

Judge Barton, formerly of Philadelphia, mysteriously disappeared from San Francisco on Christmas night, in a fit of temporary insanity, and has not been heard of since. He was a man of fine talent; but the sparkling wine-cup has no doubt sent him to an early grave!

3 DR. HOOPER'S GERMAN BITTERS.—This celebrated medicine is one of the very best in the country, and its good qualities only need to be known, to give it precedence over all others now in use. We have seen its good effects lately, after the total failure of many others. This is saying more than we can for any other medicine within our knowledge, and we felt it a duty to recommend the Bitters to the notice of our friends. The genuine is prepared by Dr. C. M. Jackson, Phila.

**Birmingham Female Seminary.**  
The liberal patronage which this School has received in the past, encourages the proprietor and friends of female education, to expect by proper exertion to make this a permanent and important Institution; and no pains will be spared to sustain its growing reputation.

Among other considerations which inspire hope as to its future success, the location is not unimportant. Three years actual experiment has developed a more philosophical, if not a truer reason for the existence of Birmingham than many other cities have been assigned; and it is the situation for a Female Seminary, surrounded as it is by most romantic scenery—retired—healthy—easy of access and in itself a place where one might almost grow wise in the study of Nature alone un-mocked by the works of Art.

The school year is divided into two Sessions of twenty-two weeks each; the summer term commencing on Tuesday last, the winter term the last Tuesday in October.

Charges to date from time of entering, and no deductions made for absence except in case of sickness.

Tuition \$4.00 and \$5.00 per quarter—Boarding, \$1.50 per week. Music, Latin, French, Drawing, &c., extra.
