There will be no paper issued from this office next week. We will issue an extra, containing the election returns, as soon as the result is known. Printers require a little rest sometimes as well as other slaves; particularly at the close of a political campaign, during which they have to labor so hard.

Our friend, Col. Gwin, has received a fresh supply of New Goods at his old stand. See advertisement in another column.

The enterprising firm of J. & W. Saxton are opening a very large stock of New Goods. Advertisement in another column of to-day's paper.

By reference to an advertisement in to-day's Journal it will be seen that Mr. Louis Snyder offers valuable town property for sale.

Our old and esteemed friend, Willoughby, has been getting another fresh supply of clothing; of course everybody and all their particular friends will give him a call.

In addition to the above, the following new advertisements will be found in our paper to-day.—Notice, by Henry Brewster; Strap Cows, by Henry Grafius; Notice to School Teachers, by John Watson; Card of J. Palmer, & Co.; Lost, by Samuel Friedly; Notice, by T. H. Cremer.

Ominous.

The spot at which Mr. Bigler's carriage broke down, between Carlisle & Hanover, is known as "Johnston's Hill."—Rather ominous, that!

"UP GUARDS! AND AT 'EM!"

In five days from this time the election will take place, and this is the last opportunity we will have to say a word to our friends upon the subject. The intervening time is short, but it is long enough to secure a Whig victory, if our friends will go right to work. In order to secure a full Whig vote, the following things are indispensable:

1st. A POLL LIST. It is one half the battle to know the exact strength which can be brought into the field.
2nd. ACTIVE MEN AT EACH POLL. The Locofocos are never deficient in this particular; nor are they over-scrupulous in the discharge of the duty which the position imposes. All that Whigs ask is FAIR PLAY.

3d. VOLUNTEERS WITH TEAMS to go out after delinquents. This is the most important duty of all. Challengers and ticket distributors cannot leave the polls. After 12 o'clock, there should be a DOZEN MEN at every poll ready to go after delinquent neighbors. A strict attention to this important duty will save the State beyond a peradventure. FELLOW WHIGS! give one day to your country.

4th. NO SCRATCHING. Every man whose name is on the ticket deserves the support of every Whig in the county. The defeat of one man will be claimed as a Locofoco triumph, and be heralded as such throughout the State. Vote the WHOLE TICKET.

5th. GO TO THE POLLS EARLY.—Whenever we have a great deal of work to do, and but little time to do it in, we begin early and work with vigor. The job to be begun and finished on the 14th of October is of vast magnitude and importance. Commence it with the sun and KEEP AT IT ALL DAY.

6th. BEWARE OF SPLIT TICKETS. Read your votes before you put them in the ballot-box. It is a trick of the Locofocos to smuggle in Locofoco votes under Whig captions.

7th. Finally, ALL PULL TOGETHER. If every Whig will do his duty, OUR WHOLE TICKET WILL BE ELECTED.

Beware of Packed Tickets.

We ask every voter in the county to examine and read his ticket before he puts it in the ballot box. It will be recollected that in 1845 Jacob Miller received every vote polled in Cromwell township except one, and that nearly all the whigs in the township claimed that one vote. He was then running for Register and Recorder. The same gentleman is now the Locofoco candidate for Treasurer, and we hope that no whig will vote for him under the impression that he is voting for the Whig candidate, John Marks. Let every whig in the county examine his ticket, and see that he is not imposed upon.

The Locofocos are distributing tickets for Associate Judges containing the names of Jonathan McWilliams and Thomas F. Stewart, which latter gentleman is one of the Locofoco candidates. It is expected by this guile to get the Whigs to lose sight of Henry Brewster, and run in the Locofoco in his stead. Whigs—remember that your ticket for Associate Judges contains the names of JONATHAN M'WILLIAMS and HENRY BREWSTER. Fair play and no gonging!

A MODEST THIEF.

There is a Locofoco tavern keeper in a little village about ten miles east of this place, who holds the situation of "mud boss" on the Canal. It is said that this fellow places the name of his hostler upon the check-roll, and, as regular as pay-day comes, draws the amount of 90 cents per day for the services of a man who never worked an hour on the canal, and to whom he pays the sum of five dollars per month. Tax-payers of Huntingdon county turn out on Tuesday next, and teach the men who squander your money upon such rascals that they cannot rob you with impunity.

SPURIOUS TICKETS!

Friends! Be on your guard against any and all deceptions of the kind. They are practised every year. They will be this. Tickets will be in circulation with some Whig name omitted, and that of a Locofoco substituted. Keep a sharp look-out for them, and see that no man is imposed upon by them.

