**ANOTHER SCIENTIFIC WONDER!** Great CURE FOR DYSPEPSIA! Dr. J. S. Houghton's

## PEPSIN.

The True DIGESTIVE FLUID, or GASTRIC JUICE. Prepared from Rennet, or the fourth stomach of the ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa. This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, *Five Pounds of Roast Beef in about ten hours*, out of the stomach. Pepsin is the chief element, or Great Digesting Principle of the Gastric Juice—the *Solvent of the Food*, the *Paralyzing, Preserving, and Stimulating Agent of the Stomach and Intestines*. It is extracted from the Digestive Stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its chemical powers, and furnishing a Complete and Perfect Substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of recovery. The Scientific Evidence upon which it is based, is in the highest degree Curious and Remarkable!

**SCIENTIFIC EVIDENCE!**  
BARON LIEBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the meat and eggs, will be softened, changed, or digested, just in the same manner as they would be in the human stomach."  
Dr. COMBE, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia," and he states that "a dietetic professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful."  
Dr. GRAHAM, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

Call on the Agent, and get a Descriptive Circular, gratis, giving a full and complete Scientific Evidence, similar to the above, together with Reports of Remarkable Cures, from all parts of the United States.  
AS A DYSPEPSIA CURIER,  
Dr. HOUGHTON'S PEPSIN has produced the most marvelous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York and Boston alone. These were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to Bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles the *Widow with Intemperance*.  
**OLD STOMACH COMPLAINTS.**  
There is no form of Old Stomach Complaint which it does not seem to reach and remove at once. No matter how bad they may be, it gives Instant Relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purify of Blood and Vigor of Body follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency to Insanity, Suicide, &c.  
Dr. Houghton's Pepsin, is sold by nearly all the dealers in fine drugs and Popular Medicines,

throughout the United States. It is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.  
Private Circulars for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a Secret Remedy, no objections can be raised against its use by Physicians in respectable standing and regular practice. Price, ONE DOLLAR per bottle.  
OBSERVE THIS!—Every bottle of the genuine Pepsin bears the written signature of J. S. Houghton, M. D., Philadelphia, Pa. Copy-right and Trade Mark secured.  
Sold by all Druggists and Dealers in Medicines.  
Also for sale by Thomas Reed & Son, Huntingdon, Pa.; John Lutz, Shirelyburg, Pa.; Thomas E. Orblison, Orbisonia, Pa.; J. & J. Kelly, Burnt Cabins, Pa [Nov. 13, 1851.—1y.

## Birmingham Female Seminary.

The summer term of this budding institution closed on the 23d ult., with a public examination of the classes, which elicited good attention from a respectable audience.  
The promptness of the part of scholars, in answering, was indicative of an acquaintance with their respective studies, to be gained only by a commendable degree of application on the part of both teacher and scholars.  
The essays written by the ladies and read at intervals throughout the day and evening, were indeed spicy and highly creditable, manifesting more than ordinary care in their preparation.  
All the prospects of this institution seem to brighten, and though there has been some unavoidable delay in completing the seminary building now under way yet (Providence favoring) it will be finished early, and there is already sufficient ground to expect, when it is completed, a large accession to the number in attendance, which has already been beyond expectation.  
Those desirous of availing themselves of the advantages of this school, need not hesitate to come in, as arrangements will be made for the accommodation of all until the new building is ready to occupy.  
Pains or expense will not be spared in securing the aid of a sufficient number of competent female teachers, as the school enlarges.  
The winter term will commence Tuesday Oct. 28th and it is desirable that all should be in at the opening of the session.
