JAUNDICE, DYSPEPSIA, CHRONIC OR NERVOUS DEBILITY, DISEASES OF THE KIDNEYS,

AND ALL diseases arising from a disordered Liver or Stomach, such as Constipation, Inward Piles, Flatulency or Blood to the Head, Acidity of the Stomach, Nausea, Heart-burn, Disgust for Food, Fullness or swelling in the Chest, Sour Eructations, Sinking or Fluttering at the pit of the Stomach, Swimming of the Head, Headache and difficult breathing, Fluttering at the Heart, Choking or Suffocating sensations when in a lying posture, Dimness of Vision, Dots or webs before the Sight, Fever and dull pain in the Head, Deficiency of perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great depression of Spirits, can be effectually cured by

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,

Prepared by DR. C. M. JACKSON, AT THE GERMAN MEDICINE STORE, 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are without safe, certain and pleasant.

READ AND BE CONVINCED. From the "Boston Bee." The editor said, Dec. 22nd Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is the best of the most popular medicines of the day.

DR. HOOFLAND'S GERMAN BITTERS. "It is seldom that we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself.

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than of all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

BEWARE OF COUNTERFEITS. This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeiters to put forth spurious articles at the price of the lives of those who are innocently deceived.

Look well to the marks of the genuine. They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, without which they are spurious.