The examination at Lancaster, of the persons charged with having been concerned in the Christiana murder, has resulted in sending eleven of the number to Philadelphia to stand their trial for treason against the United States. The remainder of those in custody were released.

"Young Men for Action?"

In a political campaign young men are always the most active, zealous and willing. In fact, the hard work of the campaign generally falls upon them; for in politics, as well as everything else, the cry is "whip Barney for he will pull." If we felt certain that every poll in the State would be attended all day by ten active, efficient young men, we would not give a farthing to be assured of twenty-five thousand majority for "Old Bill."—Young men of Old Huntingdon, go to the polls early and do not go home until you are satisfied, that every whig in your district has voted. Do this, and our majority will be seven hundred.

EXAMINE YOUR TICKETS

Whigs be on your guard on the election day. EXAMINE YOUR TICKETS before voting, and see that you have nothing but the WHOLE WHIG Ticket. We have heard of Whigs voting for Locofoco candidates before now without being aware of it. Every voter should examine his ticket before depositing it. In these days deception is sometimes practiced by those who profess to be friendly to the whole Ticket. Look out for "wolves in sheep's clothing."

LOOK OUT FOR THE GLOBE!

We have no doubt it will be filled with falsehoods, printed in large type, to deceive the people, for they know that we will not have an opportunity to contradict them before the election. Their party have already resorted to FORGERY, and Heaven only knows where men who are so base as to be guilty of that CRIME will stop. Be on your guard.

We tell the editor of the Globe that Mr. Campbell will not have 75 votes over Judge Taylor at this box, and will bet him a gill of big potatoes that he will not have half that number. Mark that. You can send the potatoes round when it is known that Bill Johnston is elected Governor.

A number of colored gentlemen were in town on Friday last to hear Gov. Johnston's speech.—Globe.

Well, 'spose that's true, Mr. Globe; for our devil says he heard some fellows following "hurrah for Bigler," as the procession passed through the streets, and even while Gov. Johnston was speaking. Of course no white man would be guilty of such conduct.

LOOK OUT FOR FRAUDS!!

The Locofocos are colonizing illegal voters on the public works, and in their desperation are trying to carry the Election by illegal voters. Whigs! prevent these Frauds, bring out the Whig vote and VICTORY will assuredly be ours.

Vote the Whole Ticket!

DO NOT STRIKE OFF A SINGLE NAME.—The men placed on your ticket have all been fairly nominated, and have a claim upon your support. Sacrifice for once the prejudices, the partialities that may govern you. Give up your own private wishes for the good of all, and VOTE THE WHOLE TICKET. The success of the principles of party imperiously requires this course.

Take Your Teams With You!

Every good Whig who has a team should take it with him to the polls. It would be a pity to lose a vote because no team could be found to send after it. After you have voted, be ready to labor in bringing out other voters. Do your part towards bringing delinquents and so securing a FULL vote, that you may go home certain to hear of a WHIG VICTORY.

STAY AT THE POLLS!

There are too many who think they have discharged their whole duty when they have deposited their vote. The result usually is that the hard work at the polls is thrown upon the shoulders of a few men. This is not right. After voting, every elector should ascertain whether his neighbor has voted, and if not, GO AFTER HIM. If every Whig who feels an interest in the result of the coming election would do what it is his duty to do, the result would be just what he would have it to be.

What's the Price of Grain?

When the Tariff of 1846 was enacted, the Locofocos promised the Farmers good prices for their grain. Those good prices have not come, and grain is lower at this moment than it has been for years before! The Locofocos still ask Farmers to support their men and their measures.

Importance of One Vote.

We cannot too frequently urge upon our Whig friends the importance of voting at the next election. In many instances, a single vote has decided important questions, and one vote may elect or defeat Gov. Johnston, and other candidates on the ticket. Whigs too often neglect the duty of voting, and suffer themselves to be beaten simply by staying at home. In view of the important issues involved in this contest, we hope every man who claims fellowship with the whig party, in Huntingdon county, will attend the election and poll his vote for the WHOLE WHIG TICKET. Remember that "a full vote is a whig victory."

A Full Whig Vote.

We hope our Whig friends in this county will adopt measures to secure a FULL VOTE in every election district. Let not a single Whig voter be overlooked—see that all are on the ground on the day of the election, and that every Whig vote is polled. Let nothing keep you at home.—Should it rain, turn out like TRUE MEN and brave the "peltings of the pitiless storm." The issues involved are of immense importance—the country calls upon every patriot to do his duty, and shame to him who falters! Let all go to work with cheerful hearts and a fixed determination to get out a FULL WHIG VOTE.

The Difference.

