VALUABLE MEDICINES

From the Laboratory of the Celebrated Dr. J. S. ROSE, of Philada.

Dr. J. S. ROSE, of Philada.

Dr. ROSE'S ALTERATIVE, For the radical cute of Scrofula, Diseases of the Bone, stubborn Ulcers, Liver Complaints, old Eruptions, Rheumatism, and every Disease arising from an impure state of the blood.

The great power of this valuable Medicine being now fully established by the many cures it has effected of CONSUMPTION, BRONCHITIS, GLANDULAR and LIVER DISEASE, SCROFULA, HIP-JOINT affection, RHEUMATIC, SyPHILITIC, and all impurities of the blood, has sufficiently proven to the public its superior panaceal power above all nostrums now in use. Price \$1.

DR. ROSE'S DYSPEPTIC COMPOUND.

Tax Liver, being the largest gland in the human body, is more frequently deranged in its healthy action than any other. The consequences of this derangement are first Dyspepsia, known by costiveness belching up of wind, sour stomach, and sometimes Diarrhoea or looseness of the bowels, head-ache, nervous feelings, cold feet, wakefulness, and variable appetite, &c. Secondly, if the above sympoms are allowed to go on long without this Medicine, (which will always cure or remove them,) their follows debility of the lungs and preclaposition to consmiption.

Dr. Rose has been called on by over THEST THOUSAND CASES within the last few years, and many of them had tried the various bitter compounds to their delusion; fortunately the most were in time and were soon cured by the above compound, which contains no mercury, and does not injure, but always improves the constitution, as thousands can testify. Price 50 cents.

DR. ROSE'S CARMINITIVE BALSAM.
This beautiful preparation has been used by
me in a full practice of thirty years in the city
of Philadelphia, and is a never-failing reundy for
cholera-morbus, dysentery, bowel complaint,
flatulency, &c. Price 25 cents.

DR. ROSE'S VEGITABLE VERMIFUGE.
This compound having been used by me in a fall practice of twenty-six years, with the most beneficial results in cases of worms, has so well established its superiority above most other worm medicines that the demand has increased beyond all calculation. All medicines should be prepared by a physician and chemist. It is true that many articles are now sold as good for worms, but it should be remembered that many articles on powerful for the constitution of many are too powerful for the constitution of young children. Price 25 cents.

DR. ROSE'S FAMILY OR SANITIVE PILLS.

PILLS.

These pills are confidently recommended for Dyspepsia, disease of the Liver, Costiveness, and for the constant use of families, as they are mild, and certain in their operation, causing no pain or unessiness, leaving the bowels perfectly free from costiveness. Price 25 cents.

DR. ROSE'S EXPECTORANT, OR COUGH SYRUP, a certain cure for ill diseases of the lungs, spitting of blood, bronchitis, asthma, celds, ceughs, and consumption. This syrup

DR. ROSE'S HAIR TONIC.

This invaluable compound for the hair has been used and highly recommended by the late and truly great Dr. Physic, of Philadelphia.—

Price 50 cents.

DR. ROSE'S CROUP OR HIVE SYRUP. There has been many remedies compounded for the cure of Croup or Haves. The disease is particularly prevalent among children, and often fatal; but as 1 have never seen a case terminate fatally or continue long where this syrup was used, I can recommend it with the highest confidence. Price 25 cents. See directions.

The afflicted are invited to call upon the gent, and procure (gratis) one of the Doctor's samphlets giving a detailed account of each remedy and its application.

These medicines are in high repute, and can be relied upon as suiting the diseases for which hey are recommended, as they are the result of mextensive practice for the last thirty years at the city of Philadelphia.

The editor said, Dec. 22nd

Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our ebow says he had himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of this remedy. We are convinced that, in the use of the fact worthy of great consideration. They are pleasant in tast and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"Dn. HOOPLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mother to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon week systems."

"It is seldom that we recommend what are termed Patent Medicines, to the cofidence and patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself.
