VALUABLE MEDICINES

From the Laboratory of the Celebrated
DR. J. S. ROSE, of Philada.

DR. ROSE'S ALTERNATIVE.

For the radical cure of Scrofula, Diseases of the Bone, stubborn Ulcers, Liver Complaints, old Eruptions, Rheumatism, and every Disease arising from an impure state of the blood.

The great power of this valuable Medicine being now fully established by the many cures it has effected of CONSUMPTION, BRONCHITIS, GLANDULAR and LIVER DISEASE, SCROFULA, RHEUMATISM, RHEUMATIC, SPHILITIC, and all impurities of the blood, has sufficiently proven to the public its superior panacea power above all nostrums now in use. Price \$1.

DR. ROSE'S DYSPYPTIC COMPOUND.

THE LIVER, being the largest gland in the human body, is more frequently deranged in its healthy action than any other. The consequences of this derangement are first Dyspepsia, known by costiveness belching up of wind, sour stomach, and sometimes Diarrhea or looseness of the bowels, head-ache, nervous feelings, cold feet, wakefulness, and variable appetite, &c. Secondly, if the above symptoms are allowed to go on long without this Medicine, (which will always cure or remove them,) then follows debility of the lungs and predisposition to consumption.

Dr. Rose has been called on by over THREE THOUSAND cases within the last few years, and many of them had tried the various bitter compounds to their delusion; fortunately the most were in time and were soon cured by the above compound, which contains no mercury, and does not injure, but always improves the constitution, as thousands can testify. Price 50 cents.

DR. ROSE'S CARMINATIVE BALSAM.

This beautiful preparation has been used by me in a full practice of thirty years in the city of Philadelphia, and is a never-failing remedy for cholera-morbus, dysentery, bowel complaint, flatulency, &c. Price 25 cents.

DR. ROSE'S VEGETABLE VERMIFUGE.

This compound having been used by me in a full practice of twenty-six years, with the most beneficial results in cases of worms, has so well established its superiority above most other worm medicines that the demand has increased beyond all calculation. All medicines should be prepared by a physician and chemist. It is true that many articles are now sold as good for worms, but it should be remembered that many are too powerful for the constitution of young children. Price 25 cents.

DR. ROSE'S FAMILY OR SANITIVE PILLS.

These pills are confidently recommended for Dyspepsia, disease of the Liver, Costiveness, and for the constant use of families, as they are mild, and certain in their operation, causing no pain or uneasiness, leaving the bowels perfectly free from costiveness. Price 25 cents.

DR. ROSE'S EXPECTORANT, OR COUGH SYRUP.

A certain cure for all diseases of the lungs, spitting of blood, bronchitis, asthma, colds, coughs, and consumption. This syrup has no equal. Fifty cents and \$1 per bottle.

DR. ROSE'S HAIR TONIC.

This invaluable compound for the hair has been used and highly recommended by the late and truly great Dr. Physic, of Philadelphia.—Price 50 cents.

DR. ROSE'S CROUP OR HIVE SYRUP.

There has been many remedies compounded for the cure of Croup or Hives. The disease is particularly prevalent among children, and often fatal; but as I have never seen a case terminate fatally or continue long where this syrup was used, I can recommend it with the highest confidence. Price 25 cents. See directions.

The afflicted are invited to call upon the Agent, and procure (gratis) one of the Doctor's pamphlets giving a detailed account of each remedy and its application.

These medicines are in high repute, and can be relied upon as sitting the diseases for which they are recommended, as they are the result of an extensive practice for the last thirty years in the city of Philadelphia.

None genuine without my written signature, J. S. ROSE, M. D.

For sale by T. READ & SON, Huntingdon.

DR. HOEFLAND'S CELEBRATED GERMAN BITTERS,
Prepared by
DR. C. M. JACKSON,
AT THE GERMAN MEDICINE STORE,
120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled—equalled—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are without equal, certain and pleasant.

READ AND BE CONVINCED.
From the "Boston Bee."
The editor said, Dec. 22nd
Dr. Hoefland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at one blow says he has obtained an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances, and without any loss of experience, and to the afflicted we advise their use.

"SCOTT'S WEEKLY," one of the best Literary papers published, said Aug. 25—
"DR. HOEFLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

MORE EVIDENCE.
The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, The editors say
"DR. HOEFLAND'S GERMAN BITTERS" "is a selection that we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recommend Dr. Hoefland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself.

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is that there is more of it used in the practice of the regular Physicians of Philadelphia, than in all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this Medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.

BEWARE OF COUNTERFEITS.
This medicine has attained that high character which is necessary for all medicines to obtain to induce counterfeiters to put forth spurious articles at the risk of the lives of those who are innocently deceived.