When we had Locofoco Governors, the whole cry was "money! money! Increase the debt and the taxes!" And they did run up the debt and pile one, two, and three mills State tax on the people. With a Whig Governor the cry is "Reduce the State debt and also reduce the taxes," and the State debt has been reduced, upwards of \$650,000 in two years and if JOHNSTON is re-elected in one year one-third of the present State tax will be removed also.—If BIGLER is elected, you bring in a horde of greedy cormorants who will have the present Sinking Fund Bill repealed if they can, in order to increase the plunder.—They would soon swallow up millions of the people's money, after three years starvation.

FIRE.

On Monday night of this week, the stable on the back part of the lot on the corner of Allegheny and Bath streets, in this borough, and formerly owned and occupied by Alex. Gwin, Esq., dec'd. caught fire and was totally consumed. No further injury done. The cause of the fire is not known.

The Irish at, and in the vicinity of Altoona, Blair County, were fighting amongst themselves for several days last week. The Sheriff and military were on the ground for two or three days. A large number of the brave boys were arrested and lodged in jail. These fellows should be taught that, although this is a land of liberty, they have not the liberty to violate our laws and endanger the lives and property of our citizens by such disgraceful conduct.

Accident to Col. Bigler.

An accident of a rather serious character happened to Col. Bigler, and some five or six others with him, on Friday morning last, whilst on the way from Carlisle to Hanover, a few miles beyond Petersburg. In descending a hill one of the lead horses attached to the vehicle kicked the pole to pieces, when the carriage became unmanageable and upset, but fortunately injuring none of the party seriously. The Colonel escaped with a slight bruise or two. One of the horses was much hurt, and the vehicle completely wrecked. Some other mode of conveyance was immediately provided, and the Colonel arrived at Hanover in good time. Copier.

A friend at our elbow wonders where Gov. JOHNSTON could have been when Mr. Bigler's carriage broke down, and suggests that the Locofocos hold him responsible for the accident, at any rate! The Locofocos seem to think our worthy Governor is gifted with miraculous power in creating or preventing riots, murders, and accidents—and if so, he certainly should have prevented these horses from "kicking the pole to pieces"—Gettysburg Star.

The New Castle Gazette of Sept. 25, says:

"Lawrence County CAN and WILL give thirteen hundred majority for William F. Johnston. Mark it!"

From the entire West we have cheering accounts. They will do much better than at the Governor's election in 1848. Who will lie on his oars, when Western Whigs are at work, determined to achieve a glorious Whig victory?

FORGERY!!!

BEWARE! BEWARE! BEWARE!!! We have in our hands a Locofoco FORGERY of the Proclamation, which the Governor was required by law to issue relative to the payment of the Public Debt. The forged document is printed in official form, and is likely to deceive at the first glance. Inspection of its contents, however, speedily shows that it is a base forgery, concocted and executed by men who are more fit for the cells of a Jail, than the society of honest men.

This forged Proclamation is dated, as the official Proclamation is, the fifth day of September, although it has been printed within the last ten days, and contains the following assertions: That Ritten increased the State Debt, \$15,029,047 19!—That Gov. Shunk paid \$511,656 29 of the Debt!! That Gov. Johnston paid only \$158,394 49!!! That Gov. Johnston in his term, approved an act borrowing \$4-480,000!!!! &c. No paper in the State has had the audacity to publish the infamously false statements which are contained in the above Proclamation.—Every one of these assertions is a bald, bold lie with which desperate and unscrupulous Locofocos on the eve of the Election seek to deceive the People.

BELIEVE NONE OF THEM. Locofoco leaders see defeat staring them in the face and they would make oath to falsehoods rather than loose their hold on the Public Treasury! Standfast! Come to the Poll in solid array! Vote the Whig ticket! and enter your disapproval of the policy of the Locofoco plundering, debt-creating, party of the State!! These men die hard. They clench the Public Funds with desperation, and will never stop their thieving until an indignant People drive them from their seats!—Daily American.

Hear! William Bigler is in Favor of making more Loans.

Our readers will remember that we charged William Bigler with publicly declaring in his speech at Towanda, Bradford County, on the 15th of August, that he was in favor of BORROWING MONEY to complete the North Branch Canal. THIS HAS NEVER BEEN DENIED!!! On the contrary, we have before us a Locofoco admission that William Bigler did declare he was in favor of making

A LOAN

to complete the Canal. The Bradford Reporter—a Bigler paper—of the 27th of September contains the following:

"Col. Bigler, in his speech at this place, as he has uniformly done, advocated the speedy completion of the North Branch as a matter of justice to the North and of sound policy to the Commonwealth. To effect this desirable object he was not willing to couple it with some shipplaster hobby, but was content it should stand upon its own merits. The money must be had to finish it, and the straightforward WAY WAS TO BORROW THE MEANS, and complete the Canal as soon as possible, trusting to it as a source of revenue to repay the amount loaned."

