DR. ROSE'S DYSPEPTIC COMPOUND. DR. ROSE'S DYSPEPTIC COMPOUND.

The Liver, being the largest gland in the human body, is more frequently deranged in its healthy action than any other. The consequences of this derangement are first Dyspepsia, known by costiveness belching up of wind, sour stomach, and sometimes Diarrhoza or looseness of the bowels, head-ache, nervous feelings, cold feet, wakefulness, and variable appetite, &c. Secondly, if the above symptoms are allowed to go on long without this Medicine, (which will always cure or remove them), then follows debuilty of the lungs and predisposition to consumption.

Dr. Rose has been called on by over THREA THOUSAND CASES within the last few years, and many of them had tried the various bitter compounds to their delusion; fortunately the most were in time and were soon cured by the above compound, which contains no mercury, and does not injure, but always improves the constitution, as thousands can testify. The editor said, Dec. 22nd

Dr. Hoofand's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thonsands, and a friend at our elbow says he had himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of this remedy. We are convinced that, in the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in tast and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"Scott's Weekelty," one of the best Literary papers published, said Aug. 25—
"Dr. HOOFLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

The "Chiladelphia Saturday Gazette." the best family newspaper published in the United States, The editor says of DR. HOOFLAND'S GERMAN BITTERS
"It is seldom that we recommend what are termed Patent Medicines, to the cofidence and patronage of our readers, and therefore when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a price priod and then forgotten after they

It is a great Nervous Antidote, and particularly useful for tendency to Bilious disorder, Liver Complaint, Fever and Agne, or badly treated Fever and the evil effects of Quinne, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirls. It almost reconciles Health with Intemperance.

There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it Gives Instant Relief? A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purity of Blood and Vigor of Body follows at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirts, Despondency to Insanity, Suicide, &c.
