VALUABLE MEDICINES

the Laboratory of the Celebrated Dr. J. S. ROSE, of Philada.

Dr. J. S. RUSE, of Philada.

R. ROSE'S ALTERATIVE, For the radical cure of Seroiula, Diseases of the Bone, stubborn Ulcers, Liver Complaints, old Eruptions, Rheumatism, and every Disease arising from an impure state of the blood. The great power of this valuable Medicine being now fully established by the many cures it has effected of CONSUMPTION, ERON-CHITIS, GLANDULAR and LIVER DISEASE, SCROFULA, HIP-JOINT affection, RHEUMATIC, SYPHILITIC, and all impurities of the blood, has sufficiently proven to the public its superior pranaceal power above all nostrums now in use. Price \$1.

ROSE'S DYSPEPTIC COMPOUND. DR. ROSE'S DYSPEPTIC COMPOUND.

The Liver, being the largest gland in the human body, is more frequently deranged in its healthy action than any other. The consequences of this derangement are first Dyspepsia, known by costiveness belching up of wind, sour stomach, and sometimes Diarrhea or looseness of the bowels, head-ache, nervous feelings, cold feet, wakefulness, and variable appetite, &c. Secondly, if the above sympoms are allowed to go on long without this Medicine, (which will always cure or remove them,) then follows debility of the lungs and predisposition to consumption.

Dr. Rose has been called on by over three travous and many of them had tried the various bitter compounds to their delusion; fortunately the most were in time and were soon cured by the above compound, which contains no mercury, and does not injure, but always improves the constitution, as thousands can testify. Price 50 cents.

DR. ROSE'S CARMINITIVE BALSAM.

This beautiful preparation has been used by me in a full practice of thirty years in the city of Philadelphia, and is a never-failing remdy for cholera-morbus, dysentery, bowel complaint, flatulency, &c. Price 25 cents.

DR. ROSE'S VEGITABLE VERMIFUGE. This compound having been used by me in a full practice of twenty-six years, with the most beneficial results in cases of worms, has so well established its superiority above most other worm medicines that the demand has increased beyond all calculation. All medicines should be prepared by a physician and chemist. It is true that many articles are now sold as good for worms, but it should be remembered that many articles are now sold as good for worms, but it should be remembered that many are too powerful for the constitution of young children. Price 25 cents.

DR. ROSE'S FAMILY OR SANITIVE
PILLS.
These pills are confidently recommended for
Dyspepsia, disease of the Liver, Costiveness,
and for the constant use of families, as they are
mild, and certain in their operation, causing no
pain or unessiness, leaving the bowels perfectly free from costiveness. Price 25 cents.

DR. ROSE'S EXPECTORANT, OR COUGH SYRUP, a certain cure for all diseases of the lungs, spitting of blood, bronchitis, asthma, colds, coughs, and consumption. This syrup has no equal. Fifty cents and \$1 per bottle.

DR. ROSE'S HAFR TONIC.
This invaluable compound for the hair has been used and highly recommended by the late and truly great Dr. Physic, of Philadelphia.—
Price 50 cents.

DR. ROSE'S CROUP OR HIVE SYRUP. DR. RUSE'S CROOP OR HIVE STRUP.
There has been many remedies compounded for the cure of Croup or Hives. The disease its particularly prevalent among children, and often fatal; but as I have never seen a case terminate fatally or continue long where this syrup was used, I can recommend it with the highest confidence. Price 25 cents. See di-

highest commencer rections.

The afflicted are invited to call upon the Agent, and procure (gratis) one of the Doctor's pamphiets giving a detailed account of each remedy and its application.

These medicines are in high repute, and can be relied upon as suiting the diseases for which they are recommended, as they are the result of an extensive practice for the last thirty years in the city of Philadelphia.

We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in tast and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"Scott's Weekly," one of the best Literary papers published, said Aug. 25—
"Dr. HOOPLAND'S GERMAS BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Fersons of debilitated constitutions will find those Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself.

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be esablished; and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this Medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to caloured in all bilions discasses—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.