We don't object to the completion of the Canal. We do object to borrowing money for that purpose. Our debt is already over FORTY MILLIONS of dollars. Our taxes are already as heavy as our people are willing to bear. William Bigler has announced OPENLY IN A PUBLIC SPEECH, that he is in favor of making more debt, and of course, more Taxes. He dare not make that declaration in this section of the State. He never alludes to the question in his speeches here. But above we publish the admission of one of his party friends that Mr. Bigler did avow his willingness to INCREASE THE STATE DEBT to finish this Canal. Remember this, Tax-payers.

What the Locofocos think of it.

The last Locofoco State Address says that this election should "purge the department of State of those who now mismanage and misrepresent all our great interests."

Gov. Johnston has paid \$732,235 95! of the Public Debt, of which \$659,122 98 consist of the stocks of the Commonwealth, upon which the State paid an annual interest of five per cent! This the Locofocos call "mismanagement." Do you hear that, Tax payers! Locofocos denouncing payment of the State debt as "mismanagement!" Remember this!

MARYLAND ELECTION.—The late election in Maryland has resulted in the election of four Whigs and two Democrats to Congress, being a Whig gain of one member.

CALIFORNIA ALL RIGHT!

John Bigler Laid Out!! We clip the following item from the news brought by the steamship Prometheus, which arrived at New York on the 4th inst: If this be true, and we have no doubt it is, the Whigs of California have done nobly, and we welcome our young sister into the old Whig line of the Union.

The news from California does not possess much interest. The election seems to have absorbed everything else. The returns, as far as received, though in the main imperfect, from the counties of San Francisco, Sacramento, Yolo, Nevada, El Dorado, Solano, Marin, Tuolumne, San Joaquin, Calaveras, and Santa Clara, give Pearce B. Reading, (Whig,) a majority over John Bigler, (Dem.,) of about 1000, and the balance of the State ticket from 600 to 800. The counties of Mendocino, Napa, Klamath, Trinity, Shasta, Los Angeles, San Luis Obispo, Santa Barbara and Santa Cruz will give Reading at least 5000 majority. This puts his election beyond the possibility of a doubt; and the same vote will elect the most of the State ticket.

\$659,122 98!

The following certificate from the Secretary of State, Auditor General, and State Treasurer, will show conclusively what the Sinking Fund Act of 1849 will do if let alone;

Office of the Commissioners of the Sinking Fund.

HARRISBURG, Sept. 1, 1851.

To his Excellency Wm. F. Johnston,

Governor of Pennsylvania:

Sir—In compliance with the 4th section of the act, entitled "An Act to create a Sinking Fund and to provide for the gradual and certain extinguishment of the debt of the Commonwealth," approved the 10th day of April, 1849 the Commissioners of said fund hereby certify that the amount of the debt of the Commonwealth purchased since the passage of the act of Assembly referred to, and now held by them, is SIX HUNDRED AND FIFTY-NINE THOUSAND ONE HUNDRED AND TWENTY-TWO DOLLARS & NINETY-EIGHT CENTS, (\$659,122 98 consisting of 5 per cent. loans negotiated under various acts of Assembly.

Your obedient servants,

A. L. RUSSELL,

E. BANKS,

JNO. M. BICKEL,

Commissioners of the Sinking Fund.

When you hear Whigs prate about the economy of Gov. Johnston's administration, refer them to the fact that the expenses of the government have been increased for the last two years \$83,249 45.

Investigator.

Yes, the expenses have been increased by extravagant Locofoco legislatures; yet in spite of this Gov. Johnston has managed to pay off \$659,122 98 of the State debt. How much more he would have paid with a Whig Legislature to aid him, instead of a Locofoco Legislature to embarrass him, can hardly be reckoned.—Chambersburg Whig.

Every whig who will take horses and wagons to the election for the purpose of getting out the whig votes, shall be heralded in this paper, and we hereby pledge him our affections for life, and our working wishes in any thing he may undertake.

MARRIED.

On Thursday 2nd inst., by Rev. W. R. Mills, Mr. JOHN HARNER, to Miss NANCY KENNADAY all of this county.

On Thursday 2nd inst., by the Rev. David Williams, Mr. BENJAMIN ROBERTS and Miss MARY K. FLECK, all of Shirley township, this county.

DIED.

On the 21st, Sept. in the vicinity of this place, KETURAH M. daughter of Mordeca S. Barry, aged 1 year 8 months.
