It is recommended as one of the best, if not the very best medicine for the cure of Rheumatism, Irysiepleas, Tetter, Toothache, Cramps, Spasms, cholic, burns and scalds, bowel complaints, quincy, croup and sore throat, infamation, &c. Read the following certificate:

Hunnixonon, March 11, 1850.

For the benefit of sufferers like me and others, I do freely declare the following facts:—I have suffered more or less for twenty years with the most desperate Rheumatism, and also for 18 years at times with most desperate pain in the stomach, which at times seemed to expand as if it would burst, also for many years I was terriby troubled with cramps in my legs—indeed I can't describe all my sufferings for so long a time. I could do no business for the last ten years, nor had I a single good night's sleep for the last five years. I never could find any relief worth mentioning, until last November, when I met with the Extract of American Oil, and to my no little surprise I got relieved of all in a short time and to this day. I respectfully invite all who choose to call and see me upon the matter; such I can tell much more. I can say it has done wonders on others around me in various complaints. If ever an article was put out honestly, this is one. I know it sells rapidly here. No family in the land will be without twhen they once know its use.

Huntingdon, March 11, 1850.

Huntingon, March 11, 1850.

I do hereby certify to the following facts:—
That I have suffered for five years past with pain in my back, spine and kidnies, and never received any relief but by bleeding, for a few days only. Last November I got a bottle of the Extract of American Oil, I used it inwardly, and to my surprise it removed the complaint in a short time. From what I have seen and heard of its wondrous effects upon others in desperate cases, I can freely recommendit; and believe it to be worthall the humbugs in the land, and do believe it will do all for what it is so highly recommended.

C. Cours.

lieve it to be worthall the humbugs in the land, and do believe it will do all for what it is, so highly recommended.

Lewistown, March 1850.

I never before gave a certificate, but this I give with a clear conscience for the benefit of sufferers like myself. I suffered with the Erysipelas or St. Antony's Fire, mixed with Tetter, so pronounced by my doctor, for 12 years. The suffering I endured is beyond description. At times all my hair came off my head. During this time I had no relief for more than a few days at a time. Last October I got a bottle of the Extract of American Oil, used it inwardly and outwardly, and to my great astonishment and my neighbors, I got clear of it in a short time, and to this time I have noticed its wondrous effects on other desperate complaints. I do assure my friends and the public that it is indeed a wonderful thing for many complaints. I invite all whochoose to visit me in Lewistown. My maiden name was Nancy Magarky, now Widow Navov Virss.

their art, enabled themselves to take pictures at
all times, with great certainty—as well in stormy