Look well to the marks of the genuine
They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, without which they are spurious.

THE AMERICAN OIL.

THE celebrated American Oil has been in use long enough to test its powers. It is recommended as one of the best, if not the very best medicine for the cure of Rheumatism, Irrisipelas, Tetter, Toothache, Cramps, Spasms, cholice, burns and scalds, bowel complaints, quincy, croup and sore throat, inflammation, &c. Read the following certificate.

HUNTINGDON, March 11, 1850.
For the benefit of sufferers like me and others, I do freely declare the following facts—I have suffered more or less for twenty years with the most desperate Rheumatism, and also for 18 years at times with most desperate pain in the stomach, which at times seemed to expand as if it would burst; also for many years I was terribly troubled with cramps in my legs—indeed I can't describe all my sufferings for so long a time. I could do no business for the last ten years, nor had I a single good night's sleep for the last five years. I never could find any relief without mentioning, until last November, when I met with the Extract of American Oil, and to my no little surprise I got relieved of all in a short time and to this day. I respectfully invite all who choose to call and see me upon the matter; such I can tell much more. I can say it has done wonders on others around me in various complaints. If ever an article was put out honestly, this is one. I know it sells rapidly here. No family in the land will be without it when they once know its use.
JOHN BURBAUGH.

BULL'S SARSAPARILLA.

It is put up in full quart bottles, and contains the strength of SIX TIMES as much pure Honduras Sarsaparilla as any similar preparation in America. Price one dollar per bottle, or six bottles for five dollars.

It has been a well established fact for years past, that Sarsaparilla, when pure, does not cure, but only true panacea for all diseases originating from an impure state of the blood, the use of mercury, intoxicating drinks, and habits of intemperance, &c. We holdly assert, that JOHN BULL'S

Fluid Extract of Sarsaparilla

is the only preparation before the public, that is prepared on strictly scientific principles, and of uniform strength. The Sarsaparilla is purchased without regard to price, and every pound, before being used, is subjected to the strictest chemical tests, and its genuineness ascertained before being used for medicinal purposes.

Bull's Sarsaparilla also contains the virtues of several other valuable medicinal roots, together forming the best compound, and producing the greatest curative effect in the known world. This Medicine, when used according to directions,

WILL CURE WITHOUT FAIL!

Sore Throat, Hoarseness, Tumors, Eruptions of the Skin, Erysipelas, Chronic Sore of the Throat, Tetter, Scald Head, Rheumatism, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Glands, Dyspepsia, Dropsy, Rheum, Diseases of the Kidneys, Loss of Appetite, Diseases arising from the use of Mercury, Itch of the Skin, and all other diseases tending to produce

CONSUMPTION,

Liver Complaint, Female Irregularities and Complaints of the Stomach, Nervous Headache, Spasms, Spasmodic Exposure or Impregnation in Life, Chronic Constitutional Diseases; and is a Spring and summer drink, and general tonic for the system, and is the most pleasant and superior to Blue Lick or Congress water, Salts, or Sedlitz Powders!

GOOD TESTIMONY.

The Louisville Courier thus speaks of Bull's Sarsaparilla: "We have been shown, by Mr. John Bull, proprietor of this excellent preparation, 'Bull's Fluid Extract of Sarsaparilla,' an original, genuine, and beautiful letter, addressed to him by the accomplished lady of one of the most eminent and distinguished Physicians in this country, in which he gives a detailed account of one of the most astonishing cures on record, performed alone by the use of 'Bull's Sarsaparilla.'"

"This most excellent and charming lady had long suffered from prostrated health, and chronic disease of the stomach and digestive organs, and derangement of the whole system, attended with distressing cutaneous eruptions, such as Erysipelas, and violent attacks of cramp. After exhausting all of her husband's skill, and applying to many celebrated medical gentlemen, both at home and abroad, and also using the various preparations of 'Purifying Sarsaparilla,' without the slightest relief, she was induced to use John Bull's Sarsaparilla.' And what was the happy result? She has now enjoyed for several months a most wonderful cure—the lady restored to perfect health, and to her usual mode of life."

Such a letter, as one we speak of, most afford Mr. Bull more real gratification, than could the possession of countless dollars. And whether he accumulates wealth or not by the sale of his true Sarsaparilla, being his author is glory and honor enough; and he can say to the world, without fear of contradiction, "I have in my poverty redeemed my kind suffering than did Stephen Girard or John Jacob Astor with their millions."

RHEUMATISM CURED!

