

\$1,000,000 Saved Yearly by Purchasing SILVER'S MINERAL PAINTS

The wonder of the age, nature's own production. These Paints differ from all others in the market; they are not dyes; they require little Oil, flow easily, cover with a heavier body than white lead. They neither crack nor peel, and dry readily, making an EXAMPLE OF STONE.

Colors—We have seven different colors, viz: three Browns, two Choccolates, Black and Yellow, and by combination make every variety and shade of color.

Body—These Paints are superior in body (or covering property) to any yet discovered, and found few points will cover double the surface of white lead, zinc, or other metallic Paints.

Iron—To iron they furnish a perfect protection against rust, for they contain no metal, which like white lead acts destructively on the iron; in fact this Paint makes iron doubly valuable for building purposes.

Work—They give to house walls a much heavier coating than other paints, and if sanding is required, nothing holds so firmly or finishes so well with it.

Old Roofs—Give us a roof, never so old and leaky, Silver's Mineral Paints will make it clean, new and more enduring than it ever was.

Shirts using this extraordinary Mineral as we prepare it for them, will be proof against the action of hot suns, worms and salt water.

Cartlagers and Builders are invited to make strict enquiry into the merits of these Paints. They will find a very great reduction might be made in the cost of painting. These Paints are purely mineral; all clays and other impurities are washed out in preparing them for the market. They cost but half the price of white lead, and the same quantity will cover twice the surface, and last six times as long, which in fact reduces the price to one-twelfth. Climate has no effect on this Paint, and is equally valuable in the cold Canadas or our sunny Florida.

Directions—Use Lined Oil, mix as thick as you can, and use as other paints. These Paints need but little dryer, and for priming and second coating in all housework they will be found far cheaper and more durable than lead.

BALTIMORE LOCK HOSPITAL.

WHERE may be obtained the most speedy remedy for **SECRET DISEASES**—Gleets, Strictures, Seminal Weakness, Pain in the Loins, Affections of the Kidneys, and all those Peculiar Affections arising from a **SECRET HABIT**, particularly the youth of both sexes, which if not cured, produces **Constitutional Debility**, rendering **Marriage impossible**, and in the end destroys both **Mind and Body**.

YOUNG MEN Especially, who have become the victims of **Solitary Vice**, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or walked to ecstasy their **leaving lives**, may still with full confidence.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult **Dr. J.**, and be restored to perfect health.

DR. JOHNSTON, Office No. 7 SOUTH FREDERICK STREET, SEVEN DOORS FROM BALTIMORE STREET, EAST SIDE UP THE STEPS. BE PARTICULAR in observing the name and NUMBER, or you will mistake the place.

A CURE WARRANTED, OR NO CHARGE MADE, IN FROM ONE TWO DAYS. Take Notice—Dr. Johnston's Office is in his dwelling, UP THE STEPS. His very extensive practice is a sufficient guarantee that he is the only proper Physician to apply to.

DR. JOHNSTON, Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known, many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden appearances, such as affections of the head, throat, nose, skin, etc., progressing with frightful rapidity till death puts a period to their dreadful suffering, by sending them to that *Bourne whence no traveler returns.*

A CERTAIN DISEASE—It is a melancholy fact that thousands fall victims to this horrible disease owing to the Unskillfulness of ignorant pretenders, who by the use of that deadly poison Mercury, ruin the Constitution, causing the most serious symptoms of this dreadful disease to make their appearance, such as affections of the head, throat, nose, skin, etc., progressing with frightful rapidity till death puts a period to their dreadful suffering, by sending them to that *Bourne whence no traveler returns.*

TAKE PARTICULAR NOTICE—Young men who have injured themselves by a certain practice indulged in when alone—a habit frequently traced from evil companions, or at school—the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body.

What a pity that a young man, the hope of his country, and the darling of his parents should be snatched from all prospects and enjoyments of life by the consequences of deviating from the path of nature and indulging in a certain secret habit—Such persons before contemplating

MARRIAGE, should reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary pilgrimage—the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.

CONSTITUTIONAL DEBILITY—Dr. J. prescribes young men, and all who have injured themselves by private and improper indulgence.

IMPUSSANCE—These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the head, Dimness of Sight, Loss of Memory, Palpitation of the Heart, Dropsy, Nervous Irritability, Derangements of the Digestive Functions, General Debility Symptoms of Consumption, &c.

Mentally—The fearful effects on the mind are much to be dreaded; Loss of Memory, Confusion of ideas, Depression of Spirit, Evil Forbodings, and a morbid, morose, Self Distrust, Love of Solitude, &c. are some of the evils produced.

Thousands of persons of all ages, can now judge what is the cause of their declining health. Losing their vigor, becoming weak, pale and emaciated, I see a singular appearance about the eyes, cough and symptoms of consumption.

Mixed persons, or those contemplating marriage, being aware of physical weakness, should immediately consult **Dr. J.** and be restored to perfect health.

OFFICE, No. 7, SOUTH FREDERICK STREET, Baltimore, Md. **AL SURGICAL OPERATIONS PERFORMED**—N. B. Let no false delicacy prevent you, but apply immediately either personally or by letter.

