CORNER OF FOURTH AND RACE
CORNERS. Poblishers of the Model Architect, by SAMUEL SLOAN, Architect, to be complete in 24 monthly parts.

The above work is designed to meet the wishes not only of those directly interested in buildings, but of all who desire the advancement of this noble art in our country, and wish to cultivate their tastes and acquaintance with architecture. The handsome manner in which it is prepared and embellished, renders it a tasteful ornament for the drawing-room, while its accurate delineation give it the highest practical value.
