Birmingham Female Seminary.

The liberal patronage which this School has received in the past, encourages the proprietor and friends of female education, to expect by proper exertions to make it both a prominent and important institution; and no pains will be spared to sustain its growing reputation.

Among other considerations which inspire hope as to its future success, the location is not unimportant. Three years actual experiment has developed a more philosophical, if not a truer reason for the existence of Birmingham than many which have been advanced—viz: it is the situation for a Female Seminary, surrounded as it is by most romantic scenery—retired—healthful—easy of access and in itself a place where one might almost grow wise in the study of Nature alone un-mocked by the works of Art.

The school year is divided into two Sessions of twenty-two weeks each; the summer term commencing the last Tuesday in April, the winter term the last Tuesday in October.

Charges to date from time of entering, and no deductions made for absence except in case of sickness. Tuition \$4.00 and \$5.00 per quarter—boarding \$1.50 per week. Music, Latin, French, Drawing, &c., extra. Rev. ISRAEL W. WARD, A. M., Principal. Rev. THOMAS WARD, A. M., Associate. Jan. 15, 1852.