Let all who are suffering under the agonizing tortures of Rheumatism read the following, and see what may be done for them, if they will use the infallible remedy:

UNIONTOWN, KY., May 12, 1848.
MR. JOHN BULL: Dear Sir—For the last three years, I have been afflicted with Rheumatism of the acetabulum. I was at times in the greatest agony of pain. I tried every medicine I could procure for the disease; but found no permanent relief. I was induced to use your Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health more than any medicine ever used. I can say that it is a permanent cure, and I recommend it as the best medicine in use for Rheumatism.

It is useless to produce further testimony in favor of this great remedy. It has only to be tried and proved, to convince the public of its superior efficacy.

Notice to Females.

John Bull's Sarsaparilla is one of the greatest female medicines now in existence. In those numerous cases in which the system is debilitated, the nerves are loosened, when the efforts of nature are weak and deficient, or are profuse and overwrought, when the face is pale and colorless, the strength is debilitated, the spirits are troubled and depressed, the health broken, mind shaken, and consequently the happiness destroyed—then Bull's Sarsaparilla is a sovereign remedy. It restores the system to its natural state, braces the whole system, removes permanently the natural causes, removes obstructions, checks excesses, creates healthy blood, restores the health and happiness. Women ladies generally to adopt the use of this Medicine, we would see less suffering, disease and unhappy mothers than now exist, health would take the place of disease, the rosy cheek would succeed the pallid face; we should have smiles instead of tears, and perhaps we should have children, and our husbands would be made miserable by continued suffering and affliction. At that critical period termed the "turn of life," which is often attended with such danger, Bull's Sarsaparilla is found to exert a most beneficial effect. All ladies approaching this crisis, should be apprised of this fact, and avail themselves of this valuable Medicine.

A BEAUTIFUL CLEAR SKIN.

How we all admire a clear, beautiful, white skin, and a rosy colored cheek. It often do we see persons, not possessing this "desideratum," desirably to be wished, resorting to cosmetics, lotions, washes, paints, and coloring materials to restore to them a semblance of what disease has deprived them of. It is a vain and fruitless endeavor, the skin, Bull's Sarsaparilla is the best cosmetic known. It beautifies the skin by removing every particle of morbid matter, and restores the skin to its natural state, making it healthy and vigorous, giving activity to every minute vessel, and changing the yellow and dark complexion to the rosy and healthy one. Ladies should be careful to use the genuine, and mixtures, and use Bull's Sarsaparilla, the only effectual remedy. "A word to the wise is sufficient," and a hint is enough for the ladies.

BETTER TESTIMONY.

THAT WAS EVER OFFERED IN FAVOR OF ANY MEDICINE.

MR. JOHN BULL: I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Rheumatism, Spasms, Cholice, Catarrhs, Cutaneous or Glandular Affections, having used it with entire success in numbers of the above cases.
Louisville, Dec. 28, 1847. JAS. M. MOORE, M. D.

From Dr. L. P. Yandell, Professor of Chemistry in Louisville Medical College.
I have looked over the list of ingredients composing JOHN BULL'S SARSAPARILLA, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use.
L. P. YANDELL, M. D.
Louisville, June 6, 1848.

From Dr. Pyles, Physician by appointment to the Louisville Marine Hospital.
LOUISVILLE, March 20, 1849.
I have examined the preparation of the prescription of JOHN BULL'S SARSAPARILLA, and believe the combination to be an excellent one, and well calculated to produce an alterative impression on the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use.

Improvement in Daguerreotyping!

VAN LOAN & CO., No. 118, Chesnut street, Philadelphia, have, by recent discoveries in their art, enabled themselves to take pictures at all times, with great certainty—as well in stormy as clear weather—which are justly pronounced by artists and scientific men, UNRIVALLED, for depth of tone and softness of light and shade. By working themselves, they not only produce pictures which are GOOD AND CHEAP! but by far the best and cheapest which can be produced at any other establishment. Their charges for pictures in handsome improved cases, range from ONE DOLLAR to three dollars, depending on the size of the picture, being scarcely one-half the prices charged at other establishments, for pictures of equal size—but of inferior quality. Their GALLERY OF PORTRAITS, consisting of some hundreds, embraces a collection of DISTINGUISHED AMERICANS worthy the attention of visitors to their rooms, which are OPEN AT ALL TIMES.

The collection which they had deposited in the exhibition of the Franklin Institute, was constantly surrounded by dense crowds of admirers, who were led in their praise of the artists' skill.

To guard against every possibility of mistake, they guarantee every picture to be of the best materials, and unless perfectly satisfactory to the customer, NO CHARGE IS MADE.

When visiting the city call at their rooms, whether you wish a Daguerreotype or not. The admission is free, and you will be pleased with your visit. Don't forget the number, 118 Chesnut street, a few doors below Fourth.
