

BALTIMORE LOCK HOSPITAL.

WHERE may be obtained the most speedy remedy for SECRET DISEASES.—Gleets, Strictures, Seminal Weakness, Pain in the Loins, Affections of the Kidneys, and all those Peculiar Affections arising from a SECRET HABIT, particularly the youth of both sexes, which if not cured, produces Constitutional Debility, rendering Marriage impossible, and in the end destroys both Mind and Body.

YOUNG MEN Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entered listless Senates with the thunders of eloquence, or walked to ecstasy the living lyre, may call with full confidence.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

DR. JOHNSTON, Office No. 7 SOUTH FREDERICK STREET, SEVEN DOORS FROM BALTIMORE STREET, East side UP THE STEPS. BE PARTICULAR in observing the NAME and NUMBER, or you will mistake the place.

A CURE WARRANTED, OR NO CHARGE MADE, IN FROM ONE TO TWO DAYS.

Take Notice.—Dr. Johnston's Office is in his dwelling, UP THE STEPS. His very extensive practice is a sufficient guarantee that he is the only proper Physician to apply to.

DR. JOHNSTON, Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States; and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE.—It is a melancholy fact that thousands fall victims to this horrid disease owing to the Unskillfulness of ignorant pretenders, who by the use of that deadly poison Mercury, ruin the Constitution, causing the most serious symptoms of this dreadful disease to make their appearance, such as affections of the head, throat, nose, skin, &c., progressing with frightful rapidity till death puts a period to their dreadful suffering, by sending them to that Bourne whence no traveler returns.

TAKE PARTICULAR NOTICE.—Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature and indulging in a certain secret habit.—Such persons before contemplating.

MARRIAGE, should regard that a sound mind and a body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.

CONSTITUTIONAL DEBILITY.—Dr. J. addresses young men, and all who have injured themselves by private and improper indulgence.

IMPUSSANCE.—These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dropsy in, Nervous Irritability, Derangements of the Digestive Functions, General Debility Symptoms of Consumption, &c.

Mentally.—The fearful effects on the mind are much to be dreaded; Loss of Memory, Confusion of ideas, Depression of Spirit, Evil Forbodings, Aversion to Society, Self Distrust, Love of Solitude, &c. are some of the evils produced.

Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, I give a singular appearance about the eyes, cough and symptoms of consumption.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J. and be restored to perfect health.

OFFICE, NO. 7, SOUTH FREDERICK STREET, Baltimore, Md.

ALSO SURGICAL OPERATIONS PERFORMED.—N. B. Let no false delicacy prevent you, but apply immediately either personally or by letter.

Skin Diseases Speedily Cured.

TO STRANGERS.—The many thousands cured at this Institution within the last ten years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the Reporters of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee that the afflicted will find a skillful and honorable physician.

As there are so many ignorant and worthless quacks advertising themselves as Physicians, ruining the health of the afflicted, Dr. Johnston would say to those unacquainted with his reputation that his Credentials or Diplomas always hang in his office.

WEAKNESS OF THE ORGANS immediately cured, and full vigor restored.

ALL LETTERS POST PAID—REMEDIES SENT BY MAIL.

TREASURER'S SALE OF UNSEATED LANDS, IN HUNTINGDON COUNTY.

WHEREAS, by an act of the General Assembly of the Commonwealth of Pennsylvania, entitled "An act to amend an act directing the mode of selling unseated lands for taxes and other purposes," passed 13th March, 1815, and the other acts upon that subject; the Treasurers of the several counties within this Commonwealth are directed to commence on the 2nd Monday in June in the year 1816, and at the expiration of every two years thereafter, and adjourn from day to day, if it be necessary so to do, and make public sale of the whole or any part of such tracts of unseated land, situate in the proper county, as will pay the arrearages of the taxes which shall then have remained due and unpaid for the space of one year before, together with all costs necessarily accruing by reason of such delinquency, &c. I, JOHN MARKS, Treasurer of the county of Huntingdon, do therefore hereby give notice that upon the following tracts of unseated land, situate as herein described, the several sums stated are the arrearages of the taxes, respectively, due and unpaid for one year: and that, in pursuance of the direction of the aforesaid act of Assembly, I shall, on Monday the 14th day of June next, at the Court House in the borough of Huntingdon, commence the Public Sale of the whole or any part of such tracts of unseated lands, upon which all or any part of the taxes herein specified shall then be due and continue such sale by adjournment until all the tracts upon which the taxes shall remain due and unpaid, be sold.

Birmingham Female Seminary.

The liberal patronage which this School has received in the past, encourages the proprietor and friends of female education, to expect by proper exertion to make it both a permanent and important Institution; and no pains will be spared to sustain its growing reputation.

Among other considerations which inspire hope as to its future success, the location is not unimportant. Three years actual experiment has developed a more philosophical, if not a truer reason for the existence of Birmingham than many which have been assigned—that it is the situation for a Female Seminary, surrounded as it is by most romantic scenery—retired—healthful—easy of access and in itself a place where one might almost grow wise in the study of Nature alone unmoored by the works of Art.

The school year is divided into two Sessions of twenty-two weeks each; the summer term commencing the last Tuesday in April, the winter term the last Tuesday in October.

Charges to date from time of entering, and no deductions made for absence except in case of sickness.

Tuition \$4.00 and \$5.00 per quarter—boarding \$1.50 per week. Music, Latin, French, Drawing, &c., extra.