Skin Diseases Speedily Cured. **TO STRANGERS**—The many thousands cured at this Institution within the last ten years, and the numerous important Surgical Operations performed by Dr. J., witness by the Reporters of the papers, and many other persons, notices of which have appeared again and again before the public, is a sufficient guarantee that the afflicted will be a skillful and honorable physician.

As there are so many *ignorant and worthless quacks advertising themselves as Physicians*, ruining the health of the afflicted **Dr. Johnston** would say to those unacquainted with his reputation that his *Credentials or Diplomas always hang in his office.*

WEAKNESS OF THE ORGANS immediately cured, and full vigor restored. **ALL LETTERS POST PAID—REMEDIES SENT BY MAIL.** Jan. 8, 1852-1y.

LIVER COMPLAINT,

JAUNDICE, DYSPPEPSIA, CHRONIC OR NERVOUS DEBILITY, DISEASES OF THE KIDNEYS,

AND ALL diseases arising from a disordered Liver or Stomach, such as Constipation, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Digestion for Food, Fullness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the pit of the Stomach, Swelling of the Head, Harried and difficult breathing, Fluttering at the Heart, Choking or Suffocating sensations when in a lying posture, Dimness of Vision, Dots or webs before the Sight, Fever and dull pain in the Head, Debility of perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great depression of Spirits, can be effectually cured by

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS, Prepared by **DR. C. M. JACKSON,** AT THE GERMAN MEDICINE STORE, 120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled—if equalled—by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues, the rectification of diseases of the Liver and lesser glands, excising the most searching poisons in weakness and affections of the digestive organs, they are withal, safe, certain and pleasant.

READ AND BE CONVINCED. From the "Boston Bee."

The editor said, Dec. 22nd **Dr. Hooffland's Celebrated German Bitters** for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he had himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor—a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use.

"SCOTT'S WEEKLY," one of the best Literary papers published, said, Aug. 25 **Dr. Hooffland's German Bitters**, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. As such is the case, we thus advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageously to their health, as we know from experience the salutary effect they have upon weak systems."

The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, The editors say **DR. HOOFLAND'S GERMAN BITTERS** "It is seldom that we recommend what are termed Patent Medicines, and therefore when we recommend Dr. Hooffland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty."

Evidence upon evidence has been received (like a foretelling) from all sections of the Union, the ago three years, and the strongest testimony in its favor, is, that there is more of it used in the practice of the regular Physicians of Philadelphia, than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

"That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt after using it as directed. It acts specifically upon the stomach and liver; it is preferable to colic in all bilious diseases—the effect is immediate. They can be administered to female or infant with safety and reliable benefit at any time.

This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeits to put forth spurious articles at the risk of the lives of those who are innocently deceived.

Look well to the marks of the genuine. They have the written signature of C. M. JACKSON upon the wrapper, and his name blown in the bottle, and which they are sure to find.

Entered according to Act of Congress, in the year 1851, by J. S. HOUGHTON, M. D., in the clerk's Office of the District Court for the Eastern District of Pennsylvania.

Another Scientific Wonder! GREAT CURE FOR DYSPEPSIA!

DR. J. S. HOUGHTON'S PEPSIN!

THE TRUE DIGESTIVE FLUID, OR, GASTRIC JUICE. Prepared from Rennet, or the fourth stomach of the ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, *Five Pounds of Roast Beef in about two hours*, on the stomach.

PEPSIN is the chief element, or Great Digesting Principle of the Gastric Juice—the Solvent of the Food, the Purifying, Freshening, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an Artificial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers, and emitting a Complete and Perfect Substitute for it. By the aid of this preparation, the pains and cramps of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It is doing wonders for Dyspepsia, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree Curious and Remarkable.

SCIENTIFIC EVIDENCE! **BARON LIEBIG** in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared upon the meat and eggs, will be soiled, changed, and digested, just in the same manner as they would be in the human stomach."

DR. COMBE, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia," and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding everything else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful."

DR. GRAHAM, author of the famous works on "Vegetable Diet," says: "It is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of artificial digestion of them in no wise different from the natural digestive process."

Call on the Agent, and get a Descriptive Circular, gratis, giving a large amount of Scientific Evidence, similar to the above, together with Reports of Remarkable Cures, from all parts of the United States.

AS A DYSPEPSIA CURER. **DR. HOUGHTON'S PEPSIN** has produced the most wonderful effects, in curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption. It is impossible to give the details of cases in the limits of this advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York and Boston also. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and particularly useful for tendency to Bilious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and the evil effects of Quinine, Mercury, and other drugs upon the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost recures *Health with Intemperance.*

OLD STOMACH COMPLAINTS. There is no form of Old Stomach Complaints which it does not seem to reach and remove as once. No matter how bad they may be, it gives Instant Relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purify the Blood and Vigor of Body follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency to Insanity, Suicide, &c.

DR. HOUGHTON'S Pepsin, is sold by nearly all the dealers in fine drugs and Popular Medicines, throughout the United States. It is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.

Private Circulars for the use of Physicians, may be obtained of **Dr. Houghton** or his Agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is not a Secret Remedy, no objections can be raised against its use by Physicians in respectable
