Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.
These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal, safe, certain and pleasant.

The editor said, Dec. 22nd
Dr. Hooftand's Celebrated German Bitters for the cure of Livet Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he had himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in tast and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"Scott"S WEEKLY." one of the best Literary papers published, said Aug. 25—
"Dr. HOOFLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the inculty as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be esablished, and fully proving that a scientific preparation will meet with their quifet approval the properties of the respective of th

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

PEPSIN is the chief element, or Great Digesting Principle of the Gastrie Juice—the Soleent othe Food, the Purifying, Preserving, and Stimulafing Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an Artificial Digestive Eluid, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a Complete and Perfect Substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of Deblity, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of thegrave. The Scientific Evidence upon which it is based, is in the highest degree Carlous and Remarkable.

SCIENTFIC EVIDENCE!

BARON LEIBIG in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

same mayner as they would be in the human stomach."

Dr. COMBE, in his valuable writings on the "Physiology of Digestion," observes that "a dimikution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a ditinguished professer of medicine in London, who was severity afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completly successful."

Dr. GRAHAM, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the tromachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

AS A DYSPEPSIA CURER,
R. HOUGHTON'S PEPSIN has produced the
most marvelous effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic
Consumption. It is impossible to give the details
of cases in the limits of this advertisement; but
authenticated certificates have been given of more
than Two Hundred Remarkable Cures, in Philadelphia, New York and Boston alone. These
were nearly all desperate cases, and the cures
were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly. deepina, New York and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to Bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and the evil effects of Quinine, Mercury, and other drugs upon the Digastive Organs, after a flong sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles Health with Intemperance.

OLD STOMACH COMPLAINTS,
There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it Gives Instant Relief? A single does removes all the unpleasant symptoms, and it only needs to be repeated for a short time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirts, Despondency to Insanity, Suicide, &c.

Dr. Houghton's Pepsin, is sold by nearly all the dealers in fine drugs and Popular Medicines, broughout the United States. It is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.

Private Circulars for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a Secret Remedy, no objections can be raised against its use by Physicians in respectable standing and regular practice. Price, ONE DOLLAR per bottle.
