VALUABLE MEDICINES

From the Laboratory of the Celebrated Dr. J. S. ROSE, of Philada.

DR. ROSE'S ALTERNATIVE, For the radical cure of Scrofula, Diseases of the Bone, Stomach Ulcers, Liver Complaints, old Eruptions, Rheumatism, and every Disease arising from an impure state of the blood.

The great power of this valuable Medicine being now fully established by the many cures it has effected of **CONSUMPTION, BRONCHITIS, GLANDULAR and LIVER DISEASE, SCROFULA, HIP-JOINT affection, RHEUMATIC, SYPHILITIC**, and all impurities of the blood, has sufficiently proven to the public its superior and powerful above all nostrums now in use. Price \$1.

DR. ROSE'S DYSPETIC COMPOUND.
THE LIVER, being the largest gland in the human body, is more frequently deranged in its healthy action than any other. The consequences of this derangement are first Dyspepsia, known by costiveness belching up of wind, sour stomach, and sometimes Diarrhoea or looseness of the bowels, head-ache, nervous feelings, cold feet, wakefulness, and variable appetite, &c. Secondly, if the above symptoms are allowed to go on long without this Medicine, (which will always cure or remove them,) it follows the debility of the lungs and predisposition to consumption.

Dr. Rose has been called on by over THREE THOUSAND CASES within the last few years, and many of them had tried the various bitter compounds to their delusion; fortunately the most were in time and were soon cured by the above compound, which contains no mercury, and does not injure, but always improves the constitution, as thousands can testify. Price 50 cents.

DR. ROSE'S CARMINATIVE BALSAM.
This beautiful preparation has been used by me in a full practice of thirty years in the city of Philadelphia, and is a never-failing remedy for cholera-morbus, dysentery, bowel complaint, flatulency, &c. Price 25 cents.

DR. ROSE'S VEGETABLE VERMIFUGE.
This compound having been used by me in a full practice of twenty-six years, with the most beneficial results in cases of worms, has so well established its superiority above most other worm medicines that the demand has increased beyond all calculation. All medicines should be prepared by a physician and chemist. It is true that many articles are now sold as good for worms, but it should be remembered that many are too powerful for the constitution of young children. Price 25 cents.

DR. ROSE'S FAMILY OR SANITATIVE PILL.
These pills are confidently recommended for Dyspepsia, disease of the Liver, Costiveness, &c. for the constant use of families, as they are mild, and certain in their operation, causing no pain or uneasiness, leaving the bowels perfectly free from costiveness. Price 25 cents.

DR. ROSE'S EXPECTORANT, OR COUGH SYRUP, a certain cure for all diseases of the lungs, spitting of blood, bronchitis, asthma, colds, coughs, and consumption. This syrup has no equal. Fifty cents and \$1 per bottle.

DR. ROSE'S HAIR TONIC.
This invaluable compound for the hair has been used and highly recommended by the late and truly great Dr. Physic, of Philadelphia.—Price 50 cents.

DR. ROSE'S CROUP OR HIVE SYRUP.
There has been many remedies compounded for the cure of Croup or Hives. The disease is particularly prevalent among children, and often fatal; but as I have never seen a case terminate fatally or continue long where this syrup was used, I can recommend it with the highest confidence. Price 25 cents. See directions.

The afflicted are invited to call upon the Agent, and procure (gratis) one of the Doctor's pamphlets giving a detailed account of each remedy and its application.

These medicines are in high repute, and can be relied upon as suiting the diseases for which they are recommended, as they are the result of an extensive practice for the last thirty years in the city of Philadelphia.

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS,
Prepared by
DR. C. M. JACKSON,
AT THE GERMAN MEDICINE STORE,
120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of the Liver and lesser glands, exercising their most searching powers in weakness and affections of the digestive organs, they are, without safe, certain and pleasant.

READ AND BE CONVINCED.
From the "Boston Bee."

The editor said, Dec. 22nd
"Dr. Hoofland's Celebrated German Bitters for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend of our elbow says he had himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly receives a strength and vigor—a fact worthy of great consideration. They are pleasant in taste, and small, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use."

"SCOTT'S WEEKLY," one of the best Literary papers published, said Aug. 25—
"Dr. HOOFLAND'S GERMAN BITTERS, manufactured by C. M. JACKSON, are now recommended by some of the most prominent members of the faculty as an article of much efficiency in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to their health, as we know from experience the salutary effect they have upon weak systems."

The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, says
"DR. HOOFLAND'S GERMAN BITTERS
"It is seldom that we recommend what are termed Patent Medicines, to the confidence and patronage of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this Medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It is specifically used upon the stomach and liver; it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.

BEWARE OF COUNTERFEITS.
This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeits to put forth spurious articles at the risk of the lives of those who are innocently deceived.

Look well to the marks of the genuine
They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, without which they are spurious.
